What's New and Other Important Information for 2009

Tax Increase
Beginning on January 1, 2009 the tax rate increased by .25%.

Dependent Exemptions Credits
Beginning on January 1, 2009, the dependent exemption credit decreased from $309 to $98 per dependent exemption.

Mandatory Electronic Payments
You are required to remit all your payments electronically once you make an estimate or extension payment exceeding $20,000 or you file an original return with a total tax liability over $80,000 for any taxable year that begins on or after January 1, 2009. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically may be subject to a one percent noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of $20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed $80,000.
- The amount you paid is not representative of your total tax liability.

Electronic payments can be made using Web Pay on Franchise Tax Board's (FTB's) website, electronic funds withdrawal (EFW) as part of the e-file return, or your credit card. For more information or to obtain the waiver form, go to **ftb.ca.gov** and search for **mandatory epay**.

Third Party Designee
You can designate a third party to discuss your tax return with the Franchise Tax Board (FTB). For more information, go to the instructions on page 10, Third Party Designee.

Registered Domestic Partners (RDP) – RDPs under California law must file their California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. For more information on what states have legal unions that are considered substantially equivalent, go to **ftb.ca.gov** and search for **attorney general.**

For purposes of California income tax, references to a spouse, husband, or wife also refer to a RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Same Sex Married Couples
Married couples must file their California income tax returns using either the married/RDP filing jointly or married/RDP filing separately filing status. Same-sex marriages performed in California after 5:00 p.m. on June 16, 2008, and before November 5, 2008, have been recognized as valid marriages for California purposes. For more information, get FTB Pub. 776, Tax Information for Same-Sex Married Couples, or go to **ftb.ca.gov** and search for **same sex married couples**.

ReadyReturn
If your filing status is single or head of household and your income is only from wages, you may qualify for ReadyReturn. It simplifies the filing process by pre-filling a tax return with information the state already has. For more information and to see if you qualify, go to **ftb.ca.gov** and search for **readyreturn** or call 800.338.0505.

Round Cents to Dollars
Round cents to the nearest whole dollar. For example, round $50.50 up to $51 or round $25.49 down to $25.

MyFTB Account
Make tax time less taxing! Check MyFTB Account for information about your FTB issued 1099-Gs, 1099-INTs, California wage and withholding data and more! Go to **ftb.ca.gov** and search for **myftb account**.

Direct Deposit Refund
For a faster refund you can request a direct deposit refund on your tax return whether you e-file or file a paper return. Be sure to fill in the routing and account numbers carefully and double-check the numbers for accuracy.

10. I will be moving after I file my return. How do I notify the FTB of my new address?

You can notify the FTB of your new address by using form FTB 3533, Change of Address. This form is available at **ftb.ca.gov**.

11. The Internal Revenue Service (IRS) made changes to my federal return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. Either use Form 540X to correct the California income tax return you already filed, or send a copy of the federal changes to:

ATTN RAR/VOL MS F310

Instructions for Form 540 2EZ

CalFile – California's free, fast, easy, and secure e-file option.

Things you need to know before you complete Form 540 2EZ

Determine if you qualify to use Form 540 2EZ. See the table on page 4.

Name and Address – Print your name, middle initial, last name, and address in the spaces provided.

Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN) – Enter your SSN or ITIN in the spaces provided. If you file a joint return, enter the SSN or ITIN in the same order as the names.

An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for an SSN. The ITIN is a nine-digit number that always starts with the number 9.

Line 1 through Line 5 – Filing Status

Fill in the circle on Form 540 2EZ for the filing status that applies to you.

If your California filing status is different from your federal filing status, fill-in the circle under line 5.

Filing Status Checklist
Choose only one filing status. Your filing status for California must be the same as the filing status you used on your federal income tax return.

Exception:
Same-sex married individuals or registered domestic partners (RDP) who file single for federal must file married/RDP filing jointly or married/RDP filing separately for California. If you are a same sex married individual or RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered unmarried or considered not in a registered domestic partnership.

Married taxpayers who file a joint federal income tax return may file separate California returns if either spouse was:

- An active member of the U.S. Armed Forces (or any auxiliary military branch) during 2009.
- A nonresident for the entire year and had no income from California sources during 2009.

You cannot use Form 540 2EZ if:

- You file a joint return and either spouse/RDP was a nonresident in 2009. Use Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. These forms are available online at **ftb.ca.gov** or file online using **e-file**.
- You are married/RDP and file a separate return. Get Forms 540/540A online at **ftb.ca.gov** or file online through **CalFile** or **e-file**.
- You have income from a source outside of California.
- You have income from a source not listed on this form.

Single

- You were not married or in an RDP.
- You received a final decree of divorce or legal separation, or your RDP was terminated.
- You were widowed before January 1, 2009, and did not remarry or enter into another RDP in 2009 (see Qualifying Widow[er]).

Married/RDP Filing Jointly
You may file married/RDP filing jointly if any of the following is true:

- You were married/RDP as of December 31, 2009, even if you did not live with your spouse/RDP at the end of 2009.
- Your spouse/RDP died in 2009 and you did not remarry or enter into another RDP in 2009.
- Your spouse/RDP died in 2010 before the 2009 return was filed.

A married couple or RDPs may file a joint return even if only one had income or if they did not live together all year. However, both must sign the return.

Head of Household
For the specific requirements that must be met to qualify for head of household filing status, get FTB Pub. 1540, California Head of Household Filing Status Information. In general, head of household filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You may be entitled to use head of household filing status if all of the following apply:

- You were unmarried and not in an RDP, or you met the requirements to be considered unmarried or considered not in an RDP on December 31, 2009.
- You paid more than one-half the cost of keeping up your home for the year in 2009.

- The relative who lived with you met the requirements to be a qualifying child or qualifying relative.
- You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for head of household purposes, the child must be placed with you by an authorized placement agency or by order of a court.

The FTB has a self test, which will help you determine your filing status. Go to **ftb.ca.gov** and search for **self test**.

Qualifying Widow(er)
You are a qualifying widow(er) if ALL of the following apply:

- Your spouse/RDP died in 2007 or 2008, and you did not remarry or enter into another RDP in 2009.
- You have a birth child, adopted child, stepchild, or eligible foster child for whom you can claim a dependent exemption credit.
- This child lived in your home for all of 2009. Temporary absences, such as for school, vacation, or medical care, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint return with your spouse/RDP the year he or she died, even if you actually did not do so.

Enter the year of your spouse's/RDP's death on your return.

If you were a resident of California and paid rent on property in California which was your principal residence, you may qualify for a credit that you can use to reduce your tax. Answer the questions on page 12 to see if you qualify.

Line 22 – Total Tax Withheld

Enter the amount from federal Form(s) W-2, box 17, or 1099-R, box 10. If you have more than one Form W-2, add all amounts shown in box 17. If you have more than one 1099-R, add all amounts shown in box 10. The Franchise Tax Board (FTB) verifies all withholding claimed from federal Forms W-2 or 1099-R with the Employment Development Department (EDD).

Line 24 – Tax Due

If the amount on line 22 is less than the amount on line 21a, subtract the amount on line 22 from the amount on line 21a. Enter the result on line 24. Your tax is more than your credits and withholdings.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can get this form from your employer or by calling the EDD at **888.745.3886**. You can download the DE 4 at **www.edd.ca.gov** or go to **ftb.ca.gov** and search for **de 4**. If you did not pay enough through withholding, you may have an underpayment penalty. The FTB will figure the underpayment penalty for you.

Line 25 – Use Tax - This is not a total line

As explained on page 13, California use tax applies to purchases from out of state sellers (for example, purchases made by telephone, over the Internet, by mail, or in person). For questions on whether a purchase is taxable, go to State Board of Equalization's website at **boe.ca.gov**, or call their Taxpayer Information Section at 800.400.7115 or TTY/TDD 800.735.2929.

Note: The following businesses must continue to report purchases subject to use tax directly to the State Board of Equalization:

- Businesses that have a California seller's permit.
- Businesses that are not required to hold a California seller's permit, but receive at least $100,000 in gross receipts.

If you are not required to report purchases subject to use tax directly to the State Board of Equalization, you may report use tax on your income tax return. To report use tax on your income tax return, complete the Use Tax Worksheet below.

If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the State Board of Equalization. For information on reporting use tax directly to the State Board of Equalization, go to their website at **boe.ca.gov**.

Failure to timely report and pay the use tax due may result in the assessment of penalties.

Use Tax Worksheet

Round all amounts to the nearest whole dollar.

1. Enter purchases from out-of-state or Internet sellers made without payment of California sales/use tax. See worksheet instructions below . . . . . $ _____.00
2. Enter the decimal equivalent of the applicable sales and use tax rate. See worksheet instructions below . . . . . _____
3. Multiply line 1 by the tax rate on line 2. Enter result here . . . . $ _____.00
4. Enter any sales or use tax paid to another state for purchases included on line 1. See worksheet instructions below. . . . . $ _____.00
5. Total Use Tax Due. Subtract line 4 from line 3. Enter the amount here and on line 25. If the amount is less than zero, enter -0-. . . . . $ _____.00

Worksheet, Line 1, Purchases Subject to Use Tax

- Report items that would have been taxable in a California store. For example, you would include purchases of clothing, but not purchases of prescription medicine.
- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and brought items back to California, generally the use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration, less the $800 per-person exemption. This $800 exemption does not apply to goods sent or shipped to California by mail or other common carrier.
- If your filing status is "married/RDP filing separately," you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP must report the remaining half on his or her income tax return or on the individual use tax return available from the State Board of Equalization.

Note: Report and pay any use tax you owe on the following purchases to the State Board of Equalization, not on your income tax return:

- Vehicles, vessels, and trailers that must be registered with the California Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.

Worksheet, Line 2, Sales and Use Tax Rate

- Enter the decimal equivalent of the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. For example, the decimal equivalent of 8.25% is 0.0825, and the decimal equivalent of 8.375% is 0.08375.
- If you do not know the applicable rate, see the table on page 8, "Sales and Use Tax Rates by County." If you have questions regarding the use tax rate in effect in your area, go to the State Board of Equalization's website at **boe.ca.gov** or call their Taxpayer Information Section at 800.400.7115 or TTY/TDD 800.735.2929.

Worksheet, Line 4, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states. You cannot claim a credit greater than the amount of tax that would have been due if the purchase had been made in California. For example, if you paid $8.00 sales tax to another state for a purchase, and would have paid $6.00 in California, you can claim a credit of only $6.00 for that purchase.

D. Amount on line 23 . . . . . ._____

Direct Deposit

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540 2EZ, Side 2, line 29 and line 30. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens, but omit spaces and special symbols. On the sample check, the account number is 202020.

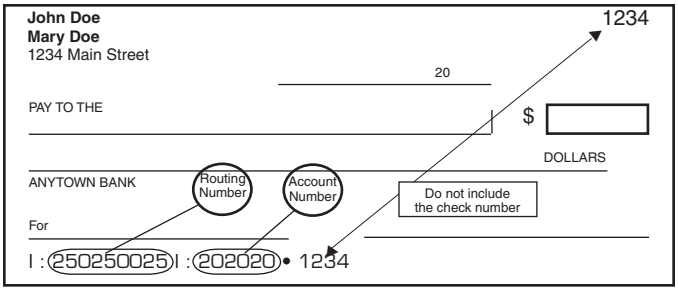
Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.



Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

Sign Your Tax Return

Sign your tax return on Side 2. If you file a joint tax return, your spouse/RDP must also sign it.

If you file a joint return, both you and your spouse/RDP are generally responsible for tax and any interest or penalties due on the return. If one spouse/RDP does not pay the tax, the other spouse/RDP may have to. See Innocent Joint Filer Relief on page 13.

If you pay a person to prepare your tax return, that person must sign on Side 2 and include either their social security number, PTIN, or FEIN. A paid preparer must give you a copy of your tax return to keep for your records.

Also print the designee's name and telephone number. If you want to allow the paid preparer who signed your return to discuss it with the FTB, enter "Preparer" in the space for the designee's name and print the preparer's phone number.

If you check the "Yes" box, you, and your spouse/RDP if filing a joint return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your return. You are also authorizing the designee to:

California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the State Board of Equalization, you must report and pay the use tax due on your state income tax return. See the information below and the instructions for line 25 of your income tax return.

In general, you must pay California use tax on purchases made from out of state (for example, by telephone, over the Internet, by mail, or in person) if:

- The seller does not collect California sales or use tax, and
- You use, give away, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax for the purchase.

Complete the Use Tax Worksheet on page 8 to calculate the amount due.

Extensions to file. Wait until you file your return to report your purchases subject to use tax and make your use tax payment.

Penalty. Failure to timely report and pay the use tax due may result in the assessment of penalties.

Changes in use tax reported. Do not file an Amended Income Tax Return to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original tax return, contact the State Board of Equalization.

For assistance with your **use tax** questions, go to **boe.ca.gov** or call their Taxpayer Information Section at 800.400.7115, or TTY/TDD 800.735.2929. Income tax information is not available at this number.

Census Day is April 1, 2010 – The 2010 Census is a count of everyone living in the United States. This count is mandated by the U.S. Constitution. You should receive your 2010 Census questionnaire in mid-March. The 2010 questionnaire is one of the shortest in history. It's just 10 questions and it takes about 10 minutes to complete.

Every year Californians pay taxes to the Federal government. Every decade Californians have an opportunity to receive money back from the Federal government through the census. Don't let California go undercounted.

Instructions for Form FTB 3519

Payment for Automatic Extension for Individuals

What's New

Mandatory Electronic Payments – You are required to remit all your payments electronically once you make an estimate or extension payment exceeding $20,000 **or** you file an original return with a total tax liability over $80,000 for any taxable year that begins on or after January 1, 2009. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically may be subject to a one percent noncompliance penalty. Electronic payments can be made using Web Pay on the Franchise Tax Board's (FTB's) website, electronic funds withdrawal (EFW) as part of the e-file return, or your credit card. For more information or to obtain the waiver form, go to **ftb.ca.gov** and search for **mandatory epay**.

General Information

Use form FTB 3519, Payment for Automatic Extension for Individuals, **only** if both of the following apply:

- You cannot file your 2009 return by April 15, 2010.
  Note: Fiscal Year Filers, your return is due the 15th day of the 4th month following the close of your fiscal year.
- You owe tax for 2009.

When you file your 2009 return, you can **e-file** or **CalFile**. Go to **ftb.ca.gov** and search for **e-file options.** If you use form FTB 3519, you **may not** file Form 540 2EZ or Short Form 540NR.

Use the worksheet below to determine if you owe tax. If you **do not** owe tax, **do not** complete or mail form FTB 3519. However, file your return by October 15, 2010. If you owe tax, choose one of the following payment options:

- **Web Pay:** To make a payment online or to schedule a future payment (up to one year in advance), go to **ftb.ca.gov** and search for **web pay. Do not** mail form FTB 3519 to the FTB.
- **Credit Card:** Use your major credit card. Call 800.272.9829 or go to **officialpayments.com,** use code 1555. Official Payments Corp. charges a convenience fee for using this service. **Do not** mail form FTB 3519 to the FTB.
- **Check or Money Order:** Complete the payment form below using blue or black ink, and mail it with your check or money order to the "Franchise Tax Board." Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.
- **Installment Agreement:** Go to **ftb.ca.gov** and search for **installment agreement** or get FTB 3567, Installment Agreement Request Booklet.

Penalties and Interest

If you fail to pay your total tax liability by April 15, 2010, you will incur a late payment penalty plus interest. If you pay at least 90% of the tax shown on the return by the original due date of the return, we will waive the penalty based on reasonable cause. However, the imposition of interest is mandatory. If, after April 15, 2010, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest. Pay your additional tax with another form FTB 3519. If you do not file your tax return by October 15, 2010, you will incur a late filing penalty plus interest from the original due date of the return. For Fiscal Year Filers, your tax return is due the 15th day of the 10th month following the close of your fiscal year.

Taxpayers Residing or Traveling Outside the USA

If you are residing or traveling outside the USA on April 15, 2010, the deadline to file your return and pay the tax is June 15, 2010. Interest will accrue from the original due date (April 15, 2010) until the date of payment. If you need additional time to file, you will be allowed a six-month extension without filing a request. To qualify for the extension, file your tax return by December 15, 2010. To avoid any late-payment penalties, pay your tax liability by June 15, 2010. When filing your tax return, attach a statement to the front indicating that you were "Outside the USA on April 15, 2010."
