## What's New and Other Important Information for 2004

**Amnesty** – Recent legislation authorizes the Franchise Tax Board and the Board of Equalization to administer a Tax Amnesty Program. Tax amnesty is a limited time chance for individuals and businesses to pay past-due income, franchise, sales, or use taxes and the related interest penalty-free without the fear of criminal prosecution. Amnesty runs from February 1, 2005, through March 31, 2005. Taxpayers eligible to participate in amnesty but choose not to do so will be subject to additional penalties.

Amnesty is open to both individuals and businesses for taxable years 2002 and prior, if they did any of the following:

- Did not file required California tax returns.
- Underreported income on a previously filed tax return.
- Claimed excessive deductions.
- Did not pay income, franchise, sales or use taxes on time.

The following taxpayers or transactions are not eligible for amnesty:

- Taxpayers currently under criminal investigation or prosecution on tax-related matters.
- Abusive tax shelter transactions that were eligible for relief under California's Voluntary Compliance Initiative or the 2003 IRS Offshore Voluntary Compliance Initiative. These initiatives applied to taxpayers with nonreported or underreported tax liability amounts attributable to an investment in an abusive tax shelter. Note: These taxpayers are eligible for amnesty for non-abusive tax shelters items.

For more details, visit our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov) or call (800) 852-5711.

**Tax Shelters** – If you were involved in a potentially abusive tax shelter, you may have a disclosure, registration, and list maintenance requirement. The Franchise Tax Board may impose several new and enhanced penalties if you fail to file federal Forms 8886, 8264, 8271, or any required information. For more information, see Registration and Reporting Requirements under Abusive Tax Shelters on our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov).

**New Form 540 2EZ income limitations** – For taxable years beginning on or after January 1, 2004, you may be able to file Form 540 2EZ if you are single or head of household and your total income for the taxable year is \$100,000 or less, or if you are married filing jointly or qualifying

widow(er) and your total income for the taxable year is \$200,000 or less. Total income is defined as wages, interest, dividends, and pension income. However, if income adjustments are required due to differences between California and Federal law, you may not use this form. Get Form 540, CalFile, or e-file instead.

**Paid Family Leave Benefits** – If you received paid family leave benefits in 2004, they are not taxable by California. For additional information, get Schedule CA (540) and instructions - California Adjustments, and FTB Pub. 1001 - Supplemental Guidelines to California Adjustments.

**Mandatory e-file** – California law requires individual income tax returns prepared by certain tax practitioners to be e-filed. This law saves money and resources for the state. If you have a tax practitioner prepare your return, they may be required to e-file it. You have the right to choose not to e-file, however, we encourage you take advantage of everything e-file has to offer.

**New Voluntary Contribution Funds** – You may make voluntary contributions to the California Military Family Relief Fund and/or the California Prostate Cancer Research Fund.

**TeleFile Discontinued** – TeleFile is no longer available to file California tax returns. We discontinued TeleFile due to decreasing usage and to help save California resources. If you qualified for TeleFile, you also qualify to use our free e-file option: CalFile. Like TeleFile, CalFile is fast, direct, and easy to use. Go to [www.ftb.ca.gov](http://www.ftb.ca.gov) to use CalFile or other free options available online including California e-file options and the Federal Free File Alliance.

**Estimated Tax Payment Penalty** – You may not be subject to estimate tax payments if your California withholding is enough during each payment period to total either 90% of your current tax year liability or 100% of your prior year tax liability, **OR** you paid enough through withholding to keep the amount you owe with your return under \$200 (\$100 if married filing separately). However, if you did not pay enough through withholding, you may have an underpayment penalty. Get form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries, for more information.

**Note: If you owe an underpayment penalty, you cannot use Form 540 2EZ. You must use CalFile, e-file, Form 540A, or Form 540.**

## Steps to Determine Filing Requirements

**Step 1:** Is your gross income (see footnote 1 below) more than the amount shown in the Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

**Step 2:** Is your adjusted gross income (see footnote 2 below) more than the amount shown in the Adjusted Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, you do not have a filing requirement.

# Filing Status Check List

## General Information

Choose only **one** filing status. Your filing status for California must be the same as the filing status you used on your federal income tax return.

**Exception:** Married taxpayers who file a joint federal income tax return may file separate California returns if either spouse was:

- An active member of the U.S. Armed Forces (or any auxiliary military branch) during 2004; or
- A nonresident for the entire year and had no income from California sources during 2004.

**You cannot use Form 540 2EZ if:**

- You file a joint return and either spouse was a nonresident in 2004. You should e-file or use Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return.
- You are married and file a separate return. You should CalFile, e-file, or use Form 540A or Form 540.
- You have income from a source outside of California.  
See back cover for downloading or ordering tax forms.

---

## Single

You are single if **any** of the following was true on December 31, 2004:

- You were never married; or
- You were either divorced under a final decree of divorce or legally separated under a final decree of legal separation or a final decree of separate maintenance; or
- You were widowed before January 1, 2004, and did not remarry in 2004 (see Qualifying Widow[er] below).

---

## Married Filing Jointly

You may file married filing jointly if **any** of the following is true:

- You were married as of December 31, 2004, even if you did not live with your spouse at the end of 2004; or
- Your spouse died in 2004 and you did not remarry in 2004; or
- Your spouse died in 2005 before the 2004 return was filed.

A husband and wife may file a joint return even if only one had income or if they did not live together all year. However, both must sign the return.

---

## Head of Household

This filing status is for unmarried individuals and certain married individuals living apart (considered unmarried) who provide a home for certain other persons. You are entitled to use the head of household filing status only if **ALL** the following apply:

- You were unmarried or considered unmarried on December 31, 2004,
- You paid more than one-half the costs of keeping up a home for the year 2004,
- For more than half the year, your home was the main home for you and another person who lived with you,
- The other person was your qualifying relative,
- You were not a nonresident alien at any time during the year.

For further information get FTB Pub. 1540, California Head of Household Filing Status Information. See back cover, code 934, or visit our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov) and take the self-test.

---

## Qualifying Widow(er)

You are a qualifying widow(er) if **ALL** of the following apply:

- Your spouse died in 2002 or 2003, and you did not remarry in 2004,
- You have a child, adopted child, stepchild, or foster child for whom you can claim a dependent exemption credit,
- This child lived in your home for all of 2004. Temporary absences, such as for school, vacation, or medical care, count as time lived in the home,
- You paid over half the cost of keeping up your home for this child,
- You could have filed a joint return with your spouse the year he or she died, even if you actually did not do so.

Please enter the year of your spouse's death on your return.

# Instructions for Form 540 2EZ CalFile – California's free, fast, easy, and secure e-file option.

## Things you need to know before you complete Form 540 2EZ

Determine if you qualify to use Form 540 2EZ. See the table on page 4. Use blue or black ink to complete Form 540 2EZ.

The **California 2EZ tables** are made for the Form 540 2EZ only. They may not be used with any other California tax form. There are three separate tables, one for each filing status. **Note:** married filing jointly and qualifying widow(er) share the same tables. The tax amounts have been reduced for the standard deduction for your filing status, your personal exemption credit, and dependent exemption credits you may claim.

**Use the label** on the cover of this booklet to speed processing and prevent common errors that can delay refunds. After completing your return, sign it and attach the mailing label. Make corrections to the label by crossing out any errors and printing the correct or missing information in black or blue ink.

Enter your social security number(s) or individual taxpayer identification number(s) in the space(s) provided. This information is not pre-printed on your label.

## Specific Line Instructions

These instructions are based on the Internal Revenue Code (IRC) as of January 1, 2001, and the California Revenue and Taxation Code (R&TC).

### Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN)

Enter your SSN or ITIN in the spaces provided. To protect your privacy, your SSN or ITIN is not printed on your label. If you file a joint return, enter the SSN or ITIN in the same order as the names.

An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for a SSN. It is a nine-digit number that always starts with the number 9.

### Line 1 through Line 5 – Filing Status

See page 5 for the requirements for each of the filing statuses. Then fill in the circle on Form 540 2EZ for the filing status that applies to you.

### Line 6 – Can you be claimed as a dependent?

If your parent (or someone else) can claim you (or your spouse, if married) as a dependent on his or her tax return, even if he or she chooses not to, fill in the circle on line 6. Then answer the following questions:

- Are your total wages, interest, dividend, and pension income less than or equal to:
  - \$10,515 if single
  - \$20,980 if married filing jointly or qualifying widow(er)
  - \$14,880 if head of household, or
- Do you have a dependent?

If the answer to question 1 or question 2 is **Yes, Stop here**. You cannot use Form 540 2EZ because you will not be able to figure the correct amount of tax using the California 2EZ Tables. Please CalFile, e-file (see page 2), or get Form 540A or Form 540 at our Website [www.ftb.ca.gov](http://www.ftb.ca.gov) or see back cover.

### Line 7 – Seniors

If you (or if married, your spouse) are 65 or older, enter 1; if both, enter 2 on line 7.

Note: If your 65th birthday is January 1, 2005, you are considered to be age 65 on December 31, 2004.

### Line 8 – Dependents

Enter the names of the dependents you are allowed to claim. Up to 3 dependents are allowed on Form 540 2EZ. If you are claiming 4 or more dependents, you must CalFile, e-file, or get Form 540A or Form 540 at our Website [www.ftb.ca.gov](http://www.ftb.ca.gov) or see back cover.

#### Refundable Child and Dependent Care Expenses Credit

If you qualify for the similar federal credit and your federal adjusted gross income is \$100,000 or less, claim the credit using Form 540A or Form 540. The easiest way to claim the credit is to CalFile or e-file. **This credit may not be claimed on Form 540 2EZ.**

### Line 9 – Wages

Enter the amount from Form W-2, box 16. If you have more than one W-2, add all amounts shown in box 16. The picture on this page shows where this information is located on your Form W-2.

Generally, federal Form W-2 box 1 and box 16 should reflect the same amounts. If they are different because you had income from a source outside California, you cannot file Form 540 2EZ. Please CalFile, e-file, or get Form 540A, Form 540, or Long or Short Form 540NR, at our Website [www.ftb.ca.gov](http://www.ftb.ca.gov) or see back cover.

**Exception:** You may use Form 540 2EZ, if your Form W-2, box 1 and box 16 are different because you received ride-sharing benefits or sick pay under the Federal Insurance Contributions Act and Railroad Retirement Act.

If this exception applies to you, enter the amount from federal Form W-2, box 16.

### Line 10a – Total Interest Income

Enter interest income shown on Form 1099-INT, box 1.

Do not include amounts shown on Form 1099-INT, box 3, Interest on U.S. Savings Bonds and Treasury Obligations. This interest is not taxed by California.

### Line 10b – Total Dividend Income

Generally, the amount of dividend income taxable by California is the same as the amount taxable under federal law. However, there may be federal/state differences in the taxable amount of dividend income, if you received it from any of the following sources:

- Exempt interest dividends from mutual funds.
- Non-cash patronage dividends from farmers' cooperatives or mutual associations.
- Federal exempt interest dividends from other states or their municipal obligations and/or from mutual funds.

(continued on following page)

- Controlled foreign corporation dividends in the year distributed.
- Regulated investment company (RIC) capital gains in the year distributed.
- Distributions of pre-1987 earnings from an S corporation.

**If you have a federal/state difference in the taxable amount of dividend income, you cannot file a Form 540 2EZ. You must e-file or get Form 540A or Form 540 at our Website [www.ftb.ca.gov](http://www.ftb.ca.gov) or see back cover.**

## Line 10c – Total Pensions

Generally, the amount of pension income taxable by California is the same as the amount taxable under federal law. However, there may be federal/state differences in the taxable amount of pension income, if you received it from any of the following sources:

- Tier 2 railroad retirement benefits.
- Partially taxable distributions from a pension plan.
- Retirement annuity between 7/1/86 and 1/1/87 and elected to use the three-year rule for California purposes and annuity rules for federal purposes.

**If you have a federal/state difference in the taxable amount of pension income, you cannot file a Form 540 2EZ. You must CalFile, e-file, or get Form 540A or Form 540 at our Website [www.ftb.ca.gov](http://www.ftb.ca.gov) or see back cover.**

## Line 11 – Unemployment Compensation

Enter unemployment compensation and/or Paid Family Leave Insurance benefits reported on federal Form(s) 1099-G. These types of income are not taxed by California and should not be included in the total on line 13.

## Line 12 – U.S. Social Security or Railroad Retirement Benefits

Enter U.S. social security or tier 1 and tier 2 railroad retirement benefits. This type of income is not taxed by California and should not be included in the total on line 13.

## Line 14 – Tax

The standard deduction and personal exemption credit are built into the 2EZ tables and not reported on the tax return.

### Did you fill in the circle for line 6?

**Yes** Complete the Dependent Tax Worksheet in the next column.

**No** Follow the instructions below.

Use the California 2EZ table for your filing status to complete line 14. The 2EZ tables in this booklet give you credit for the standard deduction for your filing status, your personal exemption credit, and dependent exemption credits. There are three different tables. Make sure you use the right one. If your filing status is:

- Single, go to page 17.
- Married filing jointly or qualifying widow(er), go to page 27.
- Head of household, go to page 38.

### Dependent Tax Worksheet

1. Is the amount on line 13 less than or equal to:

- \$10,515 if single
- \$20,980 if married filing jointly or qualifying widow(er)
- \$14,880 if head of household, or

2. Do you have a dependent?

If the answer to question 1 or question 2 is:

**Yes Stop here.** You cannot use Form 540 2EZ because you will not be able to figure the correct amount of tax using the California 2EZ Tables. Please CalFile or e-file (see page 2), or get Form 540A or Form 540 at our Website [www.ftb.ca.gov](http://www.ftb.ca.gov) or see back cover.

**No** If you can be claimed as a dependent by another taxpayer, your personal exemption credit amount is zero. You will need to adjust the tax from the 2EZ Table for this amount as follows:

1. Using the amount from Form 540 2EZ, line 13, and your filing status, look up the tax in the 2EZ Table.

If your filing status is:

- Single, go to page 17.
- Married filing jointly or qualifying widow(er), go to page 27.
- Head of household, go to page 38.

2. If single or head of household, enter \$85

- If married and both spouses can be claimed as a dependent by another taxpayer, enter \$170
- If married and only one spouse can be claimed, enter \$85
- If qualifying widow(er), enter \$170

3. Add line 1 and line 2. Enter here and on Form 540 2EZ, line 14.

## Line 15 - Senior Exemption

If you entered 1 in the box on line 7, enter \$85. If you entered 2 in the box on line 7, enter \$170.

**Caution:** You cannot claim this exemption credit if someone else can claim you as a dependent on their return.

## Line 16 – Nonrefundable Renter’s Credit

If you paid rent on your principal California residence in 2004, you may be eligible for a credit to reduce your tax. See page 10 to see if you qualify for the credit.

## Line 19 – Tax Withheld

Enter the amount from Form W-2, box 17. If you have more than one Form W-2, add all amounts shown in box 17. The picture on page 6 shows where this information is located on a typical Form W-2. The Franchise Tax Board verifies all withholding claimed from Forms W-2 with the Employment Development Department.

## Line 21 – Tax Due

If the amount on line 19 is less than the amount on line 18, subtract the amount on line 19 from the amount on line 18. Enter the result on line 21. Your tax is more than your credits.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete Employment Development Department (EDD) Form DE 4, Employee’s Withholding Allowance Certificate, and give it to your employer’s appropriate payroll staff. You can obtain this form from your employer or by calling EDD at (888) 745-3886. You can download the DE 4 at [www.edd.ca.gov](http://www.edd.ca.gov) or use the online calculator by going to [www.ftb.ca.gov](http://www.ftb.ca.gov) and searching for DE 4.

## Line 22 – Use Tax

As explained on page 13, you may owe California use tax on your purchases from out-of-state sellers (for example, purchases made by telephone, over the Internet, by mail, or in person). If you have questions on whether a purchase is taxable, visit the State Board of Equalization’s Website at [www.boe.ca.gov](http://www.boe.ca.gov), or call their Information Center at (800) 400-7115 or TTY/TDD (800) 735-2929.

You may report use tax on your income tax return instead of filing a use tax return with the California State Board of Equalization. To report use tax on your income tax return, complete the Use Tax Worksheet below.

If you owe use tax but choose not to report it on your income tax return, you must report and pay the tax to the State Board of Equalization. To do so, download a copy of Publication 79-B, California Use Tax, from [www.boe.ca.gov](http://www.boe.ca.gov). You can also request a copy by calling their Information Center.

**Note:** Businesses that have a California seller’s permit must continue to report business purchases subject to use tax on their sales and use tax returns.

<b>Use Tax Worksheet</b>

- Include handling charges.
- Do not include any other state’s sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and brought items back to California, generally the use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less the \$400 per-person exemption. This \$400 exemption does not apply to goods sent or shipped to California by mail or other common carrier.
- If your filing status is “married filing separately,” you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse must report the remaining half on his or her income tax return or on the individual use tax return available from the State Board of Equalization.

**Note:** Do not report the following on your income tax return:

- Vehicles, vessels, and trailers that must be registered with the California Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.

### Worksheet, Line 2, Sales and Use Tax Rate

- Enter the decimal equivalent of the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. For example, the decimal equivalent of 7.25% is 0.0725, and the decimal equivalent of 7.375% is 0.07375.
- If you do not know the applicable rate, see the table below, “Sales and Use Tax Rates by County.” If you have questions regarding the use tax rate in effect in your area, please visit the State Board of Equalization’s Website at [www.boe.ca.gov](http://www.boe.ca.gov) or call their Information Center at (800) 400-7115 or TTY/TDD (800) 735-2929.

### Worksheet, Line 4, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states. You cannot claim a credit greater than the amount of tax that would have been due if the purchase had been made in California. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

## California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases from out-of-state sellers and is similar to the sales tax paid on purchases you make in California.

In general, you must pay California use tax on purchases made from out of state (for example, by telephone, over the Internet, by mail, or in person) *if*

- The seller does not collect California sales or use tax, and
- You use, give away, store, or consume the item in this state.

**Example:** You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax for the purchase.

**Complete the Use Tax Worksheet** on page 8 to calculate the amount due.

**Extensions to file.** If you request an extension to file your income tax return, wait until you file your return to report your purchases subject to use tax and make your use tax payment.

**Changes in use tax reported.** Do not file an Amended Income Tax Return to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original tax return, contact the State Board of Equalization.

For assistance with your use tax questions, please visit the State Board of Equalization's Website at [www.boe.ca.gov](http://www.boe.ca.gov) or call their Information Center at (800) 400-7115, or TTY/TDD (800) 735-2929. Income tax information is not available at this number.

### Penalties and Interest

If you fail to pay your total tax liability by April 15, 2005, a late-payment penalty plus interest will be added to your tax due. If after April 15, 2005, you find that your estimate of tax due was too low, you should pay the additional tax as soon as possible to avoid further accumulation of penalties and interest. Pay your additional tax with another form FTB 3519 voucher. If you do not file your tax return by October 17, 2005, you will be assessed a late-filing penalty plus interest from the original due date of the return.

### Taxpayers Residing or Traveling Outside the USA

If you are living or traveling outside the USA on April 15, 2005, the deadline to file your return and pay the tax is June 15, 2005. Interest will accrue from the original due date (April 15, 2005) until the date of payment. If you need additional time to file your tax return, you will be allowed an automatic six-month extension without filing a written request. To qualify for the extension, you must file your tax return by December 15, 2005. To avoid any late-payment penalties, you must pay 100% of your tax liability by June 15, 2005. When filing your tax return, be sure to attach a statement to the front indicating that you were "outside the USA on April 15, 2005."

\* When you do file your 2004 return, you can e-file. Visit our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov). Otherwise, you must use Form 540A, Form 540, or Long Form 540NR. **Note:** If you use form FTB 3519, you may not file Form 540 2EZ or Short Form 540NR.

## 2. How can I get help?

There are more than 1,500 sites throughout California where trained volunteers provide free help during the tax filing season to persons who need to file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. This service is provided from January 15, through April 15. For locations, go to our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov) (search for: volunteer sites) or call (800) 852-5711.

## 3. When do I have to file?

Your tax return is due on April 15, 2005, but if you can't file by that date you get an automatic, paperless extension to October 15, 2005. Any tax due must be paid by April 15, 2005, to avoid penalties and interest. See form FTB 3519 on page 15. If you make an extension payment with form FTB 3519, you can CalFile, e-file or use Form 540A, Form 540, or the Long or Short Form 540NR when you do file your return.

If you are in the military, you may be entitled to certain extensions. For further information, get FTB Pub. 1032, Tax Information for Military Personnel.

## 4. I don't have my W-2s. What do I do?

If you did not receive all your Form(s) W-2 by January 31, 2005, contact your employer(s). Only your employer(s) can issue or correct a Form W-2. For more information, call (800) 338-0505, select personal income tax, then general information, and enter code 204 when instructed.

## 5. Should I round cents to dollars?

Yes, please round cents to the nearest whole dollar. Drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next whole dollar. For example, \$123.49 becomes \$123 and \$725.50 becomes \$726.

## 6. I found an error after FTB accepted my e-file return. What should I do?

You cannot retransmit the corrected return once we've accepted it. You can correct an error only by completing Form 540X, Amended Individual Income Tax Return, and mailing the paper copy to us. You cannot e-file an amended return. See "Order Forms and Publications" on back cover.

## 7. I owe tax, but don't have the money. What can I do?

You must pay your taxes by the due date to avoid interest and penalties. If you cannot pay by check or by electronic funds withdrawal on or before the due date, you may pay by credit card or request approval to make monthly payments. See page 12 and page 14, Paying Your Taxes.

## 8. How can I find out about the status of my refund?

Go to our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov) or call (800) 338-0505. See back cover for more information.

## 9. How long do I keep my tax records?

Generally, keep your California income tax records for at least four years from the due date of the return or four years from the date the return is filed, whichever is later. However, an extended period may apply for California or federal tax returns related or subject to federal audit.

## 10. I will be moving after I file my return. How do I notify the FTB of my new address?

You can notify the FTB of your new address by using form FTB 3533, Change of Address. This form is available on our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov) as a fillable form, or you can call (800) 852-5711, and select option 5.

After filing a tax return, you should notify the FTB of a change of address for up to four years, especially if you leave the state and no longer have a requirement to file a California return.

## 11. The Internal Revenue Service (IRS) made changes to my federal return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, you must report these changes to the FTB within six months of the date of the final federal determination. If the changes made by the IRS result in a refund due for California, you must claim a refund within two years of the date of the final federal determination. You may either use Form 540X to correct the California income tax return you already filed, or you may send a copy of the federal changes to:

ATTN RAR/VOL, AUDIT SECTION  
FRANCHISE TAX BOARD  
PO BOX 1998  
RANCHO CORDOVA, CA 95741-1998

Regardless of which method you use to notify the FTB, you must include a copy of the final federal determination along with all data and schedules on which the federal adjustment was based. Get FTB Pub. 1008, Federal Tax Adjustments and Your Notification Responsibilities to California, for more information. See Automated Phone Service on back cover.

If you need to amend your tax return, use Form 540X. Go to [www.ftb.ca.gov](http://www.ftb.ca.gov) to download and print the form, or call (800) 338-0505 and enter code 908.

**Note:** You do not have to file Form 540X, or send a copy of the federal adjustments, if the changes do not affect your California tax liability.
