## COMMENTS:

This bill would require a risk-bearing organization to prepare an annual financial statement with regard to contracts between a health care service plan and a risk bearing organization.

The June 13, 2002, amendments deleted the earlier provisions of the bill that would have allowed credit unions to engage in trust business. As a result, this bill no longer impacts the department or the state's income tax laws.

Board Position:

S                       NA                       NP  
 SA                       O                       NAR  
 N                       OUA                       PENDING
