- MINOR AMENDMENT -- No change in previously submitted analysis required. Approved position of prior analysis is _____.
- MINOR AMENDMENT -- No change in approved position of _____.
- See comments below.
- OTHER - See comments below.

COMMENTS:

It appears that this bill would correct an error in the original statutory language by replacing the word "pica" with "point." This change would clarify that an employer that displays the required list of employees' rights and responsibilities under whistleblower laws may display the information in larger than 14-point type.

This bill does not impact the policies or programs of the department or state income tax revenue.
