COMMENTS:

This bill would establish the California Military Family Relief Fund for taxpayer contribution designation on the personal income tax return.

The March 26, 2004, amendments made changes to the intended use for the contributions and to the allocation procedures, which does not impact the policies or procedures of the department. As a result, the implementation concern in the department's analysis of the bill as introduced February 10, 2004, has been resolved. The remainder of the department's analysis of the bill as introduced on February 10, 2004, still applies.
