COMMENTS:

This bill would establish the California Police Activities League Fund for taxpayer contribution designation on the personal income tax return.

The June 7, 2004, amendments made the following changes to this bill:

- ◆ Changed the recipient department from the Department of Corrections to the California Highway Patrol,
- ◆ Specified that the moneys would be used to fund programs and services of the California Police Activities League throughout California,
- ◆ Specified that the League would establish eligibility criteria for grants and services; and
- ◆ Made other technical changes.

These changes do not impact the department's policies and procedures or state income tax revenue. The remainder of the department's analysis of the bill as amended March 26, 2004, still applies.
