SUMMARY

This bill would prohibit a state agency from using children as interpreters, except in specific circumstances.

SUMMARY OF AMENDMENTS

The July 15, 2003, amendment:

- Exempts state agencies from having state funds revoked or a state contract canceled if a violation of this bill is found.
- Delays an action taken by a state or local agency until 90 days after the violation is reported to allow an entity the opportunity to comply.
- Requires Judicial Council to appoint interpreters and adopt rules that are consistent with the legislative intent of this bill.

The amendment that exempts state agencies from funds revocation allows Franchise Tax Board (FTB) to continue providing services to the public even if a violation is found. The remainder of the July 15th amendments do not impact the department. The department's analysis of this bill as amended June 2, 2003, still applies.
