## COMMENTS:

This bill would limit the number of reports made by a state or local agency to the Legislature, Governor, or any state legislative or executive body.

The February 4, 2004, amendments add several more reports under various codes and statutes that would continue to be prepared and submitted to the Legislature, Governor, or any state legislative or executive body.

The February 4th amendments do not impact the department. The remainder of the department's analysis as amended June 26, 2003, still applies.
