COMMENTS:

This bill would limit the number of reports made by a state or local agency to the Legislature, Governor, or any state legislative or executive body.

The August 11, 2004, amendments add contingency language for reports prepared by the California Environmental Protection Agency. The August 11th amendments do not impact the department.

At its February 25, 2004, meeting the Franchise Tax Board voted 2-0 to support this bill with the representative of the Department of Finance abstaining. The remainder of the department's analysis as amended July 13, 2004, still applies.
