COMMENTS:

The June 8, 2004, amendments remove references to "agency" (Technology, Trade, & Commerce Agency) and replace those references with "department" (Department of Housing & Community Development) under the Local Agency Military Base Recovery (LAMBRA) Act and the Targeted Tax Area (TTA) program within the Government Code.

The June 8th amendments resolve the department's implementation concern from the March 22nd analysis. The remainder of the department's analysis of the bill as amended March 22nd still applies.
