COMMENTS:

This bill would require the Franchise Tax Board to collect certain use tax.

The September 9, 2003, amendments added provisions prohibiting state agencies from contracting with vendors who do not possess a California seller's permit. The department is currently in compliance with these provisions. Thus, these changes would not impact the department's programs or operations. The department's analysis of the bill as amended June 18, 2003, still applies.
