COMMENTS:

This bill would limit the use of social security numbers as personal identifying numbers.

This bill also would make changes to the Civil Code with regard to consumer credit reporting agencies.

The September 8, 2003, amendments would resolve chaptering conflicts between AB 763, SB 602, and this bill. These changes would not impact the department. The remainder of the department's analysis of the bill as amended June 2, 2003, still applies.
