COMMENTS:

This bill would authorize the Department of General Services (DGS) to enter into an agreement with federal authorities to sell, lease, or exchange land at the Northern California Women's Facility, under conditions that are in the best interest of the state.

The September 9, 2003, amendments replace the prior language regarding disposal of information technology goods with the language regarding the DGS agreement discussed above.

This bill would no longer impact the Franchise Tax Board.
