- OTHER – See comments below.

COMMENTS:

This bill would allow enterprise zones (EZ) designated prior to 1990 to have a 25-year designation period.

The June 28, 2005, amendments made minor technical changes to the Government Code relating to EZs. This amendment would not impact the department's previous analysis of the bill as amended June 15, 2005. The department's prior analysis still applies.
