**COMMENTS:**

The September 2, 2005, amendments removed provisions related to the publication of Board of Equalization (BOE) decisions and votes of BOE members. The amendments included a provision to add surviving stepchildren of deceased law enforcement or fire protection personnel killed in the line of duty to the category of individuals eligible for the waiver of mandatory tuition and fees imposed by the California State University and University of California. These amendments do not impact the department’s programs or operations.
