**COMMENTS:**

This bill would require the California Film Commission, in collaboration with the Business, Transportation and Housing Agency, the Labor and Workforce Development Agency, and the Franchise Tax Board, to conduct a statewide analysis of the impact of runaway production on the California film industry, with a report due to the Legislature by March 1, 2006.

The June 13, 2005, amendment corrected a reference to the Labor and Workforce Development Agency from the *Department of Labor and Workforce Development*. The department's analysis of the bill as amended April 14, 2005, still applies.
