COMMENTS:

This bill would establish the California Colorectal Cancer Prevention Fund for taxpayers to designate a contribution on the personal income tax return.

The August 15, 2005, amendments would change the allocation recipient of moneys designated to fund to the Department of Health Services (DHS) from the Stennis Family Foundation. DHS would be responsible for making grants to foundations working for the prevention of colorectal cancer using the fund moneys. These changes do not impact the department’s policies or programs or state income tax revenue. The remainder of the department’s analysis of the bill as introduced February 18, 2005, still applies.

The allocation of the moneys collected by the fund does not impact the department. However, it should be noted that the change made to the allocation method by this amendment is atypical of most voluntary contribution funds. Parameters are generally provided to govern the use of the moneys from the fund. Specifically, statutory language should be added to ensure that the charitable contribution money designated by individual taxpayers is used for the intended purpose.
