COMMENTS:

This bill would permit a person with a disability to use and government entities to accept a signature stamp when signatures are required on documents.

The July 2, 2007, amendments removed application of the bill’s provisions from the Government and Civil Codes, and would make the bill only applicable to documents covered under the Elections Code. Based on the July 2, 2007, amendments, the bill no longer impacts the department’s programs or operations.
