COMMENTS:

This bill would establish and add the Municipal Shelter Spay-Neuter Fund to the personal income tax return as a voluntary contribution.

The August 13, 2008, amendments added provisions requiring the Department of Public Health to report to the Department of Food and Agriculture whether an eligible municipal shelter is current on its reporting requirements. The August 13, 2008, amendments do not impact department programs, operations, costs, or state income tax revenues. The department’s analysis of the bill as amended August 4, 2008, still applies.
