- OTHER – See comments below.

COMMENTS:

This bill would require a state agency that collects certain demographic data to use additional collection categories and make the data available to the public.

The June 1, 2007, amendments removed the Department of Education as one of the specified agencies to provide demographic data. The amendments do not impact the department's programs, operations, or costs. The department's analysis of the bill as introduced February 9, 2007, still applies.
