**COMMENTS:**

This bill would allow special tax treatment, called disaster loss treatment, for losses sustained as a result of the 2007 Southern California Wildfires and wind damage that occurred in October, 2007, in Riverside County.

The July 1, 2008, amendments would add the disaster proclamation dates of September 15, 2007, and October 21, 2007, for the wildfires that occurred during the 2007 calendar year. These changes would not impact the department’s programs and operations or state income tax revenue. The department’s analysis of the bill as introduced January 08, 2008, still applies.
