**SUMMARY**

This bill would change California’s specified date of conformity to federal income tax law from January 1, 2005, to January 1, 2009, and thereby, in general, conform to the numerous changes made in federal income tax law during that four-year period.

**SUMMARY OF AMENDMENTS**

The August 18, 2009, amendments would make substantive and technical changes. The substantive changes would conform to one additional provision, would modify conformity to two provisions, and would provide non-conformity to five provisions, as described below:

- Additional Provision
  - **Penalty on Erroneous Refund Claims** – The bill would conform to the federal penalty on erroneous refund claims, modified to provide that the penalty would not apply to individuals with adjusted gross income (on the original return) of less than \$150,000 in the case of married filing joint or surviving spouse, and \$75,000 in any other case (PL 110-28, Act Section 8247).

- Modified Conform Provisions

- **Mortgage Debt Forgiveness** – The bill would modify conformity to the federal extension of mortgage debt forgiveness by increasing the California limitation on the amount that may be excluded from gross income from \$250,000 (\$125,000 in the case of a married individual filing a separate return) to \$500,000 (\$250,000 in the case of a married individual filing a separate return) (PL 110-343, Division A, Title III, Act Section 303).

The California modification to the maximum amount of qualified principal residence indebtedness would remain unchanged – the maximum amount would be \$800,000 (\$400,000 in the case of a married individual filing a separate return).

- **Preparer Penalty** – The bill would modify conformity to the federal penalty on understatement of taxpayer's liability by a tax return preparer to incorporate the federal rule that the penalty will be the greater of a base amount (\$250 for the first-tier penalty and \$5,000 for the second-tier penalty) or 50% of the income derived (or to be derived) by the tax return preparer (PL 110-343, Division C, Title V, Subtitle A, Act Section 506).

- Non-Conform Provisions

- **Motorsport Racing Track Recovery** – The bill would provide that California not conform to the seven-year recovery period for motorsports racing track facilities (PL 110-343, Division C, Title III, Act Section 317).
- **Farming Business Machinery and Equipment Recovery** – The bill would provide that California not conform to the five-year recovery period for certain farming business machinery and equipment (PL 110-343, Division C, Title V, Act Section 505).
- **Contributions of Food Inventory** – The bill would provide that California not conform to the enhanced charitable deductions for contributions of food inventory (PL 110-343, Division C, Title III, Act Section 323).
- **Contributions of Book Inventory** – The bill would provide that California not conform to the enhanced charitable deductions for contributions of book inventory (PL 110-343, Division C, Title III, Act Section 324).
- **Small Refiner Exception to Oil Depletion Deduction** – The bill would provide that California not conform to the federal changes made to the determination of a small refiner for purposes of the depletion deduction (PL 109-58, Act Section 1328).

As a result of the amendments, the "THIS PROVISION" and "ECONOMIC IMPACT" sections have been revised. The remainder of the department's analysis of the bill as amended June 26, 2009, still applies.

For convenience, the "THIS BILL" section is provided.

## **PURPOSE OF THE BILL**

According to the author's office, the purpose of the bill is to conform to numerous changes in federal law to simplify the preparation of California income tax returns.

## **EFFECTIVE/OPERATIVE DATE**

This bill is a tax levy. Thus, it would be effective immediately, and unless otherwise specified, it would apply to taxable years beginning on or after January 1, 2009.

## **POSITION**

Pending.

## **Summary of Suggested Amendments**

Technical amendments are necessary and will be provided to the author.

## **ANALYSIS**

### FEDERAL/STATE LAW

See Franchise Tax Board's (FTB's) annual reports titled "[Summary of Federal Income Tax Changes – 2005](#)," "[Summary of Federal Income Tax Changes – 2006](#)," "[Summary of Federal Income Tax Changes – 2007](#)," and "[Summary of Federal Income Tax Changes – 2008](#)" for a detailed discussion of federal and state law.

### THIS BILL

This bill would change the specified date from January 1, 2005, to January 1, 2009, for taxable years beginning on or after January 1, 2009. Changing the specified date automatically conforms state law to all changes from January 1, 2005, through December 31, 2008, to Internal Revenue Code (IRC) sections that have been previously incorporated by reference. Thus, California law would conform to most of the changes made to the federal income tax law during that four-year period.

This bill would also make numerous changes either to specifically not conform to or to modify certain items in the IRC. In addition, technical changes regarding cross references and deletion of unnecessary language that was used to conform to federal law changes subsequent to January 1, 2005, and prior to January 1, 2009, would be made by this bill.

The following tables list:

- The federal Act sections that impact provisions of the Personal Income Tax Law (PITL), Administration of Franchise and Income Tax Law (AFITL), and Corporation Tax Law (CTL);
- The beginning page number in FTB's annual report where that provision is discussed; and
- The change under this bill -- whether AB 1580 conforms or does not conform to that provision. (Note that conformity decisions that require modification are listed in the conform column.)

For certain federal provisions, California law automatically conforms to a federal law change and those provisions are not listed and not discussed in this analysis. Additionally, those federal provisions that are not applicable to the PITL, AFITL, and CTL are not listed and not discussed in this analysis.

## ECONOMIC IMPACT

### Revenue Estimate

Based on data and assumptions discussed below, the revenue impact of conformity is shown in the following tables. Items that impact the measure of tax (tax revenue) are summed for each year, as are items that do not impact the measure of tax (penalty and interest revenue). Penalty and interest provisions are identified by an asterisk (\*).

This estimate does not consider the possible changes in employment, personal income, or gross state product that could result from this measure.
