COMMENTS:

This bill would codify Executive Orders S-08-09 and S-20-09, which require state agencies to post various reports to the Reporting Transparency in Government Web site.

The May 28, 2010, amendments would require the Chief Information Officer, or its successor to create and maintain a Reporting Transparency in Government Internet Web site. The amendments would further impose requirements related to the posting of data on the website. These amendments would not impact the departments programs or operations. The department's analysis of the bill as amended March 15, 2010, remains the same.
