**COMMENTS:**

This bill would replace the current option for a taxpayer to report use tax on the state income tax return with a requirement to report use tax.

The June 18, 2009, amendments added coauthors and made non substantive technical changes that do not impact the department's programs, operations, or costs and do not impact state income tax revenues. The department's analysis of the bill as amended April 2, 2009, still applies.
