**COMMENTS:**

This bill would modify the Safe Drinking Water, Clean Water, Watershed Protection, and Flood Protection Bond Act, as specified.

The September 4, 2009, amendments removed provisions that would have clarified the Attorney General’s authority to represent state agencies and employees. The amendments added provisions that would expand the definition of an eligible project under the Water Code upon approval by the voters at the next statewide election.

As a result of the amendments, this bill no longer impacts the department’s programs, operations, or procedures. As such, the department’s analysis of the bill as amended August 26, 2009, no longer applies.
