COMMENTS:

This bill would make changes to the California Military Family Relief Fund related to the allocation of monies received and the criteria for eligibility to receive relief from the fund.

The August 17, 2009, amendments added an urgency clause to the bill to allow immediate funding to California National Guard members and reserve members of the Armed Forces of the United States who are residents of California.

These amendments do not impact the department’s programs and operations or state income tax revenue.
