- OTHER – See comments below.

COMMENTS:

This bill would require manufacturers of compostable plastic bags to ensure that the bags are readily and easily identifiable from other plastic bags.

The August 18, 2009, amendments removed provisions that would have required each state agency to include information regarding electronic waste in the annual report required to be made to the California Integrated Waste Management Board (CIWMB). The amendments added provisions regulating the marketing, sale, and distribution of compostable waste bags.

As a result of the amendments, this bill no longer impacts the department’s programs, operations, or procedures. As such, the department’s analysis of the bill as amended June 25, 2009, no longer applies.
