COMMENTS:

This bill would establish the California Youth Legislature, the California Fund for Youth, and a designation for a voluntary contribution on the personal income tax return to the California Fund for Youth.

The June 24, 2009, amendments add language that would require the Joint Rules Committee to carry out the administrative duties of the California Youth Legislature. In addition, the amendments resolve the department’s remaining technical consideration in the analysis of the bill as amended April 29, 2009, correcting a drafting error related to tax payments reported on the personal income tax return.

These amendments would not impact the department’s programs, operations, or the state’s income tax revenue. With the exception of the resolved technical consideration, the department’s previous analysis of the bill as amended April 29, 2009, still applies.
