**COMMENTS:**

This bill would allow special tax treatment, called disaster loss treatment, for losses sustained as a result of the wildfires that occurred during November, 2008, in Orange, Riverside, and San Bernardino Counties.

The April 13, 2009, amendments would make technical non-substantive changes to the Revenue and Taxation Code administered by the Franchise Tax Board. These changes would not impact the department’s programs and operations or state income tax revenue. The department’s analysis of the bill as amended March 25, 2009, still applies.

This analysis will not address the bill's changes to the Government Code and Property Tax Law, as they do not impact the department or state income tax revenue.
