SUBJECT: State Agencies Post Specified Audits & Contracts To The Reporting Transparency In Government Internet Web Site

SUMMARY

This bill would codify Executive Orders S-08-09 and S-20-09, which require state agencies to post various reports to the Reporting Transparency in Government Web site.

ANALYSIS

Minor Amendment

The September 7, 2011, amendments removed provisions that would have required the Department of General Services and the California Technology Agency to post to the Reporting Transparency in Government Web site specific reports related to the Governor's office and staff. The amendments do not impact the Franchise Tax Board. The department's analysis of the bill as amended May 27, 2011, still applies.
