**ANALYSIS**

Minor/Technical Amendment

The June 30, 2011, amendments add co-authors, make changes to the purposes for which the proceeds of the Fund can be used, and specifically allow the Fund to first appear on the state income tax return if there is space available on the return. These amendments would not impact the department’s programs, operations, or state revenue. The department’s analysis of the bill as introduced February 16, 2011, still applies.
