SUBJECT: State Agencies Accept Registered Warrants Issued By Controller For Payment Of Any State Obligation

SUMMARY

This bill would require a state agency to accept a registered warrant for payment of any state obligation.

ANALYSISMinor/Technical Amendment

The March 14, 2011, amendments removed language that would have, among other things, required the State Controller to issue a report to the Joint Legislative Budget Committee regarding the acceptance of the registered warrants. The amendments do not impact the department's programs and operations or state income tax revenue. The department's analysis of the bill as introduced January 24, 2011, still applies.
