SUBJECT

California Breast Cancer Research Fund And California Cancer Research Fund / Extend Repeal Date To January 1, 2018

SUMMARY

This bill would extend the repeal date of the California Breast Cancer Research Fund and the California Cancer Research Fund (Funds) until January 1, 2018.

REASON FOR THE BILL

The reason for this bill is to ensure that taxpayers are allowed to continue to contribute amounts in excess of their tax liability for the support of cancer research.

EFFECTIVE/OPERATIVE DATE

This bill would be effective and operative on January 1, 2012.

ANALYSIS

Current federal tax law provides a check-off to direct \$3 of a taxpayer's tax liability to the Presidential Campaign Fund. Designation of the \$3 amount does not affect a taxpayer's tax liability or refund amount.

Current state tax law allows taxpayers to make contributions of their own funds (not tax liability) on their 2011 state personal income tax returns (returns) to either, or both, the Funds.

The Funds will remain on the income tax return until either Fund is repealed or fails to meet its minimum contribution amount. The repeal date for each of the Funds is January 1, 2013. The minimum contribution amount for the California Breast Cancer Research Fund for the 2012 calendar year is \$364,792. The minimum contribution amount for the California Cancer Research Fund for the 2012 calendar year is \$259,061. The minimum contribution amounts for both Funds will continue to be adjusted annually for inflation. The annual inflation adjustment is based on the percentage change in the California Consumer Price Index.

--	---------------------------------------	------------------

The Franchise Tax Board (FTB) is required to make the following two determinations for each of the Funds by September 1 of each calendar year:

1. The minimum contribution amount required for each Fund to remain on the return for the following calendar year, and
2. Whether estimated contributions to each Fund will be less than the minimum contribution amount for that calendar year.

If the FTB estimates that either Fund will fail to meet or exceed the minimum contribution amount for a calendar year, that Fund is repealed effective for taxable years beginning on or after January 1 of that calendar year.

THIS BILL

This bill would extend the sunset date for the Funds, from January 1, 2013, to January 1, 2018. If these Funds satisfy the minimum contribution amount for each calendar year through 2017, they would last appear on the personal income tax returns filed for the 2017 taxable year.

IMPLEMENTATION CONSIDERATIONS

Implementing this bill would not significantly impact the department's programs and procedures.

LEGISLATIVE HISTORY

California Breast Cancer Research Fund

AB 2652 (Speier, Ch. 780, Stats. 1992) established the California Breast Cancer Research Fund.

SB 602 (Alpert, Ch. 337, Stats. 1997), among other things, extended the California Breast Cancer Research Fund's repeal date from January 1, 1998, to January 1, 2003.

SB 1365 (Speier, Ch. 484, Stats. 2002), among other things, extended the California Breast Cancer Research Fund's repeal date from January 1, 2003, to January 1, 2008.

AB 28 (Huffman, Ch. 486, Stats. 2007) extended the California Breast Cancer Research Fund's repeal date from January 1, 2008, to January 1, 2013.

California Cancer Research Fund

AB 2518 (Torrico, Ch. 330, Stats. 2008) established the California Cancer Research Fund.

PROGRAM BACKGROUND

California Breast Cancer Research Fund

The California Breast Cancer Research Fund first appeared on the 1992 taxable year's personal income tax return. The total contributions received for this Fund, from January 1, 2012 through July 31, 2012, is \$413,839—exceeding the minimum contribution amount (\$364,792) for the 2012 calendar year.

California Cancer Research Fund

The California Cancer Research Fund first appeared on the 2008 taxable year's personal income tax return. The total contributions received for this Fund, from January 1, 2012 through July 31, 2012, is \$405,067—exceeding the minimum contribution amount (\$259,061) for the 2012 calendar year.

OTHER STATES' INFORMATION

The states surveyed include: *Illinois, Massachusetts, Michigan, Minnesota, and New York*. These states were selected due to their similarities to California's economy, business entity types, and tax laws.

Illinois allows taxpayers to designate personal funds on their personal income tax return to the Penny Severns Breast, Cervical, and Ovarian Cancer Research Fund.

New York allows taxpayers to designate personal funds on their personal income tax return to the Breast Cancer Research and Education Fund, as well as the Prostate Cancer Research, Detection, and Education Fund.

Massachusetts, Michigan, and Minnesota allow for taxpayer contribution designations on the personal income tax return; however, none of these states provide a voluntary contribution comparable to the one discussed in this bill.

FISCAL IMPACT

This bill would not significantly impact the department's costs.
