SUMMARY

The August 18, 2014, amendments removed provisions of the bill related to modifying the statute of limitation on adverse actions served against state employees and replaced them with provisions that would, under the Labor Code, extend for one year the exemption from the California Public Employees' Pension Reform Act of 2013 (PEPRA) applicable to certain public employees whose collective bargaining rights are subject to specified provisions of federal law.

ANALYSIS

This bill would, under the Labor Code, modify provisions of the PEPRA. This bill no longer impacts the department's programs and operations or state income tax revenue.
