**SUBJECT:** Employer Responsibility for Medi-Cal Cost of Employees Act of 2013/Employer Responsibility Penalty

No analysis required - Not within our scope of responsibility.

**SUMMARY**

This bill would require large employers, as defined, who offer full-time employees and their dependents the ability to enroll in medical coverage and for whom one full-time employee has been certified as having enrolled in a qualified health plan for which a premium tax credit or cost-sharing reduction is allowed or paid, to pay a specified penalty.

**ANALYSIS**

The April 24, 2013, amendments deleted the requirement for the State Department of Health Care Services to match and provide information with the Franchise Tax Board. As a result of the amendments, this bill no longer impacts the department's programs and operations or state income tax revenue.
