ANALYSIS

The August 4, 2014, amendments removed the term “if one has been issued”. As a result, the department’s implementation concern has been resolved and the sentence “However, it may make it more difficult to locate a small number of noncompliant taxpayers.” has been removed from the discussion in the Economic Impact section. The remainder of the department’s analysis of the bill as amended June 30, 2014, still applies.
