ANALYSIS

Minor Amendment

The August 8, 2013, amendments updated the language of the bill to reflect the changes made by SB 75, Chapter 31, statutes of 2013, which prohibits the Franchise Tax Board (FTB) and the State Controller from requiring courts to include a Social Security Number (SSN) with accounts referred under the Interagency Intercept Collection Program and authorizes the FTB to obtain SSNs from the Department of Motor Vehicles. These changes would not affect the department's programs or operations, or state income tax. The department's analysis of the bill as amended June 10, 2013, still applies.
