ANALYSIS

Minor/Technical Amendment

There are two versions of this bill as amended on May 28, 2013, and the second version removes the amendments that were made in the first version. Specifically, the first version of this bill as amended on May 28, 2013, added language that would provide that this bill would only become operative if SB 391 (DeSaulnier, et al., 2013/2014) is enacted and takes effect, and the second version of this bill as amended on May 28, 2013, removed that SB 391 operative-related language. As a result, the department’s analysis of this bill as amended on March 6, 2013, remains unchanged and still applies.
