SAVE THESE DATES!

The California Tax Policy Conference is back! On November 2-4, your colleagues will convene in La Jolla to attend *the* premier California tax event.

If you need up-to-date information on state taxation, this is a conference that cannot be missed. Attendees include corporate tax managers, attorneys, tax accountants, partners in major law and accounting firms, state tax officials (**including 50 staff members from the Franchise Tax Board and State Board of Equalization**), legislators and their staff, and other tax specialists.

This year's speakers are well known for their expertise in the area of state and local taxation, including the not-to-be-missed popular duet – **Paul Frankel** and **Professor Richard Pomp**. This year's program topics include nexus, apportionment, combined reporting, current legislation, tax shelters, and many other cutting-edge and complex state and local taxation topics.

The California Tax Policy Conference is being held as part of the Annual Meeting of the California Tax Bar and is sponsored by the State Bar Taxation Section. This means conference attendees not only have access to 12 premier State & Local Tax programs, but 28 other exceptional MCLE/CPE tax programs. (You *do not* need to be an attorney to attend this event and non-attorneys are *strongly* encouraged to attend.)

Keynote address by **Eric Solomon, Assistant Secretary for Tax Policy**, Washington, D.C. and featuring **California State Controller John Chiang**.

Program materials and registration information will be distributed shortly.
