

EXHIBIT 4 A Chapter 3

Section 70

(a) "Newly constructed" and "new construction" means:

(1) Any addition to real property, whether land or improvements (including fixtures), since the last lien date; and

(2) Any alteration of land or of any improvement (including fixtures) since the last lien date which constitutes a major rehabilitation thereof or which converts the property to a different use.

(b) Any rehabilitation, renovation, or modernization which converts an improvement or fixture to the substantial equivalent of a new improvement or fixture is a major rehabilitation of such improvement or fixture.

(c) Notwithstanding the provisions of subdivisions (a) and (b), where real property has been damaged or destroyed by misfortune or calamity, "newly constructed" and "new construction" does not mean any timely reconstruction of the real property, or portion thereof, where the property after reconstruction is substantially equivalent to the property prior to damage or destruction. Any reconstruction of real property, or portion thereof, which is not substantially equivalent to the damaged or destroyed property, shall be deemed to be new construction and only that portion which exceeds substantially equivalent reconstruction shall have a new base year value determined pursuant to Section 110.1.

(d) (1) Notwithstanding the provisions of subdivisions (a) and (b), where a structure must be improved to comply with local ordinances on seismic safety, "newly constructed" and "new construction" does not mean the portion of reconstruction or improvement to a structure, constructed of unreinforced masonry bearing wall construction, necessary to comply with the local ordinance. This exclusion shall remain in effect during the first 15 years following that reconstruction or improvement (unless the property is purchased or changes ownership during that period, in which case the provisions of Chapter 2 (commencing with Section 60) of this division shall apply).

(2) In the sixteenth year following the reconstruction or improvement referred to in paragraph (1), the assessor shall place on the roll the current full cash value of the portion of reconstruction or improvement to the structure which was excluded pursuant to this subdivision.

(3) The governing body which enacted the local ordinance shall issue a certificate of compliance upon the request of the owner who, pursuant to a notice or permit issued by the governing body which specified that the reconstruction or improvement is necessary to comply with a seismic safety ordinance, so reconstructs or improves his or her structure in accordance with the ordinance. The certificate of compliance shall be filed by the property owner with the county assessor on or before the following April 15. The provisions of this subdivision shall not apply to any structure for which a certificate is not filed.
