A Purpose

Use Form 590-P, Nonresident Withholding Exemption Certificate for Previously Reported Income, to certify an exemption from withholding on current year distributions of an S corporation's, partnership's, or LLC's **prior year income** if you are a domestic (nonforeign) nonresident S corporation shareholder, partner, or member. Foreign (non-US) partners or members cannot use this form. If you have already reported the income represented by this distribution on your California tax return as income from California sources, file Form 590-P with the S corporation, partnership, or LLC.

The S corporation, partnership, or LLC will be relieved of the withholding requirements for your share of this distribution when relying in good faith on a completed and signed Form 590-P.

Do not use Form 590-P if you are one of the following:

- A foreign (non-U.S.) partner or member. There is no provision under R&TC Section 18666 to allow an exemption from withholding for a foreign partner or member.
- An S corporation shareholder, partner, or member who is a resident of California or an S corporation shareholder, partner, or member who has a permanent place of business in California. Instead use Form 590, Withholding Exemption Certificate.
- Your income is not yet reported on your California tax return.

Get Form 588, Nonresident Withholding Waiver Request, to request a waiver of withholding on payments of current year California source income.

B Requirement

R&TC Section 18662 and related regulations require withholding of income or franchise tax by S corporations, partnerships, or LLCs when

distributions of money or property that represent California source income are made to S corporation shareholders, partners, or members that are nonresidents of California.

Distributions subject to withholding include, but are not limited to, distributions that represent current year's income or prior year's income that should have been, but was not previously reported as income from California sources on the S corporation's, partner's, or member's California income tax return. However, no withholding is required if the total distributions of California source income to the S corporation shareholder, partner, or member are \$1,500 or less during the calendar year. For more information on S corporation, partnership, or LLC withholding, get FTB Pub. 1017, Resident and Nonresident Withholding Guidelines.
