SUMMARY OF BILL

This bill, in general, would make numerous technical changes to various California codes relating to child support enforcement. The changes are necessary to accommodate California's new child support enforcement organizational structure enacted last year, which became effective on January 1, 2000. In general, as the bill would affect the Franchise Tax Board (FTB), this bill replaces the references to "district attorney" (DA) with "local child support agency" (local agency) and "Department of Social Services" with "Department of Child Support Services" (DCSS), the successor agency and successor department, respectively.

Additionally, this bill would correct certain provisions where the new organizational structure and related statutory references inadvertently eliminated the authority for the DA, local agency, or DCSS to conduct the child support activities intended within these organizational structures.

SUMMARY OF AMENDMENT

The August 23, 2000, and August 25, 2000, amendments do not affect FTB's programs or operations.
