COMMENTS:

This bill would modify rules regarding suppliers of water to the Water Replenishment District of Southern California.

The January 31, 2000, amendments removed the provisions of the bill that would have required the Trade and Commerce Agency (TCA) to designate one additional enterprise zone in the City of Hawaiian Gardens and specified that all tax incentives provided to existing enterprise zones under the Revenue and Taxation Code would apply to that enterprise zone.

This bill no longer impacts the department's programs and operations or state income tax revenue.
