COMMENTS:

Under the Personal Income Tax Law (PITL), this bill would allow taxpayers to designate a contribution on the tax return to a newly created Animal Population Control Fund.

The April 11, 2000, amendment removed from the bill the proposed changes to the Civil Code and the Food and Agricultural Code. These changes were not discussed in the department's analysis of this bill as amended March 29, 2000, as they did not impact the department or the collection of state income tax revenue.

The department's analysis of the bill as amended March 29, 2000, still applies.
