- MINOR AMENDMENT - No change in approved position of _____. See comments below.
- OTHER - See comments below.

COMMENTS :

This bill would change from quarterly to annually Employment Development Department's wage reporting requirements for certain employers of household workers. These January 11, 2000, amendments deleted the provisions that would have required the reporting of these wages to be included on the employer's personal income tax return.

As a result of these amendments, this bill no longer impacts the department's programs and operations or state income tax revenue.
