

Instructions for Form 199

California Exempt Organization Annual Information Return

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2009**, and to the California Revenue and Taxation Code (R&TC).

What's New

MyFTB Account – Corporations can use MyFTB Account for Businesses to view estimated tax payments online. Go to ftb.ca.gov and search for **myftb account**. Corporations can also make payments online using Web Pay for Businesses. The Franchise Tax Board (FTB) does not charge for this service. Go to ftb.ca.gov and search for **web pay**.

e-filing – Beginning mid-July 2012, the FTB will offer e-filing for exempt organizations filing Form 199, California Exempt Organization Annual Information Return, for taxable years beginning on or after January 1, 2011.

The FTB offers e-filing for exempt homeowners associations and exempt political organizations filing Form 100, California Corporation Franchise or Income Tax Return, for taxable years beginning on or after January 1, 2011. Check with the software providers to see if they support business e-filing.

General Instructions

In general, for taxable years beginning on or after January 1, 2010, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2009. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

California e-Postcard

Effective for taxable years beginning on or after January 1, 2010, small tax-exempt organizations with gross receipts normally equal to or less than \$25,000 are required to file FTB 199N, California e-Postcard, Annual Electronic Filing Requirement for Smaller Exempt Organizations. For more information, go to ftb.ca.gov and search for **199N**.

IRC 501(c)(3) Organizations

R&TC Code Section 23701d allows organizations that have a federal determination letter of tax-exempt status under IRC Section 501(c)(3) to be acknowledged in California as tax-exempt. The FTB will send the organization a letter acknowledging receipt and specifying the effective date of the organization's exemption under California law.

The organization may owe past due exempt returns, depending upon the effective date of tax-exempt status. The FTB will revoke the tax-exempt status if the organization fails to meet certain R&TC provisions governing exempt organizations. For more information get form FTB 3500A, Submission of Exemption Request, or go to ftb.ca.gov and search for **3500A**.

Retroactive Tax-Exempt Status

If the organization files Form 3500, Exemption Application, the FTB may require the organization to file exempt returns for the period of time the exemption is requested prior to issuing a determination letter. For more information, get form FTB 3500, or go to ftb.ca.gov and search for **3500**.

Backup Withholding – With certain limited exceptions, payers that are required to withhold and remit backup withholding to the Internal Revenue Service (IRS) are also required to withhold and remit to the FTB. The California backup withholding rate is 7% of the payment. For California purposes, dividends, interests, and any financial institutions release of loan funds made in the normal course of business are exempt from backup withholding. For additional information on California backup withholding, go to ftb.ca.gov and search for **backup withholding**.

A Purpose

Form 199 is used by the following organizations:

- Organizations given tax-exempt status by the FTB.
- Organizations that received a federal exemption under IRC Section 501(c)(3) and submitted form FTB 3500A, with a copy of the IRS determination letter.
- Nonexempt charitable trusts as described in IRC Section 4947(a)(1).

B Who Must File

Answer the following questions to determine if the organization should file Form 199.

1. Did the organization receive a letter from the FTB granting tax-exempt status to the organization, or did the organization receive a federal exemption under IRC Section 501(c)(3) and submit a copy of its federal determination letter along with form FTB 3500A to FTB? Yes No
2. Is the organization a nonexempt charitable trust as described in IRC Section 4947(a)(1)? Yes No

If the answer to both of these questions is "No," STOP HERE, DO NOT FILE THIS FORM.

If the answer to question 1 or 2 is "Yes," the organization may be required to file Form 199 depending upon the type of exempt organization. See the tables in the next column and General Instruction C, Exceptions.

The requirement to file Form 199 is generally based on the normal amount of total gross receipts and pledges. Organizations with gross receipts that are normally \$25,000 or less are required to electronically file FTB 199N. For more information, go to ftb.ca.gov and search for **199N**.

Normal gross receipts	File
Gross receipts normally \$25,000 or less*	FTB 199N
Gross receipts more than \$25,000	Form 199
Private foundations (regardless of gross receipts)	Form 199
Nonexempt charitable trusts described in IRC Section 4947(a)(1) (regardless of gross receipts)	Form 199

*Organizations eligible to file FTB 199N may choose to file Form 199.

Normally less than \$25,000 means if the organization has been:	
IN EXISTENCE FOR –	GROSS RECEIPTS/PLEDGES EQUAL
1 year or less	\$37,500 or less
More than 1 year but less than 3 years	\$30,000 or less (average for current year and immediately preceding year)
3 years or more	\$25,000 or less (average for current year and 2 immediately preceding years)

Simple trusts which received a letter from the FTB granting tax-exempt status under R&TC Section 23701d are considered to be corporations for tax purposes. The trust may be required to file Form 199.

Religious or apostolic organizations described in R&TC Section 23701k must attach a completed Form 565, Partnership Return of Income, to Form 199.

Charitable Remainder Trusts (CRT) file Form 541-A, Trust Accumulation of Charitable Amounts, or Form 541-B, Charitable Remainder and Pooled Income Trusts, depending upon the type of CRT. Get Form 541-A and Form 541-B for more information.

For detailed information about state filing requirements, fees, and penalties, get FTB Pub. 1068, Exempt Organizations – Filing Requirements and Filing Fees, or go to ftb.ca.gov and search for **1068**.

Also, homeowners' associations with gross nonexempt function income in excess of \$100 are required to file Form 100, California Corporation Franchise or Income Tax Return. (If the return is filed on or before the original due date, there is no extension of time in which the fee may be paid.)

Exception. The filing fee does not apply to the following organizations exempt under R&TC Section 23701d:

R&TC Section 19141 requires the FTB to assess a penalty for failure to file a Statement of Information (Form SI-100) and Statement by Common Interest Development Association (Form SI-CID). The FTB has no authority to waive this penalty except as directed by the California SOS.

Include the California corporation number and "2011 Form 199" on the check or money order.

If payment is not required with the completed form, mail it to:

FRANCHISE TAX BOARD
PO BOX 942857
SACRAMENTO CA 94257-0700

If the organization is sending more than one return, use separate envelopes and separate checks or money orders to make sure the returns and payments are processed correctly.

I Extension of Time to File

If Form 199 cannot be filed by the 15th day of the 5th month after the accounting period ends, the exempt organization has an additional seven months to file without filing a written request for extension. However, an organization that is not in good standing or suspended on the original due date of the return will not be given an extension of time to file. For more information, get form FTB 3539, Payment for Automatic Extension for Corporations and Exempt Organizations.

If the return is not filed and/or the filing fee is not paid by the extended due date, penalties, additional fees, and interest may be imposed as explained in General Instruction J, Penalties.

J Penalties

Failure to File a Timely Return — An organization that fails to file the return on or before the original due date, or extended due date, is assessed a penalty of \$5 for each month, or part of the month, the return is late. If the return is not filed by the extended due date, the automatic extension will not apply. The penalty may not exceed \$40.

Organizations exempt from the \$10 filing fee are **not** exempt from this penalty. See General Instruction F, Payment of Filing Fee.

Late Payment of Fee — An organization that fails to pay the \$10 filing fee by the original due date, or extended due date, is assessed an additional filing fee of \$15.

Failure to Furnish Information — In the case of a private foundation, the FTB may make a written demand that a delinquent return or foundation report be filed within a reasonable amount of time after mailing a demand notice. The person who fails to file after such demand is subject to a penalty of \$5 for each month, or part of the month, (not to exceed \$25) after the period expires. The penalty is in addition to the late filing penalty described above.

Waiver — The law provides the FTB with the authority to waive the above penalties and late payment fee if it is shown that the failure was due to reasonable cause and not due to willful neglect.

Suspension/Revocation — The corporate rights, powers, and privileges may be suspended, or the exemption from tax may be revoked, for failure to file a return or pay the filing fee, penalties, or interest.

Interest — Interest accrues on the delinquent penalty from the original due date of the return until the penalty is paid. Get FTB Pub. 1138, Business Entity Refund/Billing Information, for more information.

K California Use Tax

The use tax has been in effect in California since July 1, 1935. It applies to purchases from out-of-state or Internet sellers and is similar to the sales tax paid on purchases made in California.

In general, exempt organizations must pay California use tax on purchases made from out of state (for example, by telephone, over the Internet, by mail, or in person) if:

- The seller does not collect California sales or use tax.
- The organization uses, gives away, stores, or consumes the item in this state.

Example: The exempt organization purchases a conference table from a company in North Carolina. The company ships the table from North Carolina to the organization's office in California for its use and does not charge California sales or use tax. The organization owes use tax on the purchase.

Complete the Use Tax Worksheet on page 4 to calculate the amount due.

Extensions to file. If the exempt organization requests an extension to file its annual information return, wait until the exempt organization files its annual information return to report the purchases subject to use tax and to make the use tax payment.

Penalty. To avoid late payment penalties for use tax, the organization must report and pay the use tax with a timely filed annual information return.

Changes in use tax reported. Do not file an amended return to revise use tax previously reported. If the exempt organization has changes to the amount of use tax previously reported on the original return, contact the State Board of Equalization.

For assistance with your use tax questions, go to boe.ca.gov, or call 800.400.7115 or California Relay Service (CRS) 711 (for hearing and speech disabilities). Income tax information is not available at this number.

L Group Filing

A central, parent, or like organization can file a group return for two or more local organizations that:

- Are tax-exempt under a group exemption letter that is still in effect or obtained tax-exempt status on their own.
- Are affiliated with the central organization at the time its annual accounting period ends.
- Are subject to the central organization's general supervision or control.
- Have the same accounting period as the central organization.

Every year, each local organization must authorize the central organization in writing to include it in the group return and must declare, under penalty of perjury, that the authorization and the information it submits to be included in the group return are true and complete.

If the central organization prepares a group return for its subordinates/affiliates, check the "Yes" box in Question G, and attach a roster.

All subordinates/affiliates must have tax-exempt status before being included in a group return. A separate form FTB 3500, or form FTB 3500A, can be filed with the FTB to request tax-exempt status for all subordinates. Otherwise, subordinates must file form FTB 3500 and be granted tax-exempt status before it can be included in the group return.

M Subordinate/Affiliate Filing Return

If the return is being filed by an organization that is covered by their parent's group exemption, check the "Yes" box in Question H and give the name of the parent organization.

N Questions About Filing

If the organization has questions about filing, write to:

EXEMPT ORGANIZATIONS UNIT MS F120
FRANCHISE TAX BOARD
PO BOX 1286
RANCHO CORDOVA CA 95741-1286

Organizations may also call 916.845.4171 or refer to the last page of these instructions for telephone assistance and the FTB internet address.

Include the organization's identifying number and telephone number on all correspondence.

Make sure entries have been made for the following:

- California corporation or organization number
- Federal employer identification number (FEIN)
- Organization's legal name
- Address

Private Mail Box (PMB) Include PMB number in the address field. Write "PMB" first, then the box number. Example: 111 Main Street PMB 123.

Questions A through O

Use the following instructions when answering:

If the organization checked "Yes," attach Federal Schedule A (Form 990 or 990-EZ) or Federal 990-PF.

Question E - Accounting Method

The method used to compute income should be made in accordance with the accounting regularly used by the organization in maintaining its books and records.

Question G - Group Return

If the central organization prepares a group return for its subordinates, check the "Yes," box and attach a roster of all organizations included in the group return. The roster must include:

- Legal Name,
- Mailing Address,
- Federal Employer Identification Number (FEIN),
- California corporation number if known.

Question J – Influencing Legislation

Organizations that are exempt under R&TC Section 23701d are prohibited from supporting or opposing candidates for public office. However, an R&TC Section 23701d organization may elect to make limited expenditures to influence legislation within the limitations set by R&TC Section 23704.5. Organizations making this election must complete form FTB 3509, Political or Legislative Activities by Section 23701d Organizations, and attach it to Form 199.

Line 1 – Gross Sales or Receipts from Other Sources

Enter the amount from Side 2, Part II, line 8.

See General Instruction E, Gross Receipts, for the definition of gross receipts. Homeowners' associations see General Instruction D, Homeowners' Associations.

Do not include amounts for gross dues and assessments from members and affiliates or amounts from gross contributions, gifts, grants, and similar amounts received. These amounts are reported on Part I, line 2 and line 3.

Line 3 – Gross Contributions, Gifts, Grants, and Similar Amounts Received

Attach an itemized schedule if money, securities, or other property aggregating \$5,000 or more is received directly or indirectly from one person in one or more transactions during the year. The schedule must show the name, address, date received, and the total amount received from each person.

In determining whether a person has contributed \$5,000 or more, organizations must total gifts of \$1,000 or more from that person. Separate and independent gifts need not be totaled if less than \$1,000. Also, if a contribution is in the form of property (other than securities), the organization must furnish a description of the property. If the property consists of securities for which market quotations are readily available, the description and fair market value of the securities must be submitted.

Person means individuals, fiduciaries, partnerships, corporations, associations, trusts, and exempt organizations.

Organizations that are not private foundations must report the name and address of the contributor who gave more than \$5,000 in money, securities, or other property during the year only if it has actual knowledge of the contributor. For example, an organization need not require an employer who withholds contributions from the compensation of employees and pays over to the organization periodically the total amounts withheld, to specify the amounts paid over with respect to a particular employee. In such case, unless the organization has actual knowledge that a particular employee gave more than \$5,000, the organization must report only the name and address of the employer and the total amount paid over by the employer.

Organizations described in R&TC Sections 23701b, 23701g, and 23701i that receive contributions or gifts to be used exclusively for the purposes described in IRC Section 170 must attach a statement with respect to all gifts which total \$1,000 from any one person showing:

- The name of the donor.
- The amount of the contribution.

- The specific purpose of the contribution.
- The specific use of the contribution.

If the contribution or gift is transferred to another organization, the statement must include:

- The name of the transferee organization.
- A description of the nature of the transferee organization.
- A description of the relationship between the transferee and transferor organizations. Such organizations must also attach a statement showing the total dollar amount of contributions and gifts received.

Line 14 – Use Tax

As explained under General Information K, California use tax applies to purchases from out of state sellers (for example, purchases made by telephone, over the Internet, by mail, or in person). For questions on whether a purchase is taxable, go to boe.ca.gov, or call 800.400.7115 or California Relay Service (CRS) 711 (for hearing and speech disabilities).

Note: The following businesses must continue to report purchases subject to use tax directly to the State Board of Equalization:

- Businesses that have a California seller's permit.
- Businesses that are not required to hold a California seller's permit, but receive at least \$100,000 in gross receipts.
- Businesses that have a California consumer use tax account.

An exempt organization that is not required to report purchases subject to use tax directly to the State Board of Equalization may report use tax on Form 199. To report use tax on Form 199, complete the Use Tax Worksheet below.

If the exempt organization owes use tax but does not report it on Form 199, the exempt organization must report and pay the tax to the State Board of Equalization. For information on reporting use tax go to boe.ca.gov.

Failure to timely report and pay the use tax due may result in the assessment of penalties.

Use Tax Worksheet	
Use whole dollars only.	
1. Enter purchases from out-of-state or Internet sellers made without payment of California sales/use tax. See worksheet instructions below	\$ _____ .00
2. Enter the applicable sales and use tax rate. See worksheet instructions below	_____
3. Multiply line 1 by the tax rate on line 2. Enter result here . . .	\$ _____ .00
4. Enter any sales or use tax paid to another state for purchases included on line 1. See worksheet instructions below	\$ _____ .00
5. Subtract line 4 from line 3. This is the total use tax due. Enter the amount here and on Form 199, line 14. If the amount is less than zero, enter -0-	\$ _____ .00

Worksheet, Line 1, Purchases Subject to Use Tax

- Report items that would have been taxable in a California store, such as office equipment and supplies.
- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.

Note: Report and pay any use tax the organization owes on the following purchases to the State Board of Equalization, not on the organization's annual information return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.

Worksheet, Line 2, Sales and Use Tax Rate

Enter the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. If you do not know the applicable city or county sales and use tax rate, please go to the State Board of Equalization's website at boe.ca.gov and click on City and County Tax Rates or call their Taxpayer Information Section at 800.400.7115 or California Relay Service (CRS) 711 (for hearing and speech disabilities).

Worksheet, Line 4, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states. The organization cannot claim a credit greater than the amount of tax that would have been due if the purchase had been made in California. For example, if the organization paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, it can claim a credit of only \$6.00 for that purchase.

Signature

Corporations and Associations – A corporate officer such as the president, vice president, treasurer, assistant treasurer, chief accounting officer, or trustee must sign the return. In the case of homeowners' association, a person who has similar authority and who is authorized to sign must sign the return.

Trusts – The return must be signed by the individual fiduciary or by the authorized officer of the trust receiving or having custody or control and management of the income of the trust. If two or more individuals act jointly as fiduciaries, the return may be signed by any one of them. A receiver, trustee, or assignee must sign any return that must be filed on behalf of the organization.

Third Party Designee – If the organization wants to allow the FTB to discuss its 2011 return with the paid preparer who signed it, check the "Yes" box in the signature area of the return. This authorization applies only to the individual whose signature appears in the "Paid Preparer's Use Only" section of the return. It does not apply to the firm, if any, shown in that section.

If the "Yes" box is checked, the organization is authorizing the FTB to call the paid preparer to answer any questions that may arise during the processing of its return. The organization is also authorizing the paid preparer to:

- Give the FTB any information that is missing from the return.
- Call the FTB for information about the processing of the return or the status of any related refund or payments.
- Respond to certain FTB notices about math errors, offsets, and return preparation.

The organization is not authorizing the paid preparer to receive any refund check, bind the organization to anything (including any additional tax liability), or otherwise represent the organization before the FTB.

The authorization will automatically end no later than the due date (without regard to extensions) for filing the organization's 2012 tax return.

If the organization wants to expand the paid preparer's authorization, see form FTB 3520, Power of Attorney Declaration for the Franchise Tax Board. If the organization wants to revoke the authorization before it ends, notify the FTB in writing or call 800.852.5711.

Part II

Exempt organizations must either:

- Complete Part II of Form 199.
- Attach a completed copy of federal Form 990, including all appropriate schedules.

Private foundations must either:

- Complete Part II of Form 199
- Attach a completed copy of federal Form 990-PF for private foundations, including all appropriate schedules.
- Attach a complete copy of the current report filed with Registry of Charitable Trusts.

Labor organizations exempt under R&TC Section 23701a, attach a copy of the Department of Labor Form LM-2 or LM-3, Labor Organization Annual Report, as appropriate, in lieu of completing Part II.

Line 1 – Gross Sales or Receipts from All Business Activities

See General Instruction E for the definition of gross receipts. Homeowners' associations see General Instruction D.

Do not include amounts for gross dues and assessments from members and affiliates or amounts from gross contributions, gifts, grants, and similar amounts received. Report these amounts on Side 1, Part I, line 2 and line 3, respectively.

Line 6 – Gross Amount Received from Sale of Assets

Attach a schedule showing for each asset (whether or not depreciable) sold or exchanged:

- The date acquired, manner of acquisition, date sold, and to whom sold.
- The gross sales price.
- The cost or other basis, or value at time of acquisition if received by donation (state how received).
- The expense of sale and cost of improvements subsequent to acquisition.
- If depreciable property, depreciation since acquisition.

Enter the gross sales price on Side 2, Part II, line 6 and total and enter the cost or other basis, expenses, etc. (less depreciation if applicable), on Side 1, Part I, line 6.

Line 7 – Other Income

Attach a schedule showing other income not listed in line 1 through line 6.

Line 8 – Total Gross Sales or Receipts from Other Sources

Add line 1 through line 7. Enter on line 8 and on Side 1, Part I, line 1.

Line 9 – Contributions, Gifts, Grants, and Similar Amounts Paid

Private foundations, regardless of gross receipts, and other organizations required to file Form 199, must attach a schedule to support contributions, gifts, grants, scholarships, etc., showing all of the following:

- Each class of activity.
- Separate totals for each activity.
- Name and address of the donee and the amount of the distribution to the donee.
- Relationship of the donee, if related by blood, marriage, registered domestic partnership, adoption, or employment (including children of employees) to any person or corporation having an interest in the organization (such as creator, donor, director, trustee, officer, etc.).

Classify activities according to purpose in greater detail than merely charitable, educational, religious, or scientific. For example, payments for nursing service, laboratory construction, fellowships, or assistance to indigent families should be so identified.

Private foundations making contributions, etc., to a trust, association, or corporation shall also indicate the organizational status of each donee; such as private foundation, operating private foundation, or other public charity, etc.

When the fair market value of the property at the time of disbursement is used to measure a contribution, the schedule must also show all of the following:

- Description of the contributed property.
- Book value of the contributed property.
- Method used to determine the book value.
- Date of the gift.

In such a case, the difference between fair market value and book value should be reflected in the books of account.

Line 11 – Compensation of Officers, Directors, and Trustees

Enter the total compensation paid to current officers, directors, trustees, and key employees for the organization's taxable year. Compensation includes all forms of income and other benefits earned or received in return for services rendered, including pension plan contributions, and other employee benefits, but does not include non-compensatory expense reimbursements or allowances. Report all compensation amounts relating to such an individual, including those related to services performed in a capacity other than as an officer, director, trustee, or key employee.

Line 12 – Other Salaries and Wages

Enter the total amount of **employee** salaries, wages, fees, bonuses, severance payments, and similar amounts not reported on line 10 or 11.

Line 16 – Depreciation and Depletion

Corporations and Associations — California law is generally the same as federal law.

California differences:

1. California has not adopted the federal Modified Accelerated Cost Recovery System (MACRS).
2. California prohibits the use of the 20% Asset Depreciation Range (ADR). Only the mid-range asset guideline period is allowed.
3. California allows the special additional first-year depreciation and modified IRC Section 179 expense election. (R&TC Section 24356.)

Complete form FTB 3885, Corporation Depreciation and Amortization. Enter the total from form FTB 3885, line 16 and line 20 on Form 199, Side 2, Part II, line 16. Attach form FTB 3885 to Form 199.

Trusts — Estates and trusts are not eligible to take the IRC Section 179 deduction.

Complete form FTB 3885F, Depreciation and Amortization. Enter the total from form FTB 3885F, line 6, on Form 199, Side 2, Part II, line 16 and attach form FTB 3885F to Form 199.

Line 17 – Other Expenses and Disbursements

Attach a schedule showing expenses and disbursements not listed in line 9 through line 16.

Schedule L – Balance Sheets

The balance sheets should agree with the books of account. Any difference should be reconciled on Schedule M-1 of Form 199.
