### \$\$\$ for You

**Earned Income Tax Credit (EITC)** – EITC reduces your federal tax obligation, or allows a refund if no federal tax is due. You may qualify if:

- You earned less than \$43,998 (\$49,078 if married filing jointly) and you have qualifying children.
- You have no qualifying children and you earned less than \$13,660 (\$18,740 if married filing jointly).

Call the IRS at 800.829.4477, when instructed enter topic 601, see the federal income tax booklet, or go to the IRS website at [irs.gov](http://irs.gov) and search for **eitc assistant**. Currently, no comparable state credit exists.

**Refund of Excess State Disability Insurance (SDI)** – If you worked for at least two employers during 2011 who together paid you more than \$93,316 in wages, you may qualify for a refund of excess SDI. See the instructions on page 21.

### Common Errors and How to Prevent Them

Help us process your tax return quickly and accurately. When we find an error, it requires us to stop to verify the information on the tax return, which slows processing. The most common errors consist of:

- Claiming the wrong amount of estimated tax payments
- Claiming the wrong amount of standard deduction or itemized deductions
- Making tax computation errors
- Calculating the wrong amount of total credits

To avoid errors and to help process your tax return faster, use these helpful hints when preparing your tax return.

### Claiming estimated tax payments:

- Verify the amount of estimated tax payments claimed on your tax return matches what you sent to the Franchise Tax Board (FTB) for that year. Go to [ftb.ca.gov](http://ftb.ca.gov) and search for **myftb account** to view your total estimated tax payments before you file your tax return.
- Verify the overpayment amount from your 2010 tax return you requested to be applied to your 2011 estimated tax.
- If the FTB records do not match the amount of estimated tax payments claimed, a "Return Information Notice" will be sent explaining the difference.

### Claiming standard deduction or itemized deductions:

- See Form 540NR, line 18 instructions and worksheets for the amount of standard deduction or itemized deductions you can claim.

### Computing your tax:

- Verify the total tax amount on Form 540NR, line 74 is calculated correctly.
- Go to [ftb.ca.gov](http://ftb.ca.gov) and search for **tax calculator** to compute your tax with the tax calculator or with the tax tables.
- Locate the correct tax amount from the tax table (page 29) and transfer it to your tax return correctly.
- Verify any affected schedule to ensure that the total tax amount is correctly transferred over.

### Calculating total credits:

- Verify the total credits on Long Form 540NR, line 62 to ensure the amount is calculated correctly.

By using the helpful hints above, you assist in preventing delays in processing your tax return and unnecessary account adjustments.

# Do I Have to File?

## Steps to Determine Filing Requirement

If you are a nonresident of California and received income in 2011 with sources in California, go to Step 1. For more details see page 5.

**Step 1:** Is your gross income (gross income is computed under California law and consists of all income you received from all sources in the form of money, goods, property, and services, that is not exempt from tax) more than the amount shown in the California Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

**Step 2:** Is your adjusted gross income (adjusted gross income is computed under California law and consists of your federal adjusted gross income from all sources, reduced or increased by all California income adjustments) more

than the amount shown in the California Adjusted Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 3.

**Step 3:** If your income is less than the amounts on the chart you may still have a filing requirement. See "Requirements for Children with Investment Income" and "Other Situations When You Must File" on this page. Do those instructions apply to you? If yes, you have a filing requirement. If no, go to step 4.

**Step 4:** Are you married/registered domestic partner (RDP) filing separately with separate property income? If no, you do not have a filing requirement. If yes, prepare a tax return. If you owe tax, you have a filing requirement.

## Requirements for Children with Investment Income

For taxable years beginning on or after January 1, 2010, California law conforms to federal law which allows parents' election to report a child's interest and dividend income from children under age 19 or a student under age 24 on their tax return. For each child under age 19 and student under age 24 who received more than \$1,900 of investment income in 2011, complete Long Form 540NR and form FTB 3800, Tax Computation for Certain Children with Investment Income, to figure the tax on a separate Long Form 540NR for your child.

If you qualify, you may elect to report your child's income of \$9,500 or less (but not less than \$950) on your return by completing form FTB 3803, Parents' Election to Report Child's Interest and Dividends. To make this election, your child's income must be **only** from interest and/or dividends. See "Order Forms and Publications" on page 59 or go to [ftb.ca.gov](http://ftb.ca.gov).

## Other Situations When You Must File

If you have a tax liability for 2011 or owe any of the following taxes for 2011, you must file Long Form 540NR.

- Tax on a lump-sum distribution.
- Tax on a qualified retirement plan including an Individual Retirement Arrangement (IRA) or an Archer Medical Savings Account.
- Tax for children under age 19 or a student under age 24 who have investment income greater than \$1,900 (see paragraph above).
- Alternative minimum tax.
- Recapture taxes.
- Deferred tax on certain installment obligations.
- Tax on an accumulation distribution from a trust.

## Filing Status

Use the same filing status for California that you used for your federal income tax return, unless you are in a same-sex marriage or a RDP. If you are a same-sex married individual or an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you are a same-sex married individual or an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered not in a domestic partnership.

**Exception:** If you file a joint tax return for federal, you may file separately for California if either spouse was:

- An active member of the United States armed forces or any auxiliary military branch during 2011.
- A nonresident for the entire year and had no income from California sources during 2011.

**Community Property States:** If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will not qualify for the nonresident spouse exception.

If you had no federal filing requirement, use the same filing status for California you would have used to file a federal income tax return.

### Single

You are single if **any** of the following is true on December 31, 2011:

- You were never married or an RDP.
- You were divorced under a final decree of divorce, legally separated under a final decree of legal separation, or terminated your registered domestic partnership.
- You were widowed before January 1, 2011, and did not remarry or enter into another registered domestic partnership in 2011.

### Married/RDP Filing Jointly

You may file married/RDP filing jointly if **any** of the following is true:

- You were married or an RDP as of December 31, 2011, even if you did not live with your spouse/RDP at the end of 2011.
- Your spouse/RDP died in 2011 and you did not remarry or enter another registered domestic partnership in 2011.
- Your spouse/RDP died in 2012 before you filed a 2011 return.

### Married/RDP Filing Separately

- Community property rules apply to the division of income if you use the married/RDP filing separately status. For more information, get FTB Pub. 1031, Guidelines for Determining Resident Status, FTB Pub. 737, Tax Information for Registered Domestic Partners, FTB Pub. 776, Tax Information for Same-Sex Married Couples, FTB Pub. 1051A, Guidelines for Married/RDP Filing Separate Returns, or FTB Pub. 1032, Tax Information for Military Personnel. See "Order Forms and Publications" on page 59.
- You cannot claim a personal exemption credit for your spouse/RDP even if your spouse/RDP had no income, is not filing a tax return, and is not claimed as a dependent on another person's tax return.
- You may be able to file as head of household if you had a child living with you and you lived apart from your spouse/RDP during the entire last six months of 2011.

### Head of Household

For the specific requirements that must be met to qualify for head of household filing status, get FTB Pub. 1540, California Head of Household Filing Status. In general, head of household filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You may be entitled to use head of household filing status if all of the following apply:

- You were unmarried and not in a registered domestic partnership, or you met the requirements to be considered unmarried or considered not in a registered domestic partnership on December 31, 2011.
- You paid more than one-half the cost of keeping up your home for the year in 2011.
- For more than half the year, your home was the main home for you and one of the specified relatives who by law can qualify you for head of household filing status.
- You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for head of household purposes, the child must either be placed with you by an authorized placement agency or by order of a court.

For more information, get FTB Pub. 1540 at [ftb.ca.gov](http://ftb.ca.gov) or see code **934** on page 59 to order FTB Pub.1540 by telephone.

### **Qualifying Widow(er) with Dependent Child**

Fill in the circle on Long or Short Form 540NR, line 5 and use the joint tax return tax rates for 2011 if **all five** of the following apply:

- Your spouse/RDP died in 2009 or 2010 and you did not remarry or enter into another registered domestic partnership in 2011.

- You have a child, stepchild, adopted child, or foster child whom you claim as a dependent.
- This child lived in your home for all of 2011. Temporary absences, such as for vacation or school, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint tax return with your spouse/RDP the year he or she died, even if you actually did not do so.

## **What's New and Other Important Information for 2011**

### **Differences between California and Federal Law**

In general, for taxable years beginning on or after January 1, 2010, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2009. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

**Conformity** – For updates regarding federal acts, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **conformity**.

### **2011 Tax Law Changes/What's New**

**Tax Decrease** – Beginning on January 1, 2011, the tax rate decreased by 0.25%.

**Dependent Exemptions Credits** – Beginning on January 1, 2011, the dependent exemption credit increased from \$99 to \$315 per dependent.

**Child and Dependent Care Expenses Credit** – For taxable years beginning on or after January 1, 2011, the child and dependent care expense credit is nonrefundable.

**Voluntary Contributions** – For taxable years beginning on or after January 1, 2011, you may contribute to the following new funds:

- Municipal Shelter Spay-Neuter Fund
- ALS/Lou Gehrig's Disease Research Fund
- Child Victims of Human Trafficking Fund

**Community Development Financial Institutions Investment Credit** – The Community Development Financial Institutions Investment Credit has been extended for taxable years beginning on or after January 1, 2012, and before January 1, 2017.

### **Other Important Information**

#### **Real Estate Tax Deduction**

California law conforms to federal law regarding real estate tax deductions. You should use the same real estate tax deduction amount on both federal and state tax returns. Individuals who itemize deductions can claim deductions for real estate tax on Schedule A of their federal individual income tax return. You are allowed to deduct only the amount of real estate tax paid during the year that is based on the assessed value of your property (ad valorem taxes). You cannot deduct amounts shown on your property tax bill that are not computed based on the assessed value of your property, including special assessments, special taxes, Mello-Roos, fees, or charges, regardless of their purpose, with limited exceptions.

For information about the allowable real estate tax deduction, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **real estate tax** or see the federal instructions for Schedule A (Form 1040), line 6, Real Estate Taxes. Also see federal Publication 17, Your Federal Income Tax – Individuals and Publication 530, Tax Information for Homeowners.

Beginning with your 2012 tax return, the California tax return will add reporting requirements related to real estate tax deductions taken on your return. This will include the property parcel number, deductible and non-deductible amounts. You will need to retain a copy of your property tax bill(s) to complete this information.

**Net Operating Loss** – For taxable years in 2010 and 2011, California suspended the net operating loss (NOL) carryover deduction. Taxpayers may continue to compute and carryover NOLs during the suspension period. However, taxpayers with modified adjusted gross income of less than \$300,000 or with disaster loss carryovers are not affected by the NOL suspension rules.

Also, California modified the NOL carryback provision. For more information, see form FTB 3805V, Net Operating Loss (NOL) Computation and NOL and Disaster Loss Limitations — Individuals, Estates, and Trusts.

**Tsunami Waves 2011** – For tax information for victims of the March 2011 tsunami in Del Norte, Mendocino, and Santa Cruz Counties get Pub. 1034, Disaster Loss How to Claim a State Tax Deduction.

**Mandatory Electronic Payments** – You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original tax return with a total tax liability over \$80,000 for any taxable year that begins on or after January 1, 2009. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically may be subject to a one percent noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

Electronic payments can be made using Web Pay on FTB's website, electronic funds withdrawal (EFW) as part of the e-file tax return, or your credit card. For more information or to obtain the waiver form, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **mandatory e-pay**.

**Estimated Tax Payments** – Installments due for each taxable year beginning on or after January 1, 2010, shall be 30% of the required annual payment for the 1st required installment, 40% of the required annual payment for the 2nd required installment, no installment is due for the 3rd required installment, and 30% of the required annual payment for the 4th required installment.

Taxpayers with a tax liability less than \$500 (\$250 for married/RDP filing separately) do not need to make estimated tax payments.

**Mortgage Forgiveness Debt Relief Extended** – California law conforms, with modifications, to federal mortgage forgiveness debt relief for discharges occurring January 1, 2009 thru 2012. Federal law limits the amount of qualified principal residence indebtedness to \$2,000,000 (\$1,000,000 for married filing separate). See federal Publication 544, Sales and Other Disposition of Assets, and Publication 4681, Canceled Debts, Foreclosures, Repossessions, and Abandonments, for more information. California law limits the amount of qualified principal residence indebtedness to \$800,000 (\$400,000 for married/RDP filing separate) and debt relief to \$500,000 (\$250,000 for married/RDP filing separate).

**New Home/First-Time Buyer Credit** – To claim the New Home/First-Time Buyer Credit of 2010 you must have received a Certificate of Allocation from the FTB. The credits were available if you purchased a qualified principal residence on or after May 1, 2010, and on or before December 31, 2010. Additionally, the New Home Credit is available if you purchase a qualified principal residence on or after January 1, 2011, and before August 1, 2011, pursuant to an enforceable contract executed on or before December 31, 2010. For more information, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **home credit** or get FTB Pub. 3549, New Home/First-Time Buyer Credit.

**Backup Withholding** – Beginning on or after January 1, 2010, with certain limited exceptions, payers that are required to withhold and remit backup withholding to the Internal Revenue Service (IRS) are also required to withhold and remit to the Franchise Tax Board (FTB). The California backup withholding rate is 7% of the payment. For California purposes, dividends, interests, and any financial institutions' release of loan funds made in the normal course of business are exempt from backup withholding.

If the payee has backup withholding, the payee must contact the FTB to provide a valid Taxpayer Identification Number, which is either the social security number (SSN) or the individual taxpayer identification number (ITIN), before filing the tax return. Failure to provide the SSN or ITIN may result in a denial of the backup withholding credit. For more information, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **backup withholding**.

**Registered Domestic Partners (RDP)** – Under California law, RDPs must file their California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status.

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California

registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

**Same-Sex Married Couples** – Married couples must file their California income tax returns using either the married/RDP filing jointly or married/RDP filing separately filing status. Same-sex couple marriages performed in California after 5:00 pm on June 16, 2008, and before November 5, 2008, are valid marriages for California purposes.

Beginning in taxable year 2010, persons who have entered into a same-sex marriage outside the State of California that is valid according to the laws of the jurisdiction in which the marriage was contracted must file their California income tax return using either the joint or separate filing status. For more information, get FTB Pub 776, Tax Information for Same-Sex Married Couples, or go to [ftb.ca.gov](http://ftb.ca.gov) and search for **same sex married couples**.

**Direct Deposit Refund** – You can request a direct deposit refund on your tax return whether you e-file or file a paper tax return. Please be sure to fill in the routing and account numbers carefully and double-check the numbers for accuracy to avoid it being rejected by your bank.

**Group Nonresident Returns (also known as Composite Returns)** – For taxable years beginning on or after January 1, 2009:

- Group nonresident returns may include less than two nonresident individuals.
- Nonresident individuals with more than \$1,000,000 of California taxable income are eligible to be included in group nonresident returns. An additional 1% tax will be assessed on their entire California taxable income if they elect to be part of the group return.

See FTB Pub. 1067, Guidelines for Filing a Group Form 540NR, for more information.

**Withholding on California Real Estate** – For transactions occurring on or after January 1, 2007, that require withholding, a seller of California real estate may elect an alternative to withholding 3 1/3 % (.0333) of the total sales price. The seller may elect an alternative withholding amount based on the maximum tax rate for individuals, corporations, or banks and financial corporations, as applied to the gain on the sale. The seller is required to certify under penalty of perjury the alternative withholding amount to the FTB. For installment sales occurring on or after January 1, 2009, the buyer is required to withhold on each installment sale payment if the sale of California real property is structured as an installment sale.

**Tax Shelter** – If the individual was involved in a reportable transaction, including a listed transaction, the individual may have a disclosure requirement. Attach federal Form 8886, Reportable Transaction Disclosure Statement, to the back of the California tax return along with any other supporting schedules. If this is the first time the reportable transaction is disclosed on the tax return, send a duplicate copy of the federal Form 8886 to the address below. The FTB may impose penalties if the individual fails to file federal Form 8886 or fails to provide any other required information. A material advisor is required to provide a reportable transaction number to all taxpayers and material advisors for whom the material advisor acts as a material advisor.

## How Nonresidents and Part-Year Residents Are Taxed

### General Information

Nonresidents of California who received California sourced income in 2011, or moved into or out of California in 2011, file either the Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. California taxes all income received while you resided in California and the income you received from California sources while a nonresident. See page 7 "Which Form Should I Use?" to determine which form to use (Long or Short Form 540NR).

If you file the Long Form 540NR, use Schedule CA (540NR), California Adjustments — Nonresidents or Part-Year Residents, column A through column D to compute your total adjusted gross income as if you were a resident of California for the entire year. Use column E to compute all items of total adjusted gross income you received while a resident of California and those you received from California sources while a nonresident. You determine your California tax by multiplying your California taxable income by an effective tax rate. The effective tax rate is the tax on total taxable income, taken from the tax table, divided by total taxable income. You may also qualify for California tax credits, which reduces the amount of California tax you owe.

If you file the Short Form 540NR, use line 13, line 14, and line 17 to compute your total adjusted gross income as if you were a resident of California for the entire year. Use line 32 to compute all items of total adjusted gross income you received while a resident of California and those you received from California sources while a nonresident.

If you were a resident of California for all of 2011 get a California Resident Personal Income Tax Booklet and file Form 540, California Resident Income Tax Return, Form 540A, California Resident Income Tax Return; or Form 540 2EZ, California Resident Income Tax Return.

For more information on the taxation of nonresidents and part-year residents, get FTB Pub. 1100, Taxation of Nonresidents and Individuals Who Change Residency. Go to [ftb.ca.gov](http://ftb.ca.gov) or see "Where To Get Income Tax Forms and Publications" on page 58.

### Pension Income of Retirees Who Move to Another State

#### Nonresidents of California Receiving a California Pension

California does not impose tax on retirement income attributable to services performed in California received by a nonresident after December 31, 1995.

#### California Residents Receiving an Out-of-State Pension

In general California residents are taxed on all income, including income from sources outside California. Therefore, a pension attributable to services performed outside California but received after you become a California resident is taxable.

For more information about pensions, get FTB Pub. 1005, Pension and Annuity Guidelines. Go to [ftb.ca.gov](http://ftb.ca.gov) or see "Where to Get Income Tax Forms and Publications" on page 58.

### Temporary and Transitory Absences from California

If you are domiciled in California and you worked outside of California for an uninterrupted period of at least 546 consecutive days under an employment contract, you are considered a nonresident. This provision also applies to the spouse/RDP who accompanies the employed individual during those 546 consecutive days. However, you will not qualify under this provision if you are present in California for a total of more than 45 days during any taxable year covered by the contract, or if you have income from stocks, bonds, notes, or other intangible property in excess of \$200,000 for any taxable year covered by the contract. For more information, get FTB Pub. 1031. Go to [ftb.ca.gov](http://ftb.ca.gov) or see "Where To Get Income Tax Forms and Publications" on page 58.

### Group Nonresident Return

Nonresident partners, nonresident members, and nonresident shareholders of a partnership, limited liability company (LLC), or S corporation that does business in California or has income from California sources may elect to file a group nonresident return on the Long Form 540NR. For more information get FTB Pub. 1067, Guidelines for Filing a Group Form 540NR. This publication includes form FTB 1067A, Nonresident Group Return Schedule, which must be attached to the front of the group Long Form 540NR. Go to [ftb.ca.gov](http://ftb.ca.gov) or see "Where to Get Income Tax Forms and Publications" on page 58.

### Military Servicemembers

Active duty military servicemembers refer to FTB Pub. 1032, Tax Information for Military Personnel. Go to [ftb.ca.gov](http://ftb.ca.gov) or see "Where to Get Income Tax Forms and Publications" on page 58.

Servicemembers domiciled outside of California, and their spouses/RDPs, exclude the member's military compensation from gross income when computing the tax rate on nonmilitary income. Requirements for military servicemembers domiciled in California remain unchanged. Military servicemembers domiciled in California must include their military pay in total income. In addition, they must include their military pay in California source income when stationed in California. However, military pay is not California source income when a servicemember is permanently stationed outside of California. Beginning 2009, the federal Military Spouses Residency Relief Act may affect the California income tax filing requirements for spouses of military personnel.

# Additional Information

## California Sales and Use Tax

In general, the purchase of goods outside California that are brought into the state for storage, use, or other consumption may be subject to use tax. The use tax rate is the same as the sales tax rate in effect where the goods will be stored, used, or consumed; usually your residence address. The tax is based on the purchase price of the goods.

- **If you purchased goods from an out-of-state retailer** (such as a mail order firm) and sales tax would have been charged if you purchased the goods in California, you may owe the use tax on your purchase if the out-of-state retailer did not collect the California tax.
- **If you traveled to a foreign country and brought goods home with you, the use tax** will be based on the purchase price of the goods you listed on your U.S. Customs Declaration after deduction of the \$800 per individual exemption allowable by law within any 30-day period. This deduction does not apply to goods sent or shipped to California by common carrier.

Your tax liability may be calculated by multiplying the use tax rate at your residence by the cost of the goods purchased. Send your payment to the STATE BOARD OF EQUALIZATION, PO BOX 942879, SACRAMENTO CA 94279-0001, with a brief statement listing your name, address, daytime telephone number, cost, and description of the goods purchased. The Board of Equalization Pamphlet 79-B contains additional information and a form you may use to report the tax. An electronic version of this pamphlet may be found on the Board of Equalization's website at [boe.ca.gov/pdf/pub79b.pdf](http://boe.ca.gov/pdf/pub79b.pdf).

If you file a Schedule C (Form 1040), Profit or Loss From Business, with your federal income tax return and are in the business of selling tangible personal property, you may be required to obtain a seller's permit with the State Board of Equalization. If you do not sell tangible personal property, but you have at least \$100,000 in business gross receipts, you may be required to register with the State Board of Equalization to report use tax.

If you have any questions concerning the taxability of a purchase, or want information about obtaining a seller's permit, or registering to report use tax, go to the State Board of Equalization's website at [boe.ca.gov](http://boe.ca.gov) or call their Taxpayer Information Section at 800.400.7115 or California Relay Service (CRS) 711 (for hearing and speech disabilities). Income tax information is not available at these numbers.

## Collection Fees

The FTB is required to assess collection and filing enforcement cost recovery fees on delinquent accounts.

## Deceased Taxpayers

A final tax return must be filed for a person who died in 2011 if a tax return normally would be required. The administrator or executor, if one is appointed, or beneficiary must file the tax return. Please print "deceased" and the date of death next to the taxpayer's name at the top of the tax return.

If you are a surviving spouse/RDP and no administrator or executor has been appointed, file a joint tax return if you did not remarry or entered into another registered domestic partnership during 2011. Indicate next to your signature that you are the surviving spouse/RDP.

You may also file a joint tax return with an administrator or executor acting on behalf of the deceased taxpayer.

If you file a tax return and claim a refund due to a deceased taxpayer, you are certifying under penalty of perjury either that you are the legal representative of the deceased taxpayer's estate (in this case, attach certified copies of the letters of administration or letters testamentary) or that you are entitled to the refund as the deceased's surviving relative or sole beneficiary under the provisions of the California Probate Code. You must also attach a copy of federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer, or a copy of the death certificate when you file a tax return and claim a refund due.

## Innocent Joint Filer Relief

If you file a joint tax return, both you and your spouse/RDP are generally responsible for paying the tax and any interest or penalties due on the tax return. However, you may qualify for relief of payment on all or part of the balance as an innocent joint filer. For more information, get FTB Pub. 705, Innocent Joint Filer - Relief From Paying California Income Taxes, at [ftb.ca.gov](http://ftb.ca.gov) or call 916.845.7072, Monday - Friday between 8 a.m. to 5 p.m., except holidays.

## Registered Domestic Partners

If you are an RDP and need more information on how to file your tax return, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

## Requesting a Copy of Your Tax Return

The FTB keeps personal income tax returns for three and one-half years from the original due date. To obtain a copy of your tax return, write a letter or complete form FTB 3516, Request for Copy of Personal Income Tax or Fiduciary Return. In most cases, a \$20 fee is charged for each taxable year you request. However, no charge applies for victims of a designated California or federal disaster, or you request copies from a field office that assisted you in completing your tax return. See "Order Forms and Publications" on page 59.

## Mello-Roos

You cannot deduct the amounts you pay for local benefits, such as Mello-Roos, that apply to property in a limited area (construction of streets, sidewalks, or water and sewer systems). You must look at your real estate tax bill to determine if any nondeductible itemized charges are included in your bill. For more information, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **real estate tax** or get federal Publication 17, Your Federal Income Taxes-Individuals, Chapter 22.

## Vehicle License Fees for Federal Schedule A

On your federal Schedule A (Form 1040), you may deduct the California motor vehicle license fee listed on your Vehicle Registration Billing Notice from the Department of Motor Vehicles. The other fees listed on your billing notice such as registration fee, weight fee, and county fees are not deductible.

## Voting Is Everybody's Business

You may register to vote if you meet these requirements:

- You are a United States citizen.
- You are a resident of California.
- You will be 18 years old by the date of the next election.
- You are not in prison or on parole for the conviction of a felony.

You need to re-register every time you move, change your name, or wish to change political parties. In order to vote in an election, you must be registered to vote at least 15 days before that election. If you need to get a Voter Registration Card, call the California Secretary of State's office voter hotline at 800.345.VOTE or go to [sos.ca.gov](http://sos.ca.gov).

If you are requesting direct deposit of a refund, make sure that your account and routing information is correct. Your tax return can be transmitted to the FTB by your preparer or e-file service only after you sign form FTB 8453 or FTB 8879. The preparer or e-file service must provide you with:

# Frequently Asked Questions

(Go to [ftb.ca.gov](http://ftb.ca.gov) for more frequently asked questions.)

## 1. What if I can't file by April 17, 2012, and I think I owe tax?

You must pay 100% of the amount you owe by April 17, 2012, to avoid interest and penalties. If you cannot file because you have not received all your Form(s) W-2, estimate the amount of tax you owe by completing form FTB 3519, Payment for Automatic Extension for Individuals, on page 51. Mail it to the FTB with your payment by April 17, 2012, or pay online at [ftb.ca.gov](http://ftb.ca.gov). Then, when you receive all your Form(s) W-2, complete and mail your tax return by October 15, 2012, (you must use Long Form 540NR).

## 2. I never received a Form W-2. What should I do?

204

If not all your Forms W-2 were received by January 31, 2012, contact your employer. Only an employer issues or corrects a Form W-2. For more information, call 800.338.0505, select "Personal Income Tax," then "Frequently Asked Questions," and enter code **204** when instructed.

If you cannot get a copy of your Form(s) W-2, complete form FTB 3525, Substitute for Form W-2, Wage and Tax Statement, or Form 1099, Distributions from Pensions, Annuities, Retirement, or Profit Sharing Plans, IRAs, Insurance Contracts, etc. Go to [ftb.ca.gov](http://ftb.ca.gov) or see "Where To Get Income Tax Forms and Publications" on page 58. For online wage and withholding information, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **myftb account**.

## 3. How can I get help?

Throughout California more than 1,200 sites provide trained volunteers offering free help during the tax filing season to persons who file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. Go to [ftb.ca.gov](http://ftb.ca.gov) and search for **vita** to find a list of participating locations or call the FTB at 800.852.5711 to find a location near you.

## 4. What do I do if I can't pay what I owe with my 2011 tax return?

Pay as much as possible when you file your tax return. If unable to pay your tax in full with your tax return, make a request for monthly payments. However, interest accrues and an underpayment penalty may be charged on the tax not paid by April 17, 2012, even if your request for monthly payments is approved. To make monthly payments, complete form FTB 3567, Installment Agreement Request, online or mail it to the address on the form. **Do not mail it with your tax return.**

The Installment Agreement Request might not be processed and approved until after your tax return is processed, and you may receive a bill before you receive approval of your request.

949

To order this form, go to [ftb.ca.gov](http://ftb.ca.gov) or call 800.338.0505, select "Personal Income Tax," then select "Forms and Publications," and enter code **949** when instructed.

610

For information on how to pay by credit card, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **credit card**, or call 800.338.0505, select "Personal Income Tax," then select "Frequently Asked Questions," and enter code **610** when instructed.

## 5. How long will it take to get my refund?

If you e-file, you get the fastest possible refund. Your refund check is mailed within seven to ten calendar days (or if you request direct deposit, the refund posts to your checking or savings account within five to seven banking days) from the time the FTB receives your electronic return. For more information about e-file, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **efile**, or call 800.338.0505, select "Personal Income Tax," then select "Frequently Asked Questions" and enter code **112** when instructed.

112

If you do not e-file your tax return, you will receive your refund check within six to eight weeks after you file your tax return. If you request direct deposit, the refund posts to your account within six to eight weeks after you file your tax return.

## 6. I expected my refund by now. How can I check on the status?

Go to [ftb.ca.gov](http://ftb.ca.gov) and search for **refund status**. You will need your social security number (SSN) or individual taxpayer identification number (ITIN) and the refund amount from your tax return.

You can also call our automated phone service. See page 59.

## 7. I discovered an error on my tax return. What should I do?

If you discover an error on your California income tax return, after you filed it (paper or e-file), use Form 540X, Amended Individual Income Tax Return, to correct your return. Get Form 540X at [ftb.ca.gov](http://ftb.ca.gov) or call 800.338.0505 and enter code **908**. You cannot e-file an amended tax return.

## 8. The Internal Revenue Service (IRS) made changes to my federal tax return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. Either use Form 540X, to correct the California income tax return you already filed, or send a copy of the federal changes to:

ATTN RAR/VOL MS F310  
FRANCHISE TAX BOARD  
PO BOX 1998  
RANCHO CORDOVA CA 95741-1998

or Fax the information to 916.843.2269.

If you have any questions relating to the IRS audit adjustments, call 916.845.4028.

For general tax information or questions, call 800.852.5711.

Regardless of which method you use to notify the FTB, you must include a copy of the final federal determination along with all data and schedules on which the federal adjustment was based. Get FTB Pub. 1008, Federal Tax Adjustments and Your Notification Responsibilities to California, for more information. Go to [ftb.ca.gov](http://ftb.ca.gov) or see "Order Forms and Publications" on page 59.

File Form 540X only if the change affected your California tax liability.

## 9. How long should I keep my tax information?

Requests for information from you regarding your California income tax return usually occurs within the California statute of limitations period, which is usually the later of four years from the due date of the tax return or four years from the file date of the tax return. (**Exception:** An extended statute of limitations period may apply for California or federal tax returns that are related to or subject to a federal audit.)

Keep a copy of your tax return and the records that verify the income, deductions, adjustments, or credits reported on your return. Some records should be kept longer. For example, keep property records as long as needed to figure the basis of the property or records needed to verify carryover losses (e.g., net operating losses, capital losses, passive losses, casualty losses, etc.).

## 10. I will be moving after I file my tax return. How do I notify the FTB of my new address?

Notify the FTB of your new address by using form FTB 3533, Change of Address. This form is available at [ftb.ca.gov](http://ftb.ca.gov). You may also go to [ftb.ca.gov](http://ftb.ca.gov) and search for **myftb account** or call 800.852.5711, select "Personal Income Tax," then select option 6 to report a change of address. If you change your address online or by phone, you do not need to file form FTB 3533.

After filing your tax return, report a change of address to us for up to four years, especially if you leave the state and no longer have a requirement to file a California tax return.

## 11. Are all domestic partners required to file joint or separate tax returns?

No, only domestic partners who are registered with the California Secretary of State are required to file using the married/RDP filing jointly or married/RDP filing separately filing status.

# Instructions for Short Form 540NR California Nonresident or Part-Year Resident Income Tax Return

## Before You Begin

Complete your federal income tax return (Form 1040, Form 1040A, Form 1040EZ, Form 1040NR, or Form 1040NR-EZ) before you begin your Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. You will use information from your federal income tax return to complete your Short Form 540NR. Complete and mail Short Form 540NR by April 17, 2012. Due to the Emancipation Day holiday on April 16, 2012, tax returns filed and payments mailed or submitted on April 17, 2012, will be considered timely. If unable to mail your return by the due date, see page 2.

To get forms and publications referred to in these instructions, go to [ftb.ca.gov](http://ftb.ca.gov) or see "Where To Get Income Tax Forms and Publications" on page 58.

You cannot use Short Form 540NR if any of the items below apply to you. Instead use Long Form 540NR.

- You qualify for the California Nonrefundable Child and Dependent Care Expenses Credit.

 You may qualify for the federal earned income tax credit. See page 2 for more information. No comparable state credit exists.

**Note.** The lines on Short Form 540NR are numbered with gaps in the line number sequence. For example, lines 20 through 30 do not appear on Short Form 540NR, so the line number that follows line 19 on Short Form 540NR is line 31.

Print your first name, middle initial, last name, and address, in black or blue ink, in the spaces provided at the top of Short Form 540NR.

### Line 1 through Line 5 – Filing Status

**Line 18 – California Standard Deduction**

- Non-California wages received while you were a California resident from Form(s) W-2, box 16.
- Interest income received while you were a California resident.

**Full-year resident** – Enter your:

- California and non-California wages from all your Form(s) W-2, box 16.
- All of your interest income.

**Line 36 – CA Tax Rate**

In this computation, the Franchise Tax Board (FTB) rounds the tax rate to four digits after the decimal. If your computation is different, you

may receive a notice due to the difference in rounding. Contact us at 800.852.5711 if you disagree with this notice.

**Line 38 – CA Exemption Credit Percentage**

Divide the California Taxable Income (line 35) by Total Taxable Income (line 19). This percentage does not apply to the Nonrefundable Renter's Credit, Other State Tax Credit, or credits that are conditional upon a transaction occurring wholly within California. **If more than 1, enter 1.0000.**

**Credits****Line 61 – Nonrefundable Renter's Credit**

If you paid rent on your principal California residence in 2011, you may be eligible for a credit to reduce your tax. See page 57 to find out if you qualify.

**Nonrefundable Child and Dependent Care Expenses Credit** – You may be eligible for the California nonrefundable child and dependent care expenses credit. If you qualify for the credit, file the Long Form 540NR. See page 18, line 50 for more information.

**Payments****Line 81 – California Income Tax Withheld**

Enter your total California income tax withheld from your Form(s) W-2, box 17. Attach a copy of your Form(s) W-2, to your tax return. See “Assembling Your Tax Return” on page 11.

**Contributions**

You can make contributions to the funds listed on Short Form 540NR, Side 2. For a description of the funds, see page 55.

**Amount You Owe****Line 121 – Amount You Owe**

If you did not enter an amount on line 120, enter the amount from line 104 on line 121. This is the amount you owe with your Short Form 540NR.

If you entered an amount on line 120, add line 104 and line 120. Enter the total on line 121. This is the amount you owe with your Short Form 540NR.

If you have an amount on line 103 and line 120, subtract line 120 from line 103. If line 120 is more than line 103 enter the difference on line 121. This is the amount you owe with your Short Form 540NR.

Using black or blue ink, make your check or money order payable to the “Franchise Tax Board” for this amount, or see “Paying Your Taxes” on page 50. **Do not send cash.** Write your SSN or ITIN and “2011 Short Form 540NR” on the check or money order. Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution. Enclose, but do not staple, your payment with your return.

To avoid a late filing penalty, file your Short Form 540NR by the due date even if unable to pay the amount you owe.

**Refund and Direct Deposit****Line 125 – Refund or No Amount Due**

If you did not enter an amount on line 120, enter the amount from line 103.

If you entered an amount on line 120, subtract that amount from the amount on line 103. If the result is zero or more, enter the amount on line 125. If the result is less than zero, your contributions are more than your overpaid tax available on line 103. In this case, do not enter an amount on line 125. Enter the result on line 121 and see the instructions for line 121.

**Line 126 and Line 127 – Direct Deposit of Refund**

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Short Form 540NR, Side 2, line 126 and line 127. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. See the illustration below. **Do not** attach a voided check or deposit slip.

Individual taxpayers may request that their refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

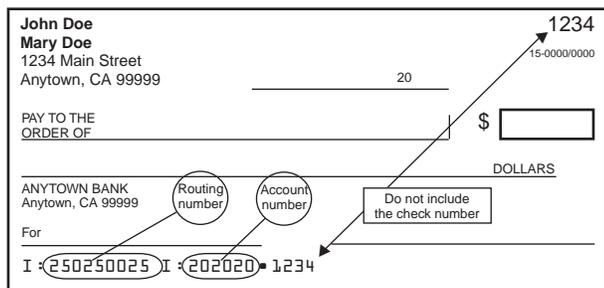

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens, but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. Do not check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. Each deposit must be at least \$1. The total of line 126 and line 127 must equal the total amount of your refund on line 125. If line 126 and line 127 do not equal line 125, the FTB will issue a paper check.

**Caution:** Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

**Sign Your Tax Return**

Sign your tax return in the designated space on Side 2. If you file a joint tax return, your spouse/RDP must sign the tax return also.

Include your phone number and email address in case the FTB needs to contact you for information needed to process your tax return. By providing this information the FTB will be able to process your tax return or issue your refund faster.

**Joint Tax Return.** If you file a joint tax return, both you and your spouse/RDP are generally responsible for the tax and any interest or penalties due on the tax return. If one spouse/RDP neglects to pay the tax, the other spouse/RDP may have to pay. See “Innocent Joint Filer Relief” on page 6.

**Paid Preparer Information.** If you pay a person to prepare your Short Form 540NR, that person signs and completes the area near the bottom of Side 2 including an identification number. Effective January 1, 2011, the IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return.

**Third Party Designee.** If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2011 tax return with the FTB, check the “Yes” box in the signature area of your tax return. Also print the designee’s name and telephone number.

If you check the “Yes” box, you and your spouse/RDP, if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee’s authorization, get form FTB 3520, Power of Attorney Declaration for the Franchise Tax Board.

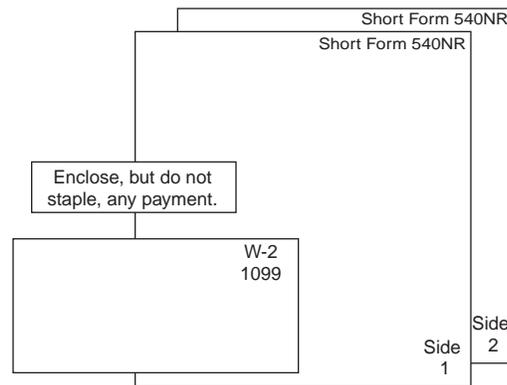

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2012 tax return. This is April 15, 2013, for most people. If you wish to revoke the authorization before it ends, notify us by telephone at 800.852.5711 or by writing to Franchise Tax Board, PO Box 942840, Sacramento, CA 94240-0040, include your name, SSN, and the designee’s name.

**Power of Attorney.** If another person prepared your tax return, he or she is not automatically granted access to your tax information in future dealings with us. At some point, you may wish to designate someone to act on your behalf in matters related or unrelated to your 2011 tax return (e.g., an audit examination). To protect your privacy, you must submit to us a legal document called a “Power of Attorney” (POA) authorizing another person to discuss or receive personal information about your income tax records.

For more information, get form FTB 1144, Power of Attorney Pamphlet, and form FTB 3520, Power of Attorney Declaration, at [ftb.ca.gov](http://ftb.ca.gov) or see “Where To Get Income Tax Forms and Publications” on page 58.

Make sure to attach all federal Form(s) W-2 and 1099 you received to the front of your tax return.

# Instructions for Long Form 540NR California Nonresident or Part-Year Resident Income Tax Return

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2009**, and the California Revenue and Taxation Code (R&TC).

## Before You Begin

Complete your federal income tax return (Form 1040, Form 1040A, Form 1040EZ, Form 1040NR, or Form 1040NR-EZ) before you begin your Long Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. Use information from your federal income tax return to complete your Long Form 540NR. Complete and mail Long Form 540NR by April 17, 2012. Due to the Emancipation Day holiday on April 16, 2012, tax returns filed and payments mailed or submitted on April 17, 2012, will be considered timely. If unable to mail your return by the due date see page 2.

To get forms and publications referred to in these instructions, go to [ftb.ca.gov](http://ftb.ca.gov) or see "Where To Get Income Tax Forms and Publications" on page 58.

You may qualify for the federal earned income tax credit. See page 2 for more information. No comparable state credit exists.

**Note:** The lines on Long Form 540NR are numbered with gaps in the line number sequence. For example, lines 20 through 30 do not appear on Long Form 540NR. So the line number that follows line 19 on Long Form 540NR is line 31.

**Caution:** Long Form 540NR has three sides. If filing Long Form 540NR, you must send all three sides to the Franchise Tax Board (FTB).

## Filing in Your Return

- Use black or blue ink on the tax return you send to the FTB.
- Enter your Social Security Number(s) (SSN) or Individual Taxpayer Identification Number(s) (ITIN) at the top of Long Form 540NR, Side 1.
- Print numbers and CAPITAL LETTERS between the combed lines. Be sure to line up dollar amounts.
- If you do not have an entry for a line, leave it blank unless the instructions for a line specifically tell you to enter zero. **Do not** enter a dash or the word "NONE."

## Name(s) and Address

Print your first name, middle initial, last name, and address in the spaces provided at the top of Long Form 540NR.

### Private Mail Box (PMB)

Include the PMB in the address field. Write "PMB" first, then the box number. Example: 111 Main Street PMB 123.

### Foreign Address

Enter the information in the following order: City, Country, Province/Region, and Postal Code. Follow the country's practice for entering the postal code. **Do not** abbreviate the country name.

### Principal Business Activity (PBA) Code

For federal Schedule C (Form 1040) business filers, enter the numeric PBA code from federal Schedule C (Form 1040), line B.

### Date of Birth (DOB)

Enter your DOBs (mm/dd/yyyy) in the spaces provided. If your filing status is married/RDP filing jointly or married/RDP filing separately, enter the DOBs in the same order as the names.

### Prior Name

If you or your spouse/RDP filed your 2010 tax return under a different last name, write the last name **only** from the 2010 tax return.

## Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN)

Enter your SSNs in the spaces provided. If you file a joint tax return, enter the SSNs in the same order as the names.

If you do not have an SSN because you are a nonresident or a resident alien for federal tax purposes, and the Internal Revenue Service (IRS) issued you an ITIN, enter the ITIN in the space provided for the SSN.

An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for an SSN. It is a nine-digit number that always starts with the number 9.

## Filing Status

Fill in only one of the circles for line 1 through line 5. Enter the required additional information if you filled in the circle on line 3 or line 5. For filing status requirements, see page 3.

Usually, your California filing status must be the same as the filing status you used on your federal income tax return.

### Exception for Married Taxpayers Who File a Joint Federal Income Tax Return

– You may file separate California returns if either spouse was:

- An active member of the United States Armed Forces or any auxiliary military branch during 2011.
- A nonresident for the entire year and had no income from California sources during 2011.

**Community Property.** If either spouse earned California source income while domiciled in a community property state, the community income will be split equally between the spouses. Both spouses will have California source income and they will **not** qualify for the nonresident spouse exception. For more information, get FTB Pub. 1031, Guidelines for Determining Resident Status, and FTB Pub. 1051A, Guidelines For Married/RDP Filing Separate Returns.

If you did not file a federal tax return because you did not have a federal filing requirement, use the filing status you would have used had you been required to file.

Same-sex married individuals or registered domestic partners (RDPs) who file single for federal **must file** married/RDP filing jointly or married/RDP filing separately for California.

**Nonresident Alien** – A joint tax return may be filed if, in the case of a nonresident alien married to a United States citizen or resident, both spouses/RDPs elect to treat the nonresident alien spouse/RDP as a resident for tax purposes.

**If You Filed Federal Form 1040NR or Form 1040NR-EZ**, you do not qualify to use the head of household or married/RDP filing jointly filing statuses. Instead, use single, married/RDP filing separately, or qualifying widow(er) filing status, whichever applies to you.

**If You File as Head of Household**, do not claim yourself or a nonrelative as the qualifying individual for head of household. Get FTB Pub. 1540, California Head of Household Filing Status, for more information. See "Where To Get Income Tax Forms and Publications" on page 58.

Transfer the amount from the California SSMC Adjustments Worksheet, line 37, column D, or federal pro forma Form 1040, line 37, to Long Form 540NR, line 13.

RDPs filing as married/RDP filing separately, former RDPs filing separately, and RDPs with RDP adjustments will use the California RDP Adjustments Worksheet in FTB Pub. 737, Tax Information for Registered Domestic Partners, or complete a federal pro forma Form 1040. Transfer the amount from the California RDP Adjustments Worksheet, line 37, column D, or federal pro forma Form 1040, line 37, to Long Form 540NR, line 13.

**Line 14 – California Adjustments — Subtractions****(from Schedule CA (540NR), line 37, column B)**

Complete Schedule CA (540NR), California Adjustments – Nonresidents or Part-Year Residents, to find the amount to enter on Long Form 540NR, line 14. Follow the instructions for Schedule CA (540NR) beginning on page 37. Enter the amount from Schedule CA (540NR), line 37, column B on Long Form 540NR, line 14.

If the amount on Schedule CA (540NR) line 37, column B is a negative number, do not transfer it to Long Form 540NR, line 14 as a negative number. Instead, transfer the number as a positive number to Long Form 540NR, line 16.

**Line 15 – Subtotal**

If the amount on Schedule CA (540NR) line 37, column C is a negative number, do not transfer it to Long Form 540NR, line 16 as a negative number. Instead, transfer the number as a positive number to Long Form 540NR, line 14.

**Line 17 – Adjusted Gross Income From All Sources**

Combine line 15 and line 16. This amount should match the amount on Schedule CA (540NR), line 37, column D.

**Line 18 – California Itemized Deductions or California Standard Deduction**

Decide whether to itemize your deductions, such as charitable contributions, medical expenses, etc., or take the standard deduction. Your California income tax will be less if you take the **larger** of your California:

- Itemized deductions (total itemized deductions allowed under California law).
- Standard deduction.

On federal tax returns, individual taxpayers who claim the standard deduction are allowed an additional deduction for net disaster losses. For California, deductions for disaster losses are only allowed for those individual taxpayers who itemized their deductions.

If married or an RDP and filing separate Long Form 540NR, you and your spouse/RDP must either both itemize your deductions (even if the itemized deductions of one spouse/RDP are less than the standard deduction) or both take the standard deduction.

Also, if someone else can claim you as a dependent, you may claim the greater of the standard deduction or your itemized deductions. To figure your standard deduction, see the California Standard Deduction Worksheet for Dependents on the next page.

**Itemized Deductions.** Figure your California itemized deductions by completing Schedule CA (540NR), Part III, line 38 through line 44. Enter the result on Long Form 540NR, line 18.

If you did not itemize deductions on your federal income tax return but will itemize deductions for your Long Form 540NR, first complete federal Schedule A (Form 1040), Itemized Deductions. Then complete Schedule CA (540NR), Part III, line 38 through line 44.

**Standard Deduction.** Find your standard deduction on the California Standard Deduction Chart for Most People on the next page. If you filled in the circle on Long Form 540NR, line 6, use the California Standard Deduction Worksheet for Dependents, on the next page, instead.

**California Standard Deduction Chart for Most People**

Do not use this chart if your parent, or someone else, can claim you (or your spouse/RDP) as a dependent on their tax return.

Your Filing Status	Enter On Line 18
1 – Single	\$3,769
2 – Married/RDP filing jointly	\$7,538
3 – Married/RDP filing separately	\$3,769
4 – Head of household	\$7,538
5 – Qualifying widow(er)	\$7,538

The California standard deduction amounts are less than the federal standard deduction amounts.

**California Standard Deduction Worksheet for Dependents**

Use this worksheet only if your parent, or someone else, can claim you (or your spouse/RDP) as a dependent on their tax return. **Use whole dollars only.**

Next to line 19, enter "CCF" and the amount of the deduction. For details, see federal Publication 595, Capital Construction Fund for Commercial Fishermen.

**California Taxable Income**

When you figure your tax, use the correct filing status and taxable income amount.

**Line 31 – Tax**

e-file and you won't have to do the math. Go to **ftb.ca.gov** and search for **efile**.

To figure your tax on the amount on line 19, use one of the following methods and fill in the matching circle on line 31:

- **Tax Table.** If your taxable income on line 19 is \$100,000 or less, use the tax table beginning on page 29. Use the correct filing status column in the tax table.
- **Tax Rate Schedules.** If your taxable income on line 19 is over \$100,000, use the tax rate schedules on page 34.
- **FTB 3800.** Generally, you use form FTB 3800, Tax Computation for Certain Children with Investment Income, to figure the tax on a separate Long Form 540NR for your child who was 18 and under or a student under age 24 on January 1, 2012, and who had more than \$1,900 of investment income. Attach form FTB 3800 to the child's Long Form 540NR.

**Line 85**

For the Claim of Right credit, follow the reporting instructions in Schedule CA (540NR), line 41 under the Claim of Right.

**Claim of Right:** If you are claiming the tax credit on your California tax return, include the amount of the credit in the total for this line. Write in "IRC 1341" and the amount of the credit to the left of the amount column.

To determine if you are entitled to this credit, refer to your prior year California Form 540/540A, Form 540NR (Long or Short), Schedule CA (540), or Schedule CA (540NR), column E, to verify the amount was included in your CA taxable income. If the amount repaid under a "Claim of Right" was not originally taxed by California, you are not entitled to claim the credit.

**Overpaid Tax or Tax Due**

If you received a refund for 2010, you may receive a Form 1099-G, Certain Government Payments. The refund amount reported on your Form 1099-G will be different from the amount shown on your tax return if you claimed the Child and Dependent Care Expenses Credit. This is because the credit is not part of the refund from withholding or estimated tax payments.

To avoid a delay in the processing of your tax return, enter the correct amounts on line 101 through line 104.

**Line 101 – Overpaid Tax**

If the amount on line 85 is more than the amount on line 74, subtract the amount on line 74 from the amount on line 85. Enter the result on line 101. Your payments and credits are more than your tax.

**Line 102 – Amount You Want Applied to Your 2012 Estimated Tax**

Apply all or part of the amount on line 101 to your estimated tax for 2012. Enter on line 102 the amount of line 101 you want applied to 2012.

An election to apply an overpayment against estimated tax is binding. Once the election is made, the overpayment cannot be applied to a deficiency after the due date of the tax return.

**Line 103 – Overpaid Tax Available This Year**

If you entered an amount on line 102, subtract it from the amount on line 101. Enter the result on line 103. You may have this entire amount refunded to you or make contributions to the California Seniors Special Fund or make other voluntary contributions from this amount. If you make a contribution, skip line 104 and go to the instructions for contributions.

**Line 104 – Tax Due**

If the amount on line 85 is less than the amount on line 74, subtract the amount on line 85 from the amount on line 74. Enter the result on line 104. Your tax is more than your payments and credits.

There is a penalty for not paying enough tax during the year. You may have to pay a penalty if:

- The tax due on line 104 is \$500 or more (\$250 or more if married/RDP filing separately).
- The amount of state income tax withheld on line 81 is less than 90% of the amount of your total tax on line 74.

If you owe a penalty, the FTB will figure the penalty and send you a bill.

**Contributions**

You can make voluntary contributions to the funds listed on Long Form 540NR, Side 3. See page 55 for a description of the funds.

**Code 400 – Contribution to California Seniors Special Fund**

If you and/or your spouse/RDP are 65 years of age or older and claim the Senior Exemption Credit on line 9, you may make a combined total contribution of up to \$204 or \$102 per spouse/RDP. Contributions entered on code 400 will be distributed to The Area Agency on Aging Council of California (TACC) to provide advice on and sponsorship of Senior Citizen issues. Any excess contributions not required by TACC will be distributed to senior citizen service organizations throughout California for meals, adult day care, and transportation.

Use the worksheet below to figure your contribution:

1. If you contribute, enter \$102; if you and your spouse/RDP contribute, enter \$204 . . . . . 1 \_\_\_\_\_
2. Enter the ratio from Long Form 540NR, line 38 . . . . . 2 \_\_\_\_\_
3. Contribution amount. Multiply line 1 by line 2. Enter the result (rounded to the nearest whole dollar) here. . . . . 3 \_\_\_\_\_

You may contribute any amount up to the amount on line 3. Enter your contribution on the line for code 400.

**Line 120 – Total Contributions**

Add code 400 through code 419. Enter the result on line 120.

**Amount You Owe**

Add or subtract correctly to figure the amount you owe.

**Line 121 – Amount You Owe**

If you did not enter an amount on line 120, enter the amount from line 104 on line 121. This is the amount you owe with your Long Form 540NR.

If you entered an amount on line 120, add that amount to the amount on line 104. Enter the result on line 121. This is the amount you owe with your Long Form 540NR.

If you have an amount on line 103 and line 120, subtract line 120 from line 103. If line 120 is more than line 103 enter the difference on line 121.

To avoid a late filing penalty, file your Long Form 540NR by the extended due date even if unable to pay the amount you owe.

**Mandatory Electronic Payments.** You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original return with a total tax liability over \$80,000 for any taxable year that begins on or after January 1, 2009. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a one percent noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

Electronic payments can be made using Web Pay on FTB's website, electronic funds withdrawal (EFW) as part of the e-file tax return, or your credit card. For more information or to obtain the waiver form, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **mandatory e-pay**.

#### Payment Options

- **Electronic Funds Withdrawal** – Instead of paying by check or money order, you may use this convenient option if you e-file. Provide your bank information, amount you want to pay, and the date you want the balance due to be withdrawn from your account. Your tax preparation software will offer this option.
- **Web Pay** – Pay the amount you owe using our secure online payment service. Go to [ftb.ca.gov](http://ftb.ca.gov) and search for **web pay**.
- **Credit Card** – Whether you e-file or file by mail, you can use your Discover, MasterCard, Visa, or American Express card to pay your personal income taxes. If you pay by credit card, do not mail form FTB 3519 to us. Call 800.272.9829 or go to the Official Payments Corp. website at [officialpayments.com](http://officialpayments.com), and use the jurisdiction code 1555. Official Payments Corp. charges a convenience fee for using this service.
- **Check or Money Order** – Using black or blue ink, make your check or money order payable to the "Franchise Tax Board." **Do not send cash.** Write your SSN or ITIN and "2011 Long Form 540NR" on the check or money order. Enclose, but **do not** staple, your payment with your return.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution. **Do not** combine your 2011 tax payment and any 2012 estimated tax payment in the same check. Prepare two separate checks and mail each in a separate envelope.

If you e-filed your tax return, mail your check or money order with form FTB 3582, Payment Voucher for Individual e-filed Returns. **Do not** mail a copy of your e-filed tax return.

A penalty may be imposed if your check is returned by your bank for insufficient funds.

If you enter an amount on line 122 or line 123, see the instructions for line 124 for information about how to prepare your check or money order.

**Paying by Credit Card** – Whether you e-file or file by mail, use your Discover, MasterCard, Visa, or American Express card to pay your personal income taxes (tax return balance due, extension payment, estimated tax payment, or tax due with bill notice). **There is a convenience fee for this service.** This fee is paid directly to Official Payments Corp. based on the amount of your tax payment.

#### Convenience Fee

- 2.50% of the tax amount charged (rounded to the nearest cent)
- Minimum fee: \$1

**Example:** Tax Payment = \$754.00 Convenience Fee = \$18.85

#### When will my payments be effective?

Your payment is effective on the date you charge it.

#### What if I change my mind?

If you pay your tax liability by credit card and later reverse the credit card transaction, you may be subject to penalties, interest, and other fees imposed by the FTB for nonpayment or late payment of your tax liability.

#### How do I use my credit card to pay my income tax bill?

Once you have determined the type of payment and how much you owe, the following information is needed:

- Your Discover, MasterCard, Visa, or American Express card
- Credit card number
- Expiration date
- Amount you are paying
- Your and your spouse's/RDP's SSN (or ITIN)
- First 4 letters of your and your spouse's/RDP's last name

- Taxable year
- Home phone number (including area code)
- ZIP Code for address where your monthly credit card bill is sent
- FTB Jurisdiction Code: 1555

Go to the Official Payments Corp. website at [officialpayments.com](http://officialpayments.com) and select **Payment Center**, or call 800.2PAY.TAX or 800.272.9829 and follow the recorded instructions. Official Payments Corp. provides customer assistance at 877.297.7457 Monday through Friday, 5:00 a.m. to 6:00 p.m. PST. Official Payments Corp. will tell you the convenience fee before you complete your transaction. Decide whether to complete the transaction at that time.

Payment Date : \_\_\_\_\_ Confirmation Number: \_\_\_\_\_

If you cannot pay the full amount shown on Long Form 540NR, line 121, see the information regarding monthly payments on page 8, question 4.

## Interest and Penalties

If you file your tax return or pay your tax after the original due date, you may owe interest and penalties on the tax due.

Do not reduce the amount on line 101 or increase the amount on line 104 by any penalty or interest amounts. Enter on Long Form 540NR, line 122 the amount of interest and penalties.

### Line 122 – Interest and Penalties

**Interest.** Interest will be charged on any late filing or late payment penalty from the original due date of the return to the date paid. In addition, if other penalties are not paid within **15 days**, interest will be charged from the date of the billing notice until the date of payment. Interest compounds daily and the interest rate is adjusted twice a year. The FTB website has a chart of interest rates in effect since 1976. Go to [ftb.ca.gov](http://ftb.ca.gov) and search for **interest**.

**Late Filing of Tax Return.** If you do not file your tax return by October 15, 2012, you will incur a late filing penalty plus interest from the original due date of the tax return. The maximum total penalty is 25% of the tax not paid if the tax return is filed after October 15, 2012. The minimum penalty for filing a tax return more than 60 days late is \$135 or 100% of the balance of tax due, whichever is less.

**Late Payment of Tax.** If you fail to pay your total tax liability by April 17, 2012, you will incur a late payment penalty plus interest. The penalty is 5% of the tax not paid when due plus 1/2% for each month, or part of a month, the tax remains unpaid. If you have paid at least 90% of the tax shown on the tax return by the original due date of the tax return, we will waive the penalty based on reasonable cause. However, the imposition of interest is mandatory. If, after April 17, 2012, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest.

**Other Penalties.** We may impose other penalties if a payment is returned for insufficient funds. We may also impose penalties for negligence, substantial understatement of tax, and fraud.

### Line 123 – Underpayment of Estimated Tax

You may be subject to an estimated tax penalty if any of the following is true:

- Your withholding and credits are less than 90% of your current tax year liability.
- Your withholding and credits are less than 100% of your prior year tax liability (110% if AGI is more than \$150,000 or \$75,000 if married/RDP filing separately).
- You did not pay enough through withholding to keep the amount you owe with your tax return under \$500 (\$250 if married/RDP filing separately).

The FTB can figure the penalty for you when you file your tax return and send you a bill.

Is line 104 less than \$500 (\$250 if married/RDP filing separately)?

**Yes** **Stop.** You are not subject to an estimated payment penalty.

**No** Continue. You may be subject to an estimated payment penalty.

Is line 104 less than 10% of the amount on line 63 (excluding the tax on lump-sum distributions on line 41)?

**Yes** **Stop.** You are not subject to an estimated payment penalty.

**No** You may be subject to an estimated payment penalty, see form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries (or form FTB 5805F, Underpayment of Estimated Tax by Farmers and Fishermen).

The underpayment of estimated tax penalty shall not apply to the extent the underpayment of an installment was created or increased by any provision of law that is chaptered during and operative for the taxable year of the underpayment. To request a waiver of underpayment of estimated tax penalty, get form FTB 5805 or form FTB 5805F. See "Where To Get Income Tax Forms and Publications" on page 58.

If you complete one of these forms, enter the amount of the penalty on line 123 and fill in the correct circle on line 123. Complete and attach the form if you claim a waiver, use the annualized income installment method, or pay tax according to the schedule for farmers and fishermen, even if no penalty is owed.

See "Important Dates" on page 2 for more information on estimated tax payments and how to avoid the underpayment penalty.

**Line 124 – Total Amount Due**

Is there an amount on line 121?

**Yes** Add line 121, line 122, and line 123. Enter the result on line 124. For payment options, see line 121 instructions.

**No** Go to line 125.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

**Refund and Direct Deposit**

**Line 125 – Refund or No Amount Due**

Did you report amounts on line 120, line 122, or line 123?

**No** Enter the amount from line 103 on line 125. This is your refund amount. If it is less than \$1, attach a written statement to your Long Form 540NR requesting the refund.

**Yes** Combine the amounts from line 120, line 122, and line 123. If the result is:

- More than line 103, subtract line 103 from the sum of line 120, line 122, and line 123 and enter the result on line 124. This is your total amount due. For payment options, see line 121 instructions.
- Less than line 103, subtract the sum of line 120, line 122, and line 123 from line 103 and enter on line 125. This is your refund amount.

112

**Want a fast refund?** Get your refund in 10 days or less when you e-file your tax return!

**Line 126 and Line 127 – Direct Deposit of Refund**

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Long Form 540NR, Side 3, line 126 and line 127. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. **Do not** attach a voided check or deposit slip. See the illustration on this page.

Individual taxpayers may request that their refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

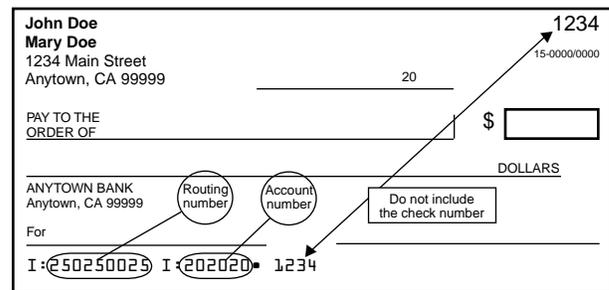

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. Do not check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. Each deposit must be at least \$1. The total of line 126 and line 127 must equal the total amount of your refund on line 125. If line 126 and line 127 do not equal line 125, the FTB will issue a paper check.

**Caution:** Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

**Sign Your Tax Return**

Sign your tax return in the designated space on Side 3. If you file a joint tax return, your spouse/RDP must sign the tax return also.

Include your phone number and email address in case the FTB needs to contact you for information needed to process your tax return. By providing this information the FTB will be able to process your tax return or issue your refund faster.

**Joint Tax Return.** If you file a joint tax return, both you and your spouse/RDP are generally responsible for the tax and any interest or penalties due on the tax return. This means that if one spouse/RDP does not pay the tax due, the other spouse/RDP may have to pay the tax due. See "Innocent Joint Filer Relief," on page 6.

**Paid Preparer's Information.** If you pay a person to prepare your Long Form 540NR, that person signs and completes the area at the bottom of Side 3 including an identification number. Effective January 1, 2011, the IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

**Third Party Designee.** If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2011 tax return with the FTB, check the "Yes" box in the signature area of your tax return. Also print the designee's name and telephone number.

If you check the "Yes" box, you, and your spouse/RDP if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee's authorization, get form FTB 3520, Power of Attorney Declaration for the Franchise Tax Board.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2012 tax return. This is April 15, 2013, for most people. If you wish to revoke the authorization before it ends, notify us by telephone at 800.852.5711 or by writing to Franchise Tax Board, PO Box 942840, Sacramento, CA 94240-0040, include your name, SSN, and the designee's name.

**Power of Attorney.** If another person prepared your tax return, he or she is not automatically granted access to your tax information in future dealings with us. At some point, you may wish to designate someone to act on your behalf in matters related or unrelated to your 2011 tax return (e.g., an audit examination). To protect your privacy, you must submit to us a legal document called a "Power of Attorney" (POA) authorizing another person to discuss or receive personal information about your income tax records.

For more information, get form FTB 1144, Power of Attorney Pamphlet, and form FTB 3520, Power of Attorney Declaration, at [ftb.ca.gov](http://ftb.ca.gov) or see "Where To Get Income Tax Forms and Publications" on page 58.

**Check Your Social Security Number (or ITIN).** Verify that you have written your social security number (or ITIN) in the spaces provided at the top of Long Form 540NR. If you file a joint tax return, verify that you and your spouse's/RDP's numbers are entered in the same order as your names.

## Filing Your Tax Return

**Important:** Attach a copy of your federal income tax return, and all supporting federal forms and schedules to the back of Long Form 540NR.

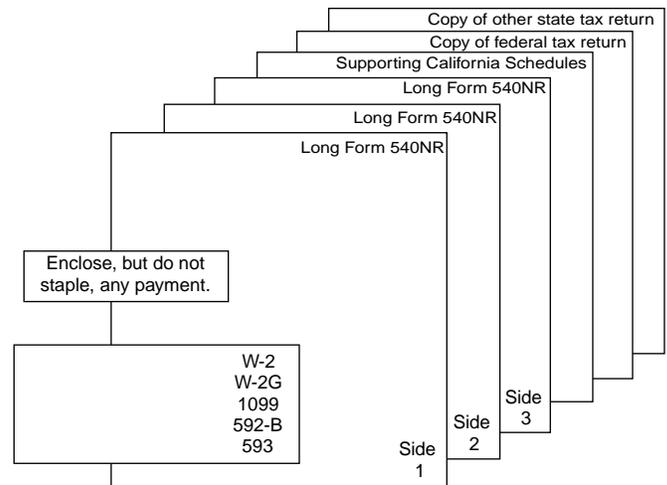

**Federal Form(s) W-2, W-2G, and 1099, and CA Form(s) 592-B, and 593.** Attach all the Form(s) W-2 and W-2G you received to the lower front of your tax return. Also, attach any Form(s) 1099, 592-B, and 593 showing California income tax withheld.

If you do not receive your Form(s) W-2 by January 31, 2012, contact your employer or go to [ftb.ca.gov](http://ftb.ca.gov) and search for **myftb account**. Only your employer can issue or correct a Form W-2. If you cannot get a copy of your Form W-2, complete form FTB 3525, Substitute for Form W-2, Wage and Tax Statement, or Form 1099-R, Distributions from Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc. See "Where To Get Income Tax Forms and Publications" on page 58.

If you forget to send your Form(s) W-2 or any other withholding form(s) with your income tax return, do not send it separately, or with another copy of your tax return. Wait until the FTB requests it from you.

## Assembling Your Tax Return

Assemble your tax return in the order shown below.

**Caution:** Long Form 540NR has three sides. If filing Long Form 540NR, you must file all three sides with the FTB.

## How to Figure Tax Using the 2011 California Tax Rate Schedules

**Example:** Chris and Pat Smith are filing a joint tax return using Long Form 540NR. Their taxable income on Long Form 540NR, line 19 is \$125,000.

**Step 1:** Using Schedule Y, they find the taxable income range that includes their taxable income of \$125,000. See the boxed range in the sample below.

If the amount on Form 540NR, line 19 is: over – But not over –		Enter on Form 540NR, line 31	of the amount over –
\$ 0	\$ 14,632	\$ 0.00 + 1.00%	\$ 0.00
14,632	34,692	146.32 + 2.00%	14,632
34,692	54,754	547.52 + 4.00%	34,692
54,754	76,008	1,350.00 + 6.00%	54,754
76,008	96,058	2,625.24 + 8.00%	76,008
96,058	AND OVER	4,229.24 + 9.30%	96,058

	Example	Your Income
<b>Step 2:</b> They subtract the amount at the beginning of their range from their taxable income.	\$125,000 - 96,058 \$ 28,942	\$ - \$
<b>Step 3:</b> They multiply the result from Step 2 by the percentage for their range.	\$ 28,942 x .0930 \$2,691.61	\$ x \$
<b>Step 4:</b> They round the amount from Step 3 to two decimals (if necessary) and add it to the tax amount for their income range. After rounding the result, they will enter \$6,921 on Form 540NR, line 31.	\$4,229.24 + 2,691.61 \$6,920.85	\$ + \$

# Instructions for Schedule CA (540NR)

References to these instructions are to the Internal Revenue Code (IRC) as of January 1, 2009, and the California Revenue and Taxation Code (R&TC).

## General Information

In general, for taxable years beginning on or after January 1, 2010, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2009. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

### Conformity

For updates regarding federal acts, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **conformity**.

**Net Operating Loss** – For taxable years 2010 and 2011, California suspended the net operating loss (NOL) carryover deduction. Taxpayers may continue to compute and carryover NOLs during the suspension period. However, taxpayers with modified adjusted gross income of less than \$300,000 or with disaster loss carryovers are not affected by the NOL suspension rules.

Also, California modified the NOL carryback provision. For more information, see form FTB 3805V, Net Operating Loss (NOL) Computation and NOL and Disaster Loss Limitations — Individuals, Estates, and Trusts.

### Same-Sex Married Couples (SSMCs) and Registered Domestic Partners (RDP)

SSMCs and RDPs will compute their limitations based on the combined federal adjusted gross income (AGI) of each spouse's or partner's individual tax return filed with the Internal Revenue Service (IRS). For column A, line 7 through line 21, and line 23 through line 35, combine your federal amounts from each spouse's or partner's individual federal tax return. For more information on SSMCs, get FTB Pub. 776, Tax Information for Same Sex Married Couples. or RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

The combined federal AGI used to compute limitations is different from the recalculated federal AGI used on Form 540NR, line 13. In situations where SSMCs have no SSMC adjustments or RDPs have no RDP adjustments, these amounts may be the same.

**Military Personnel** – Servicemembers domiciled outside of California and their spouses may exclude the servicemember's military compensation from gross income when computing the tax rate on nonmilitary income. Requirements for military servicemembers domiciled in California remain unchanged. Military servicemembers domiciled in California must include their military pay in total income. In addition, they must include their military pay as California source income when stationed in California. However, military pay is not California source income when a servicemember is permanently stationed outside of California. Beginning 2009, the federal Military Spouses Residency Relief Act may affect the California income tax filing requirements for spouses of military personnel. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

**Amended Returns** – If you are an active duty military servicemember domiciled outside California and you included your military compensation in income from all sources, you may file an amended return for tax years with an open statute of limitations. For more information, get FTB Pub. 1032 and Form 540X, Amended Individual Income Tax Return.

**Part-Year Residents** – Complete the Part-Year Resident Worksheet on page 10 to determine the amounts to enter on Part II, line 7 through line 22a, column E.

### Avoid Common Mistakes on this Schedule.

**Column A** – Copy the amounts from your federal tax return. Use the (a) amounts on line 8 and line 9 and the (b) amounts on line 15, line 16, and line 20, from your federal tax return. Form 1040, line 37, should equal Sch CA (540NR), line 37, column A.

**Column B (line 7 through line 21)** – Subtract income that is not taxable to a California resident such as California lottery winnings and social security benefits.

**Do not use column B to deduct** income that was earned while a nonresident of California or from sources outside of California. There **must** be a difference in state and federal tax law. Generally, if a full-year California resident cannot subtract the income in column B, a nonresident or part-year resident may not subtract the income in column B.

**Column C (line 7 through line 21)** – Add income that was not taxed on your federal tax return but is taxable to a California resident such as foreign income or interest/dividends from non-California municipal bonds.

**Column D** – Combine the columns (column A - column B + column C). Line 37, column D, should equal Long Form 540NR, line 17. The amounts in this column represent income earned from all sources as if you were a full-year California resident, after applying California and federal law differences.

**Column E** – Enter all income from all sources while a resident of California and income from California sources while a nonresident.

## Purpose

Use Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, to determine California taxable income by doing the following:

- Identify the domiciles and also, current and past residency information.
- Enter the amounts of income and deductions reported on your federal tax return.
- Adjust the income and deductions reported on your federal tax return for differences in California and federal law.
- Determine the portion of income reported on your federal tax return that was earned or received while you were a California resident.
- Determine the portion of income reported on your federal tax return that was earned or received from California sources while you were a nonresident.
- Determine your allowable standard deduction or itemized deductions.

## Specific Line Instructions for Part I Residency Information

Answer all the questions in this part for you and your spouse/RDP. If a question does not apply, enter "N/A" on the line for the answer. For more information get:

- FTB Pub. 1031, Guidelines for Determining Resident Status
- FTB Pub. 1032, Tax Information for Military Personnel

### Line 1 – Domicile and Military

If you served in the military, your state of domicile is generally the state where you were living when you first entered military service. If you were not in the military, your domicile is the place you consider your permanent home, the place to which you, whenever absent, intend to return.

### Line 5 – The Number of Days I Spent in California

The total number of days in California should include all days in California for any purpose including residency, business, and vacation.

## Specific Line Instructions for Part II Income Adjustment Schedule

### Column A — Federal Amounts

Enter all the amounts shown on your federal tax return on the corresponding lines in column A.

If married/RDP filing separately under either exception described in the instructions for Long Form 540NR, enter in column A the amounts you would have reported on a separate federal tax return. Attach a statement to the tax return showing how the income and expenses were split between you and your spouse/RDP.

### Line 7 through Line 21

Enter on line 7 through line 21 the same amounts you entered on federal Form 1040, line 7 through line 21; Form 1040A, line 7 through line 14b; Form 1040EZ, line 1, line 2, and line 3; or Form 1040NR, line 8 through line 21 for the same types of income.

### Line 22a – Total

Combine the amounts on line 7 through line 21. Enter the total on line 22a. This number should be the same as the amount on federal Form 1040, line 22; Form 1040A, line 15; Form 1040EZ, line 4; or Form 1040NR, line 23.

### Line 22b – Balance Carried Forward

Enter on line 22b the total from Side 1, line 22a, column A.

### Line 23 through Line 30 and Line 32 through Line 35

Enter the same amounts you entered on federal Form 1040, line 23 through line 30 and line 32 through line 35; Form 1040A, line 16 through line 19; or Form 1040NR, line 24 through line 34.

### Line 31a and Line 31b

Enter on line 31a the same amount entered on federal Form 1040, line 31a. Enter on line 31b the social security number (SSN) or individual taxpayer identification number (ITIN) and last name of the person to whom you paid alimony.

### Line 36

Add line 23 through line 31a and line 32 through line 35. This amount should be the same as the amount on federal Form 1040, line 36; Form 1040A, line 20; or Form 1040NR, line 35. However, if you made any of the adjustments described in the instructions for federal Form 1040, line 36, or if you claimed the foreign housing deduction from federal Form 2555, Foreign Earned Income, or Form 2555-EZ, Foreign Earned Income Exclusion, enter the amount from Form 1040, line 36 on this line.

If you used Form 1040NR and reported an amount on Form 1040NR, line 31 for excluded scholarship and fellowship grants, enter the amount from Form 1040NR, line 35 on this line.

### Line 37 – Total

Subtract line 36 from line 22b. This amount should be the same as the amount on federal Form 1040, line 37; Form 1040A, line 21; Form 1040EZ, line 4; or Form 1040NR, line 36.

## Column B and Column C — Subtractions and Additions

Use these columns to enter subtractions and additions to federal amounts in column A that are necessary because of the differences between California and federal law. Enter all amounts on line 7 through line 36 as positive numbers.

**Do not deduct** income that was earned while a nonresident of California or from sources outside of California. There **must** be a difference in tax law. Generally, if a California resident cannot subtract the income in column B, a nonresident or part-year resident may not subtract income from column B.

If you are a nonresident alien, use column B and column C to adjust federal AGI to include income from all sources, even if you were not required to report it on your federal tax return. California does not have special rules limiting total AGI from all sources to U.S. source or effectively connected income of nonresident aliens.

You may need one of the following FTB publications to complete column B and column C:

- 1001, Supplemental Guidelines to California Adjustments
- 1005, Pension and Annuity Guidelines
- 1031, Guidelines for Determining Resident Status
- 1032, Tax Information for Military Personnel
- 1100, Taxation of Nonresidents and Individuals Who Change Residency

To get forms and publications, go to [ftb.ca.gov](http://ftb.ca.gov) or see page 58 of your 2011 California 540NR Nonresident or Part-Year Resident Booklet.

### Line 7 – Wages, Salaries, Tips, etc.

Generally, no adjustments are made on this line. If you did not receive any of the following types of income, make no entry on this line in either column B or column C.

**Military pay adjustment.** Compensation for military service of a servicemember domiciled outside of California is exempt from California tax. It is excluded from adjusted gross income from all sources. For more information, get FTB Pub. 1032.

Active duty military servicemembers domiciled outside of California, may claim an adjustment for active duty military pay.

Make no entries in either column B or column C for interest earned on Federal National Mortgage Association (Fannie Mae) Bonds, Government National Mortgage Association (Ginnie Mae) Bonds, and Federal Home Loan Mortgage Corporations (FHLMC) securities, or grants paid to low-income individuals.

#### Line 11 – Alimony Received

#### Line 12 – Business Income or (Loss)

Adjustments to federal business income or loss you reported in column A generally are necessary because of the difference between California and federal law relating to depreciation methods, special credits, and accelerated write-offs. As a result, the recovery period or basis used to figure California depreciation may be different from the amount used for federal purposes.

Adjustments are figured on form FTB 3885A, Depreciation and Amortization Adjustments, and are most commonly necessary because of the following:

- **Before January 1, 1987**, California did not allow depreciation under the federal accelerated cost recovery system. Continue to figure California depreciation for those assets in the same manner as prior years.
- **On or after January 1, 1987**, California provides special credits and accelerated write-offs that affect the California basis of qualifying assets. Refer to the bulleted list below.

Use form FTB 3801, Passive Activity Loss Limitations, to figure the total adjustment for line 12 if you have:

- One or more passive activities that produce a loss.
- One or more passive activities that produce a loss **and** any nonpassive activity reported on federal Schedule C (Form 1040), Profit or Loss From Business.

#### Line 13 – Capital Gain or (Loss)

Generally, no adjustments are made on this line. California taxes long and short term capital gains as regular income. No special rate for long term capital gains exists. However, the California basis of the assets listed below may be different from the federal basis due to differences between California and federal laws. If there are differences, use Schedule D (540NR), California Capital Gain or Loss Adjustment, to calculate the amount to enter on line 13:

- Gain on the sale of qualified small business stock which qualifies for the gain exclusion under IRC Section 1202.
- Basis amounts resulting from differences between California and federal law in prior years.

#### Line 14 – Other Gains or (Losses)

Generally, no adjustments are made on this line. However, the California basis of your other assets may differ from your federal basis due to differences between California and federal law. Therefore, you may have to adjust the amount of other gains or losses. Get Schedule D-1, Sales of Business Property, for more information.

#### Line 15 – IRA Distributions

**Beginning with tax year 2002, calculate your IRA basis as if you were a California resident for all prior years.** Generally, no adjustments are made on this line. However, there may be significant differences in the taxable amount of a distribution (including a distribution from conversion of a traditional IRA to a Roth IRA) depending on when you made your IRA contributions. California did not conform to the \$2,000 or 100% of compensation annual contribution limit permitted under federal law from 1982 through 1986. During these years, California limited the deduction to the lesser of 15% of compensation or \$1,500 and disallowed a deduction altogether to individuals who were active participants in qualified government plans. Any amount an individual contributed in excess of California deduction limits during these years creates a basis in the IRA.

Differences also occur if your California IRA deductions were different from your federal deductions because of differences between California and federal self-employment income.

If the taxable amount using California law is:

- Less than the amount taxable under federal law, enter the difference in column B.
- More than the amount taxable under federal law, enter the difference in column C.

Get FTB Pub. 1005, for more information and worksheets for figuring the adjustment to enter on this line, if any.

You may have to pay an additional tax if you received a taxable distribution from a qualified retirement plan before reaching age 59½ and the distribution was not rolled over into another qualified plan. See Long Form 540NR, line 73 instructions; or form FTB 3805P.

**Line 17 – Rental Real Estate, Royalties, Partnerships, S Corporations, Trusts, etc.**

For more information, see the instructions for Schedule CA (540NR), column B and column C, line 12.

If you are active duty military and not domiciled in California and your IRA deduction was limited because of a federal AGI limitation, recalculate your deduction excluding your active duty military pay. If the recalculated amount is larger than the amount on line 32, column A, enter the difference between the two amounts in column C, line 36. Enter the amount and "MPA Adjustment" on the dotted line next to line 36.

#### Line 37 – Total

Subtract line 36 from line 22b in column B and column C. Enter the totals on this line in the appropriate column. These amounts should be the same as Long Form 540NR, line 14 and line 16, respectively.

In some cases the total on line 37 in column B or column C will be a negative number. Read the caution note when you get to line 37, column E.

## Column D — Total Amounts Using California Law

Use this column to show the amount remaining after adjustments (subtractions or additions).

For each line, 7 through 37:

1. Subtract the amounts in column B from the amounts in column A.
2. Add the amounts in column C to the result of the calculation made in 1 above.
3. Enter the total in column D.

#### Line 21 – Other Income

If you made any adjustments on line 21 in column B or column C:

- Step 1 Add the adjustments in column B, lines a, b, d, e, and f.
- Step 2 Subtract that total from line 21, column A.
- Step 3 Add the adjustments in column C, lines c and f.
- Step 4 Add that total to the result of Step 2; then continue as instructed above for all other lines.

The total on line 37, column D should be the same as the amount on Long Form 540NR, line 17.

## Column E — California Amounts

Column E is used to show how much of the amount of income reported on Schedule CA (540NR), column D is taxable by California. The taxable amount depends on your residency status.

- **Full-year California resident:** A resident is taxed on all income from all sources, including income from sources outside California. Follow the "California Resident Amounts" instructions for each line below. Full-year residents use Long Form 540NR if filing jointly with a spouse/RDP who is a nonresident or a part-year resident.
- **Full-year nonresident:** A nonresident is only taxed on income derived from California sources. Follow the "California Nonresident Amounts" instructions for each line below.
- **Part-year resident:** A part-year resident is taxed on all income from all sources while a resident and only on income derived from California sources while a nonresident. Follow the instructions as stated in the Part-Year Resident Worksheet instructions on page 10.

Refer to instructions for each line below to be sure you are including the correct amounts.

#### Line 7 – Wages, Salaries, Tips, Etc.

**California resident amounts** – Enter the wages, salaries, tips, or other compensation that you received while a California resident. Active duty military personnel, who are domiciled in California and stationed in California, report their military income here (get FTB Pub. 1032 for more information).

**California nonresident amounts** – If you worked in California while a nonresident, enter the wages, salaries, tips, or other compensation received for those California services.

#### Line 8 – Taxable Interest

**California resident amounts** – Enter the interest income received while a California resident.

**California nonresident amounts** – Enter the interest income received while a nonresident from an account or security that was used in a trade or business or was pledged as security for a loan, the proceeds of which were used in a trade or business located in California.

#### Line 9 – Ordinary Dividends

**California resident amounts** – Enter the ordinary dividends received while a California resident.

**California nonresident amounts** – Enter the ordinary dividends received while a nonresident from an account or security that was used in a trade or business or was pledged as security for a loan, the proceeds of which were used in a trade or business located in California.

#### Line 11 – Alimony Received

**California resident amounts** – Enter the alimony received while a California resident.

**California nonresident amounts** – Alimony received by a nonresident is not taxable.

#### Line 12 – Business Income or (Loss)

**California resident amounts** – Enter the total profits or losses (including losses allowed from passive activities) from all businesses conducted while a California resident.

**California nonresident amounts** – Enter the total amount of profits or losses (including losses allowed from passive activities) from all businesses conducted in California while a nonresident of California.

If, as a nonresident, you derived income from a business, trade, or profession conducted partly within California and partly outside California, only income from the part conducted within California is considered California source income that you must report in column E. If there is any business relationship between the parts within and outside California (flow of goods, etc.), apportion the gross income or loss from the entire business. To determine the portion of income or loss from businesses engaged in multistate activities that you must report, use the apportionment formula described in Schedule R, Apportionment and Allocation of Income.

#### Line 13 – Capital Gain or (Loss)

**California resident amounts** – Enter capital gains and losses from all sources while a California resident.

**California nonresident amounts** – Enter capital gains and losses from sources within California while a nonresident. Complete Schedule D (540NR) Worksheet for Nonresidents and Part-Year Residents, to compute this amount.

**Part-year resident amounts** – Complete Schedule D (540NR) Worksheet for Nonresidents and Part-Year Residents. Enter the amount from column E, line 4 (if there is an overall gain) or line 5 (if there is a loss) of that worksheet on the Part-Year Resident Worksheet, line 13, column C.

#### Line 14 – Other Gains or (Losses)

**California resident amounts** – Enter gains and losses (including losses allowed from passive activities) from all sources while a resident.

**California nonresident amounts** – Enter gains and losses from sources within California while a nonresident.

#### Line 15 – IRA Distributions (Taxable Amount)

**California resident amounts** – Enter the taxable portion of the IRA distributions received while a California resident. Include regular distributions, premature distributions, and any other money or property received from your IRA account or annuity.

For more information on traditional, Coverdell ESA, and Roth IRAs, get FTB Pub. 1005.

If this amount is a premature distribution and you owed the early distribution tax on your federal tax return, you generally owe this tax to California. Get form FTB 3805P, to figure any additional tax due on this amount.

**California nonresident amounts** – IRA distributions received by a nonresident are not taxable.

#### Line 16 – Pensions and Annuities (Taxable Amount)

**California resident amounts** – Enter the portion of taxable pension and annuity income received while a resident of California.

If this amount is a premature distribution and you owed the early distribution tax on your federal tax return, you generally owe this tax to California. Get form FTB 3805P to figure any additional tax due on this amount.

**California nonresident amounts** – Qualified retirement distributions received by a nonresident are not taxable.

For more information, get FTB Pub. 1005.

#### Line 17 – Rental Real Estate, Royalties, Partnerships, S Corporations, Trusts, Etc.

**California resident amounts** – Enter your profit or loss (including losses allowed from passive activities) from all rents, royalties, partnerships, S corporations, LLCs, estates, and trusts that accrued while a California resident.

**California nonresident amounts** – Enter your profit or loss related to property or business located in California while a nonresident of California. Your Schedule K-1 (100S, 541, 565, or 568) will indicate the amount of S corporation, estate, trust, partnership, or LLC profit or loss derived from California sources.

**Part-year resident amounts** – Allocate income between the period of residency and the period of non residency in a manner that reflects the actual date of realization of partnership, S corporation, and certain trust income. In the absence of information that reflects the actual date of realization, the taxpayer allocates an annual amount on a proportional basis between the two periods, using a daily pro-rata methodology. For more information, get FTB Pub. 1100.

**Line 18 – Farm Income or (Loss)**

**California resident amounts** – Enter profit or loss (including losses allowed from passive activities) from all farming activity while a California resident.

**California nonresident amounts** – Enter profit or loss (including losses allowed from passive activities) for farming activity conducted in California while a nonresident of California.

**Line 21 – Other Income**

Identify the type of income reported in the space provided. If there is more than one item to report on line 21f, attach a statement that lists each item and enter the total of all individual items in column E.

**Line 22a – Total**

Add line 7 through line 21 in column E. Enter the result on this line.

**Line 22b – Balance Carried Forward**

Enter the total from Side 1, line 22a, column E on this line.

**Line 26 – Moving Expenses**

California law and federal law are the same for moving expenses. If you moved:

- Into California in connection with your new job, enter the amount from line 26, column A, in line 26, column E.
- Out of California in connection with your new job, enter -0- on line 26, column E.

**Exception:** If you moved out of California in connection with your new job and received compensation from that job attributable to a California source, your moving expense adjustment will be limited by the ratio of California source compensation from the new job to total compensation from the new job.

**Line 27 – One-half of Self-Employment Tax**

If you claimed a deduction in column A for self-employment tax paid, your California deduction is limited to a percentage of the federal deduction. That percentage is the ratio of:

$$\frac{\begin{array}{l} \text{Self-employment} \\ \text{income reported} \\ \text{in column A} \\ \text{from all sources} \\ \text{while a CA resident} \end{array} + \begin{array}{l} \text{Self-employment} \\ \text{income reported} \\ \text{in column A} \\ \text{from CA sources} \\ \text{while a nonresident} \end{array}}{\begin{array}{l} \text{Total self-employment income} \\ \text{reported in column A} \end{array}} = \text{California ratio}$$

Multiply your federal deduction by the California ratio described above and enter the result on line 27, column E. If the California ratio is greater than 1.00, enter the amount from line 27, column D on line 27, column E. If the California ratio is less than zero, enter -0- on line 27, column E.

**Line 28 and Line 32 – IRA, Keogh, SEP, and SIMPLE Deduction**

The amount of the California deduction for IRA, Keogh, SEP, and SIMPLE contributions is the same as the federal deduction. However, the California deduction may be limited by California compensation or by California self-employment income.

**Example:** Susan moved into California on December 1. She made contributions to her IRA and claimed a deduction of \$2,000 on her federal tax return. Her California wages were \$500. Her allowable deduction is the lesser of:

- The federal deduction of \$2,000.
- The California compensation of \$500.

Therefore, she enters \$500 on line 28, column E. She will make no entry in column B or column C.

Keogh, SEP, and SIMPLE deductions are limited to a percentage of the federal deduction.

$$\frac{\begin{array}{l} \text{Self-employment income} \\ \text{reported in column E} \end{array}}{\begin{array}{l} \text{Total self-employment} \\ \text{income reported} \\ \text{in column D} \end{array}} = \text{California ratio}$$

Multiply federal deductions by the California ratio described above and enter the result on line 28, column E. If the California ratio is greater than 1.00, enter the amount from line 28, column D on line 28, column E. If the California ratio is less than zero, enter -0- on line 28, column E.

Get FTB Pub. 1005 for more information.

**Line 29 – Self-Employed Health Insurance Deduction**

If you claimed a deduction in column A for payments you made to a health insurance plan while you were self-employed, your California deduction is limited to a percentage of the federal deduction. That percentage is the ratio of:

$$\frac{\begin{array}{l} \text{Total self-employment income} \\ \text{reported in column E} \end{array}}{\begin{array}{l} \text{Total self-employment income} \\ \text{reported in column D} \end{array}} = \text{California ratio}$$

Multiply your federal deduction on line 29, by the California ratio described above and enter the result on line 29, column E. If the California ratio is greater than 1.00, enter the amount from line 29, column D on line 29, column E. If the California ratio is less than zero, enter -0- on line 29, column E.

**Line 30 – Penalty on Early Withdrawal of Savings**

Enter the interest penalties charged while a California resident.

**Line 31a – Alimony Paid**

If you claimed a deduction in column D for alimony payments, first compute your California ratio:

$$\frac{\begin{array}{l} \text{California AGI (line 37, column E)} \\ \text{(without the alimony deduction)} \end{array}}{\begin{array}{l} \text{Total AGI (line 37, column D)} \\ \text{(without the alimony deduction)} \end{array}} = \text{California ratio}$$

**California nonresident amounts** – Multiply the deduction (line 31a, column D) by the California ratio (see above) and enter the amount in line 31a, column E. If the California ratio is greater than 1.00, enter the amount from line 31a, column D on line 31a, column E. If the California ratio is less than zero, enter -0- on line 31a, column E.

**Part-year resident amounts** – Multiply the alimony paid while a nonresident by the California ratio (see above) to determine the nonresident portion. If the California ratio is greater than 1.00, use 1.00 for the California ratio. If the California ratio is less than zero, your nonresident portion of alimony paid is zero. Add the nonresident portion of alimony paid to the alimony paid while a resident. Enter the total in line 31a, column E.

**Line 36**

Add line 23 through line 31a and line 32 through line 35 in column E. Enter the result on this line.

**Line 37 – Total**

Subtract line 36 from line 22b in column E. This is your California adjusted gross income (AGI). Enter the result on this line. Also enter this amount on line 45.

Also, transfer the amount from:

- Line 37, column B to Long Form 540NR, line 14. If column B is a negative number, transfer the amount as a positive number to Long Form 540NR, line 16.
  - Line 37, column C to Long Form 540NR, line 16. If column C is a negative number, transfer the amount as a positive number to Long Form 540NR, line 14.
  - Line 37, column E to Long Form 540NR, line 32.
- If you plan to itemize deductions, go to Part III.

**Specific Line Instructions for Part III Adjustments to Federal Itemized Deductions**

**Line 38 – Federal Itemized Deductions**

Enter the total amount of itemized deductions from your federal Schedule A (Form 1040), Itemized Deductions, line 29 or Schedule A (Form 1040NR), lines 1, 5, 6, 13, and 14.

Nonresident military servicemembers domiciled outside of California exclude military pay from federal AGI when calculating threshold limits for the following federal Schedule A (Form 1040) items: medical and dental expenses, gifts to charity, casualty and theft losses, and job expenses and most other miscellaneous deductions. Recalculate these amounts using the modified federal AGI amount. Subtract military pay from federal AGI, and then recalculate itemized deductions using the new threshold limits. Enter the recalculated Schedule A (Form 1040), total itemized deductions on Schedule CA (540NR), line 38.

**Important:** If you did not itemize deductions on your federal tax return but will itemize deductions on your California tax return, first complete federal Schedule A (Form 1040). Then complete Schedule CA (540NR), Part III, line 38 through line 44. Attach a copy of federal Schedule A (Form 1040) to your Long Form 540NR.

**Line 39 – State, Local, and Foreign Income Taxes, and General Sales Tax**

Add the following amounts from federal Schedule A (Form 1040) and enter on line 39:

- Line 5, state and local income tax (including limited partnership tax and income or franchise tax paid by corporations), and State Disability Insurance (SDI) or state and local general sales tax.
- Line 8, foreign income taxes or Schedule A (Form 1040NR), line 1.

**Line 41 – Other Adjustments**

**Adoption-related expenses** – If you deducted adoption-related expenses on your federal Schedule A (Form 1040) and are claiming the adoption cost credit on your Long Form 540NR, enter the amount of the adoption cost credit claimed as a negative number on line 41.

**Mortgage interest credit** – If you reduced your federal mortgage interest deduction by the amount of your mortgage interest credit (from federal Form 8396, Mortgage Interest Credit), increase your California itemized deductions by the same amount. Enter the amount of your federal mortgage interest credit as a positive number on line 41.

**Nontaxable income expenses** – If, on federal Schedule A (Form 1040), you claim expenses related to producing income taxed under federal law but not taxed by California, enter the amount as a negative number on line 41.

You may claim expenses related to producing income taxed by California law but not taxed under federal law by entering the amount as a positive number on line 41.

**Employee business expense** – If you completed federal Form 2106 or Form 2106-EZ, prepare a second set of forms reflecting your employee business expense using California amounts (i.e., following California law).

Generally, California law conforms with federal law and no adjustment is needed. However, differences occur when:

- Assets (requiring depreciation) were placed in service before January 1, 1987. Figure the depreciation based on California law.
- Federal employees were on temporary duty status. California does not conform to the federal provision that expanded temporary duties to include prosecution duties, in addition to investigative duties. Therefore, travel expenses paid or incurred in connection with temporary duty status (exceeding one year), involving the prosecution (or support of the prosecution) of a federal crime, should not be included in the California amount.

Compare federal Form 2106, line 10 or Form 2106-EZ, line 6 and the form completed using California amounts. If the federal amount is larger, enter the difference as a negative number on line 41. If the California amount is larger, enter the difference as a positive number on line 41.

**Investment interest expense** – Your California deduction for investment interest expense may be different from your federal deduction. Use form FTB 3526, Investment Interest Expense Deduction, to figure the amount to enter on line 41.

**Gambling losses** – California Lottery losses are not deductible for California. Enter the amount of California Lottery losses shown on federal Schedule A (Form 1040) as a negative number on line 41.

**Federal estate tax** – Federal estate tax paid on income in respect of a decedent is not deductible for California. Enter the amount of federal estate tax shown on federal Schedule A (Form 1040) as a negative number on line 41.

**Generation skipping transfer tax** – Tax paid on generation skipping transfers is not deductible under California law. Enter the amount of expenses shown on federal Schedule A (Form 1040) as a negative number on line 41.

**State legislator’s travel expenses** – Under California law, deductible travel expenses for state legislators include only those incurred while away from their places of residence overnight. Figure the difference between the amount allowed using federal law and the amount allowed using California law. Enter the difference as a negative number on line 41.

**Qualified charitable contributions** – Your California deduction may be different from your federal deduction. California limits the amount of your deduction to 50% of your federal adjusted gross income. Figure the difference between the amount allowed using federal law and the amount allowed using California law. Enter the difference as a negative number on line 41.

**Charitable contribution carryover deduction** – If deducting a prior year charitable contribution carryover, and the California carryover is larger than the federal carryover, enter the additional amount as a positive number on line 41.

**Health savings account (HSA) distributions** – If you received a tax-free HSA distribution for qualified medical expenses, enter the qualified expenses paid that exceed 7.5% of federal AGI as an adjustment to itemized deductions. To determine the amount of the itemized deduction adjustment:

- Calculate the medical expense deduction for California.

- Calculate the medical expense deduction for federal.
- Subtract the federal amount from the California amount. Enter the amount on line 41, as a positive amount.

**Carryover deduction appreciated stock contributed to a private foundation prior to January 1, 2002** – If deducting a charitable contribution carryover of appreciated stock donated to a private operating foundation made prior to January 1, 2002, and the fair market value allowed for federal purposes is larger than the basis allowed for California purposes, enter the difference as a negative number on line 41.

**Interest on loans from utility companies** – Taxpayers are allowed a tax deduction for interest paid or incurred on a public utility company financed loan that is used to purchase and install energy efficient equipment or products, including zone-heating products for a qualified residence located in California. Federal law has no equivalent deduction. Enter the amount as a positive number on line 41.

**Private mortgage insurance (PMI)** – If you took the deduction on federal Schedule A (Form 1040), line 13, then subtract the same amount on line 41.

**Claim of right** – If you had to repay an amount that you included in your income in an earlier year, because at the time you thought you had an unrestricted right to it, you may be able to deduct the amount repaid from your income for the year in which you repaid it. Or, if the amount you repaid is more than \$3,000, you may take a credit against your tax for the year in which you repaid it, whichever results in the least tax.

If the amount repaid was not taxed by California, then no deduction or credit is allowed.

If you claimed a credit for the repayment on your federal tax return and are deducting the repayment for California, enter the allowable deduction as a positive amount on Schedule CA (540NR), line 41. Deductions of \$3,000 or less are subject to the 2% federal AGI limit.

If you deducted the repayment on your federal tax return and are taking a credit for California, enter the amount of the federal deduction as a negative amount on Schedule CA (540NR), line 41. To help you determine whether to take a credit or deduction, see the Repayment section of federal Publication 525, Taxable and Nontaxable Income. Remember to use the California tax rate in your computations. If you choose to take the credit instead of the deduction for California, add the credit amount on line 85, the total payment line, of the Long Form 540NR. To the left of the total, write “IRC 1341” and the amount of the credit.

**Line 43 – California Itemized Deductions**

Is the amount on Long Form 540NR, line 13 more than the amount shown below for your filing status?

Single or married/RDP filing separately	.....	\$166,565
Head of household	.....	\$249,852
Married/RDP filing jointly or qualifying widow(er)	.....	\$333,134

**NO** Transfer the amount from line 42 to line 43. Do not complete the worksheet on the following page.

**YES** Complete the Itemized Deductions Worksheet on the following page.

**Note:**

- If you are married/RDP and file a separate tax return, you and your spouse/RDP must either both itemize your deductions or both take the standard deduction.
- Also, if someone else can claim you as a dependent, claim the greater of the standard deduction or your itemized deductions. See the “California Standard Deduction Worksheet for Dependents” on page 17 of your California 540NR Booklet to figure your standard deduction.
- Military pay of a servicemember domiciled outside of California cannot be used to reduce the amount of this deduction. Modify your federal adjusted gross income used to compute this limitation by subtracting your military pay from federal adjusted gross income.

**Specific Line Instructions for Part IV California Taxable Income**

**Line 45 – California AGI**

Enter your California AGI from line 37, column E.

**Line 47 – Deduction Percentage**

## Instructions for California Schedule D (540NR)

### California Capital Gain or Loss Adjustment

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2009**, and to the California Revenue and Taxation Code (R&TC).

#### General Information

In general, for taxable years beginning on or after January 1, 2010, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2009. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California registered domestic partner (RDP), unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

#### Purpose

Full-year nonresidents or part-year residents report gains and losses as if they were full-year residents for the entire year using California amounts. Therefore, all gains and losses must be reported. Full-year nonresidents or part-year residents complete Schedule D (540NR), California Capital Gain or Loss Adjustment, and the Schedule D (540NR) Worksheet for Nonresident and Part-Year Residents, in order to complete column E on Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents.

For nonresidents, the computation of California taxable income, capital loss carryovers, and capital loss limitations are determined based upon California source income and loss items only. For purposes of calculating California taxable income, the character of gains and losses on the sale or exchange of property used in the trade or business or certain involuntary conversions (IRC Section 1231) are determined by netting California sourced Section 1231 gains and losses only.

If you moved in or out of California during the year, get FTB Pub.1100, Taxation of Nonresidents and Individuals Who Change Residency.

Get FTB Pub. 1001, for more information about the following:

- Disposition of property inherited before 1987.
- Gain on the sale or disposition of a qualified assisted housing development to low-income residents or to specific entities maintaining housing for low-income residents.
- Capital loss carryback.

California law does not conform to federal law changes in regards to the increase in the percentage of the gain exclusion for the sales of qualified small business stock acquired after February 17, 2009. California law allows an exclusion of 50% of any gain from the sale or exchange of qualified small business stock held for more than 5 years. For California purposes, 80% of the issuing corporation's payroll must be attributable to employment located within California (at time of issuance) Also, at least 80% of the value of the corporation's assets must be used by the corporation to actively conduct one or more qualified trades or businesses.

R&TC Section 18038.5 also provides for the deferral of gain from the sale of small business stock that has been held for six months or more, if qualified replacement stock is purchased within 60 days after the sale giving rise to the gain. Report gain deferred from the sale of qualified small business stock in accordance with the instructions contained in Revenue Procedure 98-48.

For more information, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **qsbs**

**Installment Sales.** If you sold property at a gain (other than publicly traded stocks or securities) and you will receive a payment in a tax year after the year of sale, report the sale on the installment method unless you elect not to do so. Get form FTB 3805E, Installment Sale Income. Also, use that form if you received a payment in 2011, for an installment sale made in an earlier year.

You may elect to not use the installment sale method for California by reporting the entire gain on Schedule D (540NR) (or Schedule D-1, Sale of Business Property, for business assets) in the year of the sale and filing your return on or before the due date.

**At-Risk Rules and Passive Activity Limitations.** If you dispose of (1) an asset used in an activity to which the at-risk rules apply, or (2) any part of your interest in an activity to which the at-risk rules apply, and you have amounts in the activity for which you are not at risk, get and complete federal Form 6198, At-Risk Limitations, using California amounts to figure your California deductible loss under the at-risk rules. Once a loss becomes allowable under the at-risk rules, it becomes subject to the passive activity rules. Get form FTB 3801, Passive Activity Loss Limitations.

## Specific Line Instructions

### Line 1a – List each capital asset transaction.

**Column (a) – Description of Property.** Describe the asset you sold or exchanged.

**Column (b) – Sales Price.** Enter in this column either the gross sales price or the net sales price. If you received a Form 1099-B, Proceeds From Broker and Barter Exchange Transactions; Form 1099-S, Proceeds From Real Estate Transactions; or similar statement showing the gross sales price, enter that amount in column (b). However, if box 2 of Form 1099-B indicates that gross proceeds less commissions and option premiums were reported to the IRS, enter that net amount in column (b). If you entered the net amount in column (b), **do not** include the commissions and option premiums in column (c).

**Column (c) – Cost or Other Basis.** In general, the cost or other basis is the cost of the property plus purchase commissions and improvements, minus depreciation, amortization, and depletion. Enter the cost or adjusted basis of the asset for California purposes. Use your records and California tax returns for years before 1987 to determine the California amount to enter in column (c). If you used an amount other than cost as the original basis, your federal basis may be different from your California basis. Other reasons for differences include:

- **Depreciation Methods and Property Expensing** – Before 1987, California law disallowed the use of accelerated cost recovery system (ACRS) and disallowed the use of an asset depreciation range 20% above or below the standard rate. Before 1999, California had different limits on the expensing of property under IRC Section 179. California law permits rapid write-off of certain property such as solar energy systems, pollution control devices, and property used in an Enterprise Zone, LAMBRA, Targeted Tax Area, or Los Angeles Revitalization Zone (LARZ).
- **Inherited Property** – The California basis of property inherited from a decedent is generally fair market value (FMV) at the time of death.
- **S Corporation Stock** – Prior to 1987, California law did not recognize S corporations and your California basis in S corporation stock may differ from your federal basis. In general, your California basis will be cost-adjusted for income, loss, and distributions received after 1986, while your stock was California S corporation stock. Your federal basis will be cost-adjusted for income, loss, and distributions received during the time your stock qualified for federal S corporation treatment. Effective for taxable years beginning on or after January 1, 2002, any corporation with a valid federal S corporation election is considered an S corporation for California purposes. Existing law already requires federal C corporations to be treated as C corporations for California purposes.

- **Special Credits** – California law authorizes special tax credits not allowed under federal law or computed differently under federal law. If you claimed special credits related to capital assets, reduce your basis in the assets by the amount of credit.

Other adjustments may apply differently to the federal and California basis of your capital assets. Figure the original basis of your asset using the California law in effect when the asset was acquired, and adjust it according to provisions of California law in effect during the period of your ownership.

**Line 1b – R&TC Section 18152.5 Exclusion.** If the gain qualifying for the IRC Section 1202 exclusion also qualifies for the California exclusion under R&TC Section 18152.5: Enter in column (a) “Section 18152.5 Exclusion.” Complete column (b) and column (c) according to the instructions for line 1a. Enter in column (d) the amount of gain that qualifies for the California exclusion. Enter in column (e) the entire gain realized. **If the gain qualifying for the IRC Section 1202 exclusion does not qualify for the California exclusion:** Complete column (a), column (b), and column (c) according to the instructions for line 1a. Enter -0- in column (d) and enter the entire gain realized in column (e).

**Line 2 – Net Gain or (Loss) Shown on California Schedule(s) K-1 (100S, 541, 565, and 568).** Combine gain(s) and loss(es) from all California Schedule(s) K-1 (100S, 541, 565, and 568), Share of Income, Deductions, Credits, etc. See California Schedule K-1 (100S, 541, 565, and 568) instructions for more information on capital gains and losses. Enter the net loss on line 2, column (d) or the net gain on line 2, column (e).

**Line 3 – Capital Gain Distributions.** If you receive federal Form 2439, Notice to Shareholder of Undistributed Long-Term Capital Gains, from a mutual fund, do not include the **undistributed** capital gain dividends on Schedule D (540NR). If you receive federal Form 1099-DIV, Dividends and Distributions, enter the amount of **distributed** capital gain dividends.

**Line 6 – 2010 California Capital Loss Carryover.** If you had California capital loss carryover from 2010, recalculate those losses as if you had been a resident for all prior years. Enter this amount on line 6. Get FTB Pub. 1100 for more information.

**Line 8 – Net Gain or Loss.** If the amount on line 4 is more than the amount on line 7, subtract line 7 from line 4. Enter the difference as a gain on line 8.

If the amount on line 7 is more than the amount on line 4, subtract line 4 from line 7 and enter the difference as a negative amount on line 8.

Use the worksheet on the next page to figure your capital loss carryover to 2012.

**Line 9** – If line 8 is a net capital loss, enter the smaller of the loss on line 8 or \$3,000 (\$1,500 if married or an RDP filing a separate return).

**Line 12a** – Compare the amounts entered on line 10 and line 11 to figure the adjustment to enter on Schedule CA (540NR), line 13, column B.

#### For example:

##### Loss on line 10 is less than loss on line 11.

Federal loss on line 10 is . . . . .	(\$1,000)

**Line 12b** – Compare the amounts entered on line 10 and line 11 to figure the adjustment to enter on Schedule CA (540NR), line 13, column C.

#### For example:

##### Loss on line 10 is more than loss on line 11.

Federal loss on line 10 is . . . . .	(\$2,000)
California loss on line 11 is . . . . .	(\$1,000)
Difference between line 11 and line 10 . . . . .	\$1,000

##### Loss on line 10 and gain on line 11.

Federal loss on line 10 is . . . . .	(\$2,000)
California gain on line 11 is . . . . .	\$5,000
Difference between line 10 and line 11 . . . . .	\$7,000

## Payment for Automatic Extension for Individuals

### General Information

**Mandatory Electronic Payments** – You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original return with a total tax liability over \$80,000 for any taxable year that begins on or after January 1, 2009. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically will be subject to a one percent noncompliance penalty. Electronic payments can be made using Web Pay on the Franchise Tax Board's (FTB's) website, electronic funds withdrawal (EFW) as part of the e-file return, or your credit card. For more information or to obtain the waiver form, go to [ftb.ca.gov](http://ftb.ca.gov) and search for **mandatory e-pay**.

Use form FTB 3519, Payment for Automatic Extension for Individuals, **only** if both of the following apply:

- You cannot file your 2011 return by April 17, 2012. Due to the Emancipation Day holiday on April 16, 2012, tax returns filed and payments mailed or submitted on April 17, 2012, will be considered timely. **Note:** Fiscal Year Filers, your return is due the 15th day of the 4th month following the close of your fiscal year.
- You owe tax for 2011.

When you file your 2011 return, you can **e-file** or **CalFile**. Go to [ftb.ca.gov](http://ftb.ca.gov) and search for **e-file options**. If you use form FTB 3519, you **may not** file Form 540 2EZ or Short Form 540NR.

Use the worksheet below to determine if you owe tax. If you **do not** owe tax, **do not** complete or mail form FTB 3519. However, file your return by October 15, 2012. If you owe tax, choose one of the following payment options:

- Web Pay:** To make a payment online or to schedule a future payment (up to one year in advance), go to [ftb.ca.gov](http://ftb.ca.gov) and search for **web pay**. **Do not** mail form FTB 3519 to the FTB.

- Credit Card:** Use your major credit card. Call 800.272.9829 or go to [officialpayments.com](http://officialpayments.com), use code 1555. Official Payments Corp. charges a convenience fee for using this service. **Do not** mail form FTB 3519 to the FTB.
- Check or Money Order:** Using black or blue ink, complete your check or money order and the payment form below, mail both to the "Franchise Tax Board." Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

### Penalties and Interest

If you fail to pay your total tax liability by April 17, 2012, you will incur a late payment penalty plus interest. If you pay at least 90% of the tax shown on the return by the original due date of the return, we will waive the penalty based on reasonable cause. However, the imposition of interest is mandatory. If, after April 17, 2012, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest. Pay your additional tax with another form FTB 3519. If you do not file your tax return by October 15, 2012, you will incur a late filing penalty plus interest from the original due date of the return. For Fiscal Year Filers, your tax return is due the 15th day of the 10th month following the close of your fiscal year.

### Taxpayers Residing or Traveling Outside the USA

If you are residing or traveling outside the USA on April 17, 2012, the deadline to file your return and pay the tax is June 15, 2012. Interest will accrue from the original due date until the date of payment. If you need additional time to file, you will be allowed a six-month extension without filing a request. To qualify for the extension, file your tax return by December 17, 2012. To avoid any late-payment penalties, pay your tax liability by June 15, 2012. When filing your tax return, attach a statement to the front indicating that you were "Outside the USA on April 17, 2012."

Instructions for Form FTB 3885A Depreciation and Amortization Adjustments

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2009, and to the California Revenue and Taxation Code (R&TC).

General Information

In general, for taxable years beginning on or after January 1, 2010, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2009. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for conformity. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

Purpose

Use form FTB 3885A, Depreciation and Amortization Adjustments, only if there is a difference between the amount of depreciation and amortization allowed as a deduction using California law and the amount allowed using federal law. California law and federal law have not always allowed the same depreciation methods, special credits, or accelerated write-offs. As a result, the recovery periods or the basis on which the depreciation is figured for California may be different from the amounts used for federal purposes. You will probably have reportable differences if all or part of your assets were placed in service:

- Before January 1, 1987. California disallowed depreciation under the federal accelerated cost recovery system (ACRS). Continue to figure California depreciation for those assets in the same manner as in prior years for those assets.
• On or after January 1, 1987. California provides special credits and accelerated write-offs that affect the California basis of qualifying assets. California did not conform to all changes to federal law enacted in 1993; therefore, the California basis or recovery periods may be different for some assets.
• On or after September 11, 2001. If you claimed the 30% additional depreciation for federal purposes, California has not conformed to the

federal Job Creation and Worker Assistance Act of 2002 which allows taxpayers to take an additional first year depreciation deduction and Alternative Minimum Tax depreciation adjustment for property placed in service after September 10, 2001.

Get FTB Pub. 1001 for more information on differences between California and federal law for the following items:

- Amortization of certain intangibles (IRC Section 197)
- Qualified Indian Reservation property
- Grapevines subject to Phylloxera or Pierce's disease
- Additional depreciation (IRC Section 168(k))
- Startup expenses (IRC Section 195)
- Asset expense election (IRC Section 179)

California generally conforms to the federal 2003 increase (IRC Section 280F) for the limitation on luxury automobile depreciation. In addition, SUVs and minivans built on a truck chassis are included in the definition of trucks and vans when applying the 6,000 pound gross weight limit. However, California does not conform to the federal increase to first-year depreciation for qualified vehicles placed in service in 2010.

Differences may also occur for other less common reasons, and the instructions for Schedule CA (540 or 540NR) list them on the line for the type of income likely to be affected. Get FTB Pub. 1001 for more information about figuring and reporting these adjustments.

If reporting a difference for assets related to a passive activity, get form FTB 3801, Passive Activity Loss Limitations, for more information about passive activities.

**Do not** use form FTB 3885A to report depreciation expense from federal Form 2106, Employee Business Expenses. Instead, see the instructions for Schedule CA (540 or 540NR), line 41.

## Specific Line Instructions

Prepare and file a separate form FTB 3885A for each business or activity on your return that has a difference between California and federal depreciation or amortization. Enter the name of the business or activity in the space provided at the top of the form. If you need more space, attach additional sheets. However, complete Part II, Election to Expense Certain Tangible Property (IRC Section 179), only once.

### Part I Identify the Activity as Passive or Nonpassive

**Line 1** – Check the box to identify the activity as passive or nonpassive. A passive activity is any activity involving the conduct of any trade or business in which you did not materially participate. Get form FTB 3801 for more information.

If the activity is passive, use this form as a worksheet to figure the depreciation adjustment to carry to form FTB 3801. Beginning in 1994, and for federal purposes only, rental real estate activities of persons in real property business are not automatically treated as passive activities. California did not conform to this provision.

### Part II Election To Expense Certain Tangible Property

If you qualify, you may elect to expense part of the cost of depreciable personal property used in your trade or business and certain other property described in federal Publication 946, How to Depreciate Property. To qualify, you must have purchased property, as defined in the IRC Section 179(d)(2), and placed it in service during 2011, or have a carryover of unused cost from 2010. If you elect this deduction, you must reduce your California depreciable basis by the IRC Section 179 expense.

Although federal law increased the IRC Section 179 expense to \$500,000, under California law, the maximum deduction allowed for 2011 is \$25,000.

Complete the worksheet in the next column to figure IRC Section 179 expense for California. Include all assets qualifying for the deduction because the limit applies to all qualifying assets as a group rather than to each asset individually. **Refer to federal Form 4562, Depreciation and Amortization, for more information.**
