

2013 Instructions for Form 541

California Fiduciary Income Tax Return

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2009**, and to the California Revenue and Taxation Code (R&TC).

What's New

e-filing – The Franchise Tax Board (FTB) offers e-filing for fiduciaries filing Form 541, California Fiduciary Income Tax Return, for taxable years beginning on or after January 1, 2013. Check with the software provider to see if they support fiduciary (estate or trust) e-filing.

New Voluntary Contributions – You may contribute to the following new funds:

- Protect Our Coast and Oceans Fund
- Keep Arts in Schools Fund
- American Red Cross, California Chapters Fund

Net Operating Loss (NOL) Carryback – NOLs incurred in taxable years beginning on or after January 1, 2013, shall be carried back to each of the preceding two taxable years.

The allowable NOL carryback percentage varies. For an NOL incurred in a taxable year beginning on or after:

- January 1, 2013, and before January 1, 2014, the carryback amount shall not exceed 50% of the NOL.
- January 1, 2014, and before January 1, 2015, the carryback amount shall not exceed 75% of the NOL.
- January 1, 2015, the carryback amount shall be 100% of the NOL.

Individuals, Estates, and Trusts compute the NOL carryback in Part IV of form FTB 3805V, Net Operating Loss (NOL) Computation and NOL and Disaster Loss Limitations — Individuals, Estates, and Trusts. For more information, get form FTB 3805V.

Election to Waive Carryback – Any taxpayer entitled to a carryback period pursuant to Internal Revenue Code (IRC) Section 172(b)(3) may elect to relinquish/waive the entire carryback period with respect to an NOL incurred in the 2013 taxable year. By making the election, the taxpayer is electing to carry an NOL forward instead of carrying it back in the previous two years.

To make the election, check the box in Part I under Section C – Election to Waive Carryback, of form FTB 3805V, and attach form FTB 3805V to the tax return. For more information, get form FTB 3805V.

Elimination of Tax Clearance Requirement – Effective on or after January 1, 2014, California no longer requires any estate to obtain a Tax Clearance Certificate.

Single-Sales Factor Formula – For taxable years beginning on or after January 1, 2013, Revenue and Taxation Code (R&TC) Section 25128.7 requires all business income of an apportioning trade or business, other than an apportioning trade or business under R&TC Section 25128(b), to apportion its business income to California using the single sales factor formula. For more information, get Schedule R, Apportionment and Allocation of Income, or go to ftb.ca.gov and search for **law changes**.

Market Assignment – For taxable years beginning on or after January 1, 2013, R&TC Section 25136 requires all taxpayers to assign sales, other than sales of tangible personal property, using market assignment. For more information, get Schedule R or go to ftb.ca.gov and search for **law changes**.

General Information

A Important Information

In general, for taxable years beginning on or after January 1, 2010, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2009. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

For updates regarding federal acts go to ftb.ca.gov and search for **conformity**.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

Backup Withholding – With certain limited exceptions, payers that are required to withhold and remit backup withholding to the Internal Revenue Service (IRS) are also required to withhold and remit to the FTB on income sourced to California. If the estate or trust (payee) has backup withholding, the estate or trust (payee) must contact the FTB to provide a valid taxpayer identification number, before filing the tax return. Failure to provide a valid taxpayer identification number may result in a denial of the backup withholding credit. For more information, go to ftb.ca.gov and search for **backup withholding**.

Nonresident Group Tax Returns

A corporation may file a group nonresident tax return on behalf of certain electing nonresident individuals who receive wages, salaries, fees, or other compensation from that corporation for director services performed in California, including attendance of board of directors' meetings in California. Get FTB Pub. 1067, Guidelines for Filing a Group Form 540NR, for more information.

Providing California and Federal Returns

The FTB may request a copy of California or federal returns that are subject to or related to a federal examination. Generally, the California

statute of limitations is four years from the due date of the return or from the date filed, whichever, is later. However, the statute is extended in situations in which an individual or a business entity is under examination by the IRS.

The FTB recommends keeping copies of returns and records that verify income, deductions, adjustments, or credits reported, for at least the minimum time required under the statute of limitations. However, some records should be kept much longer.

Fiduciaries may be required to produce documentation substantiating the claimed basis of any assets sold, exchanged, transferred, or distributed regardless of the original acquisition date.

Tax Shelter

If the fiduciary was involved in a reportable transaction, including a listed transaction, the fiduciary may have a disclosure requirement. Attach the federal Form 8886, Reportable Transaction Disclosure Statement, to the back of the California return along with any other supporting schedules. If this is the first time the reportable transaction is disclosed on the tax return, send a duplicate copy of the federal Form 8886 to the address below. The FTB may impose penalties if the trust fails to file federal Form 8886, or any other required information.

For more information, go to ftb.ca.gov and search for **tax shelter**.

Claim of Right

If the fiduciary had to repay an amount that was included in income in an earlier year, under a claim of right, the fiduciary may be able to deduct the amount repaid from its income for the year in which it was repaid. Or, if the amount the fiduciary repaid is more than \$3,000, the fiduciary may be able to take a credit against its tax for the year in which it was repaid. For more information, see the Repayments section of federal Publication 525, Taxable and Nontaxable Income.

Punitive Damage Awards

For court actions filed after August 16, 2004, and the final determination rendered by June 30, 2006, the tax treatment of punitive damages differs between federal and state. For California purposes, the amount of punitive damages paid to the director of the Department of Finance shall be excluded from income and the attorney fees associated with the amount paid are not deductible.

B Purpose

Use Form 541, California Fiduciary Income Tax Return, if any of the following apply to report:

- Income received by an estate or trust
- Income that is accumulated or currently distributed to the beneficiaries
- An applicable tax liability of the estate or trust
- File an amended tax return for the estate or trust

A fiduciary includes a trustee of a trust including a qualified settlement fund, or an executor, administrator, or person in possession of property of a decedent's estate.

For taxation purposes, a trust will generally be regarded as a separate entity. However, if there is an unlawful shifting of income from the individual who has earned that income to a trust, the trust will not be treated as a separate entity. The income will be taxed to the individual who earned the income. If the individual establishing the trust has a substantial ability to control the assets, all of the income will be taxed to that individual. Deductions of personal living expenses by an individual or trust is not allowed unless specifically allowed by the R&TC and the IRC.

C Who Must File

Do not file Form 541 if there are no California fiduciaries, California noncontingent beneficiaries, or California sourced income.

Nonresidents or Part-year Residents. See the instructions for Schedule G, California Source Income and Deduction Apportionment, on page 13. Also, get FTB Pub. 1100, Taxation of Nonresidents and Individuals Who Change Residency.

Foreign Estates or Trusts. If the estate or trust filed a federal Form 1040-NR, U.S. Nonresident Alien Income Tax Return, **do not** file Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. File Form 541 and allocate the income and deductions where there is a California resident fiduciary or resident non-contingent beneficiary. See the Schedule G instructions on page 13 for more information.

Decedent's Estate. The fiduciary (or one of the fiduciaries) must file Form 541 for a decedent's estate if any of the following apply:

- Gross income for the taxable year of more than \$10,000 (regardless of the amount of net income)
- Net income for the taxable year of more than \$1,000
- An alternative minimum tax liability

Trust. The fiduciary (or one of the fiduciaries) must file Form 541 for a trust if any of the following apply:

- Gross income for the taxable year of more than \$10,000 (regardless of the amount of net income)
- Net income for the taxable year of more than \$100
- An alternative minimum tax liability

Simple trusts that have received a letter from the FTB granting exemption from tax under R&TC Section 23701d are considered to be corporations for tax purposes and may be required to file Form 199, California Exempt Organization Annual Information Return. See the back cover, "Where to Get Tax Forms and Publications."

Nonexempt charitable trusts described in IRC Section 4947(a)(1) must file Form 199.

Trusts described in IRC Section 401(a) may be required to file an exempt organization return. Get Form 109, California Exempt Organization Business Income Tax Return, for more information.

Optional Filing Methods for Certain Grantor Trusts. The FTB will accept the optional reporting requirements stated in federal Treasury Regulation Section 1.671-4(b)(2).

Real Estate Mortgage Investment Conduit (REMIC) Trust. A REMIC is a special vehicle for entities that issue multiple classes of investor interests backed by a fixed pool of mortgages. Get the instructions for federal Form 1066, U.S. Real Estate Mortgage Investment Conduit (REMIC) Income Tax Return, for more information. The fiduciary (or one of the joint fiduciaries) must file Form 541 and pay an annual tax of \$800 for a REMIC that is governed by California law, qualified to do business in California, or has done business in California at any time during the year.

A REMIC trust is not subject to any other taxes assessed on this form. Attach a copy of federal Form 1066 to the back of the completed Form 541.

Bankruptcy Estate. The fiduciary must file Form 541 for the estate of an individual involved in bankruptcy proceedings under Chapter 7, 11, or 12 of Title 11 of the United States Code if the estate has one of the following:

- Gross income for the taxable year of more than \$10,000 (regardless of the amount of net income)
- Net income for the taxable year of more than \$1,000
- An alternative minimum tax liability

Taxation of Bankruptcy Estate of an Individual.

The bankruptcy estate that is created when an individual debtor files a petition under either chapter 7 or 11 of Title 11 of the U.S. Code is treated as a separate taxable entity. A trustee or a debtor-in-possession administers the bankruptcy estate. If the bankruptcy court later dismisses the bankruptcy, the individual debtor is treated as if the bankruptcy petition had never been filed.

A separate taxable entity is not created if a partnership or corporation files a petition under any chapter of Title 11 of the U.S. Code.

Every trustee (or debtor-in-possession) for an individual's bankruptcy estate under chapter 7 or 11 of Title 11 of the U.S. Code must file a return if the estate has one of the following:

- Gross income for the taxable year of more than \$10,000 (regardless of the amount of net income)
- Net income for the taxable year of more than \$1,000

If a tax return is required, the trustee or debtor in possession completes Form 540, California Resident Income Tax Return, and figures the tax using the tax rate schedule for a married person filing separately. In the top margin of Form 540, write "Attachment to Form 541. DO NOT DETACH." Enter on Form 541, line 28 the total tax from Form 540, line 35, and complete the rest of Form 541.

The filing of a tax return for the bankruptcy estate **does not** relieve the individual debtor of their individual tax obligations.

Electing Small Business Trust (ESBT).

An election by the trustee pursuant to IRC Section 1361 to be an electing small business trust for federal purposes is treated as an election by the trustee for California purposes. No separate election for California purposes is allowed. Any election made applies to the taxable year of the trust in which the election is made and all subsequent years of the trust unless revoked with the consent of the FTB.

Qualified Subchapter S Trusts (QSST). The portion of a trust holding S corporation stock related to an IRC Section 1361(d) election cannot use the simplified reporting method for grantor trusts. As a result, the trust must apply all of the following:

- File a complete Form 541
- Indicate that it is a QSST treated as a grantor trust
- Provide a separate Schedule K-1 (541), Beneficiary's Share of Income, Deductions, Credits, etc, to the beneficiary showing that all of the income from the S corporation stock related to the election is taxable to the beneficiary

Qualified Settlement Fund (including designated settlement fund). The fiduciary must file Form 541 for a qualified settlement fund (print "QSF" in red at the top of Form 541, Side 1), as defined under IRC Section 468B if any of the following apply:

- The court or government agency supervising the administration of the fund is in California.
- The fund receives or expects to receive income from California sources, (i.e., income from real or tangible personal property located in California and income from intangible personal property with a business or taxable situs in California.)

A qualified settlement fund is taxed under the Corporate Tax Code and is subject to different tax rates than trusts and estates. Qualified settlement funds are not subject to the Mental Health Services Tax.

Qualified Funeral Trusts. Special rules apply to the taxation of qualified funeral trusts for trustees that elect to use these rules. For details, get Form 541-QFT, California Income Tax Return for Qualified Funeral Trusts.

Regulated Investment Companies (RIC) and Real Estate Investment Trusts (REIT). If the fiduciary filed a federal Form 1120-RIC, U.S. Income Tax Return for Regulated Investment Companies, or a federal Form 1120-REIT, U.S. Income Tax Return For Real Estate Investment Trusts, file Form 100, California Corporation Franchise or Income Tax Return, instead of Form 541. See the back cover, "Where to Get Tax Forms and Publications."

E Additional Forms the Fiduciary May Have to File

In addition to Form 541, the fiduciary must file a separate Schedule K-1 (541) or an FTB-approved substitute for each beneficiary.

Schedule K-1 (541) line items are similar to the federal Schedule K-1 (Form 1041), Beneficiary's Share of Income, Deductions, Credits, etc. Refer to the Schedule K-1 Federal/State Line References chart on page 31, and Specific Line Instructions when completing Schedule K-1 (541).

Trusts that only hold assets related to an IRC Section 1361(d) election should include all of the trust's items of income and deductions on the Schedule K-1 (541) of the beneficiary who made the election and should write "QSST" across the top of the Schedule K-1 (541) (the trust is treated as a grantor trust with respect to such beneficiary).

Trusts that hold assets related to an IRC Section 1361(d) election and other assets not related to an IRC Section 1361(d) election should provide its beneficiary or beneficiaries with separate Schedules K-1 (541). One for the income and deductions from the assets related to the IRC Section 1361(d) election and one for the income and deductions from the other assets. The Schedule K-1 (541) for the income and deductions for the IRC Section 1361(d) assets should include all of the trust's items of income and deductions from such assets. Write "QSST" across the top of the Schedule K-1 (541).

Substitute Schedule K-1 (541). If the estate or trust does not use an official FTB Schedule K-1 (541) or a software program with an FTB-approved Schedule K-1 (541), it must get approval from the FTB to use a substitute form.

F Period Covered by the Tax Return

File Form 541 for calendar year 2013 or a fiscal year beginning in 2013. Only trusts exempt from taxation under IRC Section 501(a) or a charitable trust described under IRC Section 4947(a)(1) and estates may have a fiscal year. If the fiduciary does not file a calendar year tax return, it must enter the taxable year in the space at the top of Form 541.

For estates, the date of death determines the end of the decedent's taxable year and the beginning of the estate's taxable year. The first taxable year for the estate may be any period of 12 months or less that ends on the last day of a month.

G When to File

File Form 541 by the 15th day of the 4th month following the close of the taxable year of the estate or trust. For calendar year estates and trusts, file Form 541 and Schedules K-1 (541) by April 15, 2014.

If Form 541 cannot be filed by the filing due date, the estate or trust has an additional six months to file without filing a written request for extension. However, to avoid late-payment penalties, the tax liability must be paid by the original due date of the tax return. This also applies to REMICs that are subject to an annual \$800 tax. When the due date falls on a weekend or holiday, the deadline to file and pay without penalty is extended to the next business day.

If an extension of time to file is needed but an unpaid tax liability is owed, use form FTB 3563, Payment for Automatic Extension for Fiduciaries, that is included in this tax booklet.

If the tax return is not filed by the extended due date, delinquent filing penalties and interest will be imposed on any tax due from the original due date of the tax return.

The 2013 Form 541 may be used for a taxable year beginning in 2014 if both of the following apply:

- The estate or trust has a taxable year of less than 12 months that begins and ends in 2014.
- The 2014 Form 541 is not available by the time the estate or trust is required to file its tax return. However, the estate or trust must show its 2014 taxable year on the 2013 Form 541 and incorporate any tax law changes that are effective for taxable years beginning after December 31, 2013.

A qualified settlement fund is treated as a corporation for filing and reporting purposes and should file its California income tax return by the 15th day of the 3rd month following the close of the taxable year, normally March 15th. The corporation must attach a copy of the federal Form 1120-SF, U.S. Income Tax Return for Settlement Funds (under Section 468B), and any statements or elections required by Treasury Regulations to Form 541.

H Paid Preparer Authorization

If the fiduciary wants to allow the paid preparer to discuss the 2013 tax return with the FTB, check the "Yes" box in the signature area of the tax return. Also print the paid preparer's name and telephone number.

If the "Yes" box is checked, the fiduciary is authorizing the FTB to call the designated paid preparer to answer any questions that may arise during the processing of its tax return. The fiduciary is also authorizing the paid preparer to:

- Give the FTB any information that is missing from the tax return.
- Call the FTB for information about the processing of the tax return or the status of any related refund or payments.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

The fiduciary is not authorizing the paid preparer to receive any refund check, bind the estate or trust to anything (including any additional tax liability), or otherwise represent the estate or trust before the FTB.

The authorization will automatically end no later than the due date (without regard to extensions) for filing the estate's or trust's 2014 tax return. If the fiduciary wants to expand the paid preparer's authorization, see form FTB 3520, Power of Attorney Declaration for the Franchise Tax Board. If the fiduciary wants to revoke the authorization before it ends, notify the FTB in writing or call 800.852.5711.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

If there is a refund or no amount is due, mail the tax return to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0001

Private Delivery Service. California conforms to federal law regarding the use of certain designated private delivery services to meet the "timely mailing as timely filing/paying" rule for tax returns and payments. See federal Form 1041 for a list of designated delivery services. If a private delivery service is used, address the return to:

FRANCHISE TAX BOARD
SACRAMENTO CA 95827

Caution: Private delivery services cannot deliver items to PO boxes. If using one of these services to mail any item to the FTB, **DO NOT** use an FTB PO box.

J Estimated Tax Payments

Generally, estates and trusts are required to make quarterly estimated tax payments if the estate or trust expects to owe at least \$500 in tax including alternative minimum tax (AMT), after subtracting withholding and credits. Estates and trusts, which received the residue of the decedent's estate, are required to make estimated income tax payments for any year ending two or more years after the date of the decedent's death.

The required annual tax payment is generally the lesser of 100% of the prior year's tax or 90% of the current year's tax. Estates and trusts must pay 30% of their required annual payment for the first installment, 40% for the second, no estimated payment for the third, and 30% for the fourth installment.

Limit on Prior Year Tax. Fiduciaries with an adjusted gross income (AGI) of \$150,000 or less calculate their required estimated tax on the lesser of 100% of the 2012 year tax, or 90% of the 2013 year tax, including AMT. Fiduciaries

with an AGI greater than \$150,000 are required to estimate their tax based on the lesser of 110% of their 2012 year tax or 90% of their 2013 year tax, including AMT. Fiduciaries with an AGI equal or greater than \$1,000,000 must calculate their estimated tax on 90% of their 2013 year tax, including AMT.

For more information, get Form 541-ES.

K Decedent's Will and Trust Instrument

Do not file a copy of the decedent's will or the trust instrument unless the FTB requests one.

L Limitations

At-Risk Loss Limitations. Generally, the amount the estate or trust has "at-risk" limits the loss that may be deducted for any taxable year. Get federal Form 6198, At-Risk Limitations, to figure the deductible loss for the year. Use California amounts.

Passive Activity Loss and Credit Limitations. IRC Section 469 (which California incorporates by reference) generally limits deductions from passive activities to the amount of income derived from all passive activities. Similarly, credits from passive activities are limited to tax attributable to such activities. These limitations are first applied at the estate or trust level. Get the instructions for federal Form 8582, Passive Activity Loss Limitations, and federal Form 8582-CR, Passive Activity Credit Limitations, for more information on passive activities loss and credit limitation rules. Get form FTB 3801-CR, Passive Activity Credit Limitations, to figure the amount of credit allowed for the current year.

M Special Rule for Blind Trust

If the fiduciary is reporting income from a qualified blind trust (under the Ethics in Government Act of 1978), it should not identify the payer of any income to the trust, but complete the rest of the tax return as provided in the instructions. Also, write "BLIND TRUST" at the top of Form 541, Side 1.

N Multiple Trust Rules

Two or more trusts are treated as one trust if the trusts have substantially the same grantor(s) and substantially the same primary beneficiary(ies), and if the principal purpose of the use of multiple trusts is avoidance of tax. This provision applies only to that portion of the trust that is attributable to contributions to corpus made after March 1, 1984.

O Interest and Penalties

Interest. Interest will be charged on taxes not paid by the due date, even if the tax return is filed by the extended due date. For more information, see General Information G, When to File.

Late filing of tax return. A penalty is assessed if the tax return is filed after the due date (including extensions), unless there was reasonable cause for filing late. The penalty is 25% of the tax liability if the tax return is filed after the extended due date. If the tax return is filed more than 60 days after the extended due date, the minimum penalty is \$135 or 100% of tax due on the tax return, whichever is less.

Late payment of tax. A penalty is assessed for not paying tax by the due date unless there was reasonable cause for not paying on time. The penalty is 5% of the unpaid tax plus one-half of 1% for each month, or part of a month, that the tax is late, up to a maximum of 25%. We may waive the late payment penalty based on reasonable cause. Reasonable cause is presumed when 90% of the tax is paid by the original due date of the return.

If an estate or trust is subject to both the penalty for failure to file a timely tax return and the penalty for failure to pay the total tax by the due date, a combination of the two penalties may be assessed, but the total will not exceed 25% of the unpaid tax.

Penalty for failure to provide Schedule K-1 (541). The fiduciary is required to provide a Schedule K-1 (541) to each beneficiary who receives a distribution of property or an allocation of an item of the estate. A penalty of \$50 per beneficiary (not to exceed \$100,000 for any calendar year) will be imposed on the fiduciary if this requirement is not satisfied.

If the estate or trust includes interest on any of these penalties with the payment, identify and enter these amounts in the bottom margin of Form 541, Side 1. **Do not** include the interest or penalty in the tax due on line 34 or reduce the overpaid tax on line 35.

Other penalties. Other penalties may be assessed for a payment returned by the fiduciary's bank for insufficient funds, accuracy-related matters, and fraud.

Underpayment of Estimated Tax Penalty.

The underpayment of estimated tax penalty shall not apply to the extent the underpayment of an installment was created or increased by any provision of law that is chaptered during and operative for the taxable year of the underpayment. To request a waiver of the underpayment of estimated tax penalty, get form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries.

P Attachments

If the estate or trust needs more space on the forms or schedules, attach separate sheets showing the same information in the same order as on the printed forms.

Enter the estate's or trust's FEIN on each sheet. Also, use sheets that are the same size as the forms and schedules and indicate clearly the line number of the printed form to which the information relates. Show the totals on the printed forms.

Q California Use Tax

General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases from out-of-state sellers and is similar to the sales tax paid on purchases fiduciaries make in California. If fiduciaries have not already paid all use tax due to the State Board of Equalization, fiduciaries may report and pay the use tax due on its state income tax return. See the information on the next page and the instructions for line 38 of the fiduciary income tax return.

In general, fiduciaries should pay California use tax on purchases made from out-of-state (for example, by telephone, over the Internet, by mail, or in person). However, not all purchases require fiduciaries to pay use tax. For example, fiduciaries would include purchases of clothing, but not purchases of food products or prescription medicine. For more information on nontaxable and exempt purchases, fiduciaries may visit the State Board of Equalizations website at boe.ca.gov.

Fiduciaries should pay California use tax on taxable items if:

- The seller does not collect California sales or use tax.
- The fiduciary uses, gives away, stores, or consumes the item in this state.

Example: The fiduciary purchases a dining table from a company in North Carolina. The company ships the table from North Carolina to the fiduciary's address in California for the fiduciary's use and does not charge California sales or use tax. The fiduciary owes use tax on the purchase.

Complete the Use Tax Worksheet or use the Use Tax Lookup Table on page 11 to calculate the amount due.

Extensions to file. If the fiduciary requests an extension to file its income tax return, wait until the fiduciary files its tax return to report the purchases subject to use tax and to make the use tax payment.

Penalty. Failure to timely report and pay the use tax due may result in the assessment of penalties.

Changes in use tax reported. Do not file an Amended Fiduciary Income Tax Return to revise the use tax previously reported. If fiduciary has changes to the amount of use tax previously reported on the original tax return, contact the State Board of Equalization.

For assistance with your use tax questions, go to the State Board of Equalization's website at boe.ca.gov or call their Customer Service Center at 800.400.7115 or California Relay Service (CRS) 711 (for hearing and speech disabilities). For California income tax information, contact the Franchise Tax Board at ftb.ca.gov.

R Miscellaneous Items

California law follows federal law in the areas of:

- Accounting methods
- Separate shares in a single trust
- Separate shares in a single estate
- Blind trusts
- Multiple trusts
- Simple and complex trusts
- Common trust funds
- Excess distributions

Liability for tax. The fiduciary is liable for payment of the tax. Failure to pay the tax may result in the fiduciary being held personally liable. See R&TC Sections 19071 and 19516.

Estate income to be reported. If a decedent, at the date of death, was a resident of California, the entire income of the estate must be reported. If a decedent, at the date of death, was a nonresident, only the income derived from sources within California should be reported.

Deductions upon termination. A deduction shall be allowed to the beneficiaries succeeding to the property of the estate or trust if, upon termination, the estate or trust has one of the following:

- A capital loss carryover
- For its final taxable year, deductions (other than the charitable deductions) in excess of gross income
- A net operating loss

Tax-exempt income. California **does not tax:**

- **Interest on governmental obligations.** Interest derived from bonds issued by California or its political subdivisions, the federal government, the District of Columbia (issued before December 24, 1973), or territories of the United States.
- **Proceeds of insurance policies.** In general, a lump sum payable at the death of the insured under a life insurance policy is excludable from gross income of the recipient.
- **Miscellaneous items wholly exempt from tax.** (1) Gifts (not received as a consideration for services rendered), money or property acquired by bequest, devise, or inheritance (but the income derived therefrom is taxable); and, (2) Income, other than rent, derived by a lessor of real property upon the termination of a lease, representing the value of such property attributable to buildings erected or other improvements made by the lessee.

Withholding on nonresident beneficiaries.

Fiduciaries must withhold tax on payments of income from California sources that are not subject to payroll withholding and made to nonresident beneficiaries. See R&TC Sections 18662 through 18677. Get Form 592, Resident and Nonresident Withholding Statement and Form 592-B, Resident and Nonresident Withholding Tax Statement, or Form 592-F, Foreign Partner or Member Annual Return, to report the withholding.

See Cal. Code Regs., tit. 18, sections 17951-1(c), 17951-2, and 17953 regarding taxability of distributions to nonresident beneficiaries.

Specific Line Instructions Identification Area

Follow the instructions for federal Form 1041 when completing the identification area on Form 541, Side 1. Attach a schedule listing the names and addresses of additional fiduciaries (who served the trust during any portion of the taxable year) who are not identified on the front of Form 541. Identify each fiduciary as a resident or nonresident of California. California law is generally the same as federal law in the following areas:

- Simplified filing requirements
- Methods of reporting
- Pooled income funds
- Amended tax returns
- Final tax returns
- Nonexempt charitable and split-interest trusts

Qualified Subchapter S Trust. Trusts that only hold assets related to an IRC Section 1361(d) election should fill out the "Income" and "Deduction" sections of Form 541 like all other trusts, except the trust should take an income distribution deduction on line 18 equal to its adjusted total income from line 17.

Trusts that hold assets related to an IRC Section 1361(d) election and other not related assets should fill out the "Income" and "Deduction" sections of Form 541 only for their income and deductions attributable to assets not related to an IRC Section 1361(d) election.

Use Schedule B of Form 541 to determine their distribution deduction.

Principal Business Activity (PBA) Code. If the estate or trust was engaged in a trade or business during the taxable year, enter the principal business activity code used on the federal Schedule C, Profit or Loss From Business, or Schedule C-EZ, Net Profit From Business.

Additional Information. Use the Additional Information field for "In-Care-Of" name and other supplemental address information only.

Foreign Address. If the estate or trust has a foreign address enter the city, foreign country name, foreign province/state/county name, and foreign postal code in the appropriate boxes. **Do not** abbreviate the foreign country name. Follow the country's practice for entering the province/state/county name and foreign postal code.

Amended Tax Return. If the fiduciary is filing an amended Form 541, check the box labeled "Amended tax return." Complete the entire return, correct the lines needing new information, and recompute the tax liability. On an attached sheet, explain the reason for the amendments and identify the lines and amounts being changed on the amended tax return. Include the fiduciary name and FEIN on each attachment.

If the amended tax return results in a change to income, or a change in distribution of any income or other information provided to a beneficiary, an amended Schedule K-1 (541) must also be filed with the amended Form 541 and given to each beneficiary. Write "AMENDED" across the top of the amended Schedule K-1 (541).

Income

Complete Schedule G, California Source Income and Deduction Apportionment, on Form 541, Side 3, if the trust has any resident and nonresident trustees and/or resident and nonresident non-contingent beneficiaries. Follow the line instructions for Schedule G on page 13.

The amounts transferred from Schedule G should only include income and deductions reportable to California.

Line 1 – Interest income

Enter the total of all taxable interest including any original issue discount bonds and income received as a holder of a regular interest in a REMIC.

If the fiduciary filed federal Form 1120-RIC or Form 1120-REIT, file Form 100 instead of Form 541.

Line 2 – Dividends

Enter the total of all taxable dividends.

Line 3 – Business income or (loss)

If the estate or trust was engaged in a trade or business during the taxable year, complete form FTB 3885F, Depreciation and Amortization, and attach it to Form 541. Also complete and attach a copy of federal Schedule C or C-EZ using California amounts. Energy conservation rebates, vouchers, or other financial incentives are excluded from income.

- Ordinary gain or (loss), enter on Schedule D-1, Sales of Business Property

Complete and attach federal Schedule E, Supplemental Income and Loss, using California amounts. Attach form FTB 3885F to report any depreciation and amortization deduction.

Follow federal instructions for “Depreciation, Depletion, and Amortization,” regarding dividing the deductions between the fiduciary and the beneficiary(ies).

Elections to expense certain depreciable business assets under IRC Section 179 and R&TC Sections 17267.2, 17267.6, and 17268 do not apply to estates and trusts.

Any losses or credits from passive activities may be limited. See General Information L, for information about passive activity loss limitations.

Line 6 – Farm income or (loss)

Enter the net income or (loss) from farming during the taxable year. Attach federal Schedule F, Profit or Loss From Farming, using California amounts. Attach form FTB 3885F to report any depreciation and amortization deduction. Follow federal instructions for “Depreciation, Depletion, and Amortization” regarding dividing the deductions between the fiduciary and the beneficiary(ies).

Line 7 – Ordinary gain or (loss)

Enter from Schedule D-1, the gain or (loss) from the sale or exchange of property other than a capital asset and also from involuntary conversions (other than casualty or theft). Get the instructions for Schedule D-1 for more information.

Line 8 – Other income

Enter the total taxable income not reported elsewhere on Side 1. State the nature of the income. Attach a separate sheet if necessary.

Examples of income to be reported on line 8 include the following:

- Unpaid compensation received by the decedent’s estate that is income in respect of a decedent.
- The estate’s or trust’s share of aggregate income or loss that is ordinary income, if the estate or trust is a shareholder of an S corporation. Enter the name and FEIN of the S corporation. Report capital gain income, dividend income, etc., on other appropriate lines.
- The estate’s or trust’s share of taxable income or (loss) if the estate or trust is a holder of a residual interest in a REMIC. Beneficiaries should receive Schedule K-1 (541 or 565) and instructions from the REMIC. Get federal Schedule E, Part IV, instructions for reporting requirements; also, attach federal Schedule E.

- Any part of a total distribution shown on federal Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc., that is treated as ordinary income.

Get California Schedule G-1, Tax on Lump-Sum Distributions, for more information.

Deductions

All deductions entered on line 10 through line 15c must include only the fiduciary’s share of deductions related to taxable income. If the estate or trust has tax-exempt income, the amounts included on line 10 through line 15c must be reduced by the allocable portion attributed to tax-exempt income. See federal Form 1041 instructions, “Allocation of Deductions for Tax-Exempt Income,” for information on how to determine the allocable amount to enter on line 10 through line 15c.

California law follows federal law for:

- Fiduciary, attorney, accountant, and return preparer fees.
- Limited deductions for losses arising from certain activities.
- Limited deductions for farming syndicates that had a change in membership or were established in 1977 (see IRC Section 464).
- Bankruptcy estates: See Title 11 of the USC 346(e) for California deductions allowed for expenses incurred during administration.
- California law conforms to federal law relating to the denial of deductions for lobbying activities, club dues, and employee remuneration in excess of one million dollars.

Line 10 – Interest

Enter any deductible interest paid or incurred that is not deductible elsewhere on Form 541. Attach a separate schedule showing all interest paid or incurred. Do not include interest on a debt that was incurred or continued in order to buy or carry obligations on which the interest is tax-exempt. If unpaid interest is due to a related person, get federal Publication 936, Home Mortgage Interest Deduction, for more information.

The amount of investment interest deduction is limited. Get form FTB 3526, Investment Interest Expense Deduction, to compute the allowable investment interest expense deduction. Any disallowed investment interest expense is allowed as a carryforward to the next taxable year. See IRC Section 163(d) and get federal Publication 550, Investment Income and Expenses, for more information.

If the allowable part of the excess investment interest expense is deductible and a completed form FTB 3526 is required, write “FTB 3526 attached” on the dotted line to the left of line 10. Then add the deductible investment interest to the other types of deductible interest and enter the total on line 10.

Line 11 – Taxes

Enter any deductible property taxes paid or incurred during the taxable year that are not deductible elsewhere on Form 541. Attach a separate schedule showing all taxes paid or incurred during the taxable year.

Do not deduct:

- Income or profit taxes imposed by the federal government, any state, or foreign country.

- Taxes computed as an addition to, or percentage of, any taxes not deductible under the law.
- Legacy, succession, gift, or inheritance taxes.
- Sales and local general sales and use taxes.

Line 12 – Fiduciary fees

Enter the deductible fees paid to the fiduciary for administering the estate or trust and other allowable administration costs incurred during the taxable year.

Allowable administration costs are those costs that were incurred in connection with the administration of the estate or trust that would not have been incurred if the property were not held in such estate or trust. These administration costs are not subject to the 2% floor. Trust expenses relating to outside investment advice and investment management fees are miscellaneous itemized deductions subject to the 2% floor. See instructions for line 15b.

Line 13 – Charitable deduction

Enter the amount from Form 541, Side 2, Schedule A, line 5.

Line 14 – Attorney, accountant, and return preparer fees

Enter deductible attorney, accountant, and return preparer fees paid for the estate or the trust.

Line 15a – Other deductions NOT subject to the 2% floor

Explain on a separate schedule all other authorized deductions that are not deductible elsewhere on Form 541. Enter the total on line 15a.

Include any net interest deduction on interest earned on an enterprise zone (EZ) or targeted tax area (TTA) investment that is more than the expense of earning that interest. Attach form FTB 3805Z, Enterprise Zone Deduction and Credit Summary, or form FTB 3809, Targeted Tax Area Deduction and Credit Summary.

Claim of Right. To claim the deduction, enter a deduction of \$3,000 or less on line 15b or a deduction of more than \$3,000 on line 15a. If the fiduciary elects to take the credit instead of the deduction, it should use the California tax rate, add the credit amount to the total on line 33, Total Payments. To the left of this total, write “IRC 1341” and the amount of the credit.

Casualty losses. California law generally follows federal law. See federal Form 4684, Casualties and Thefts.

NOL deductions. For taxable years beginning on or after January 1, 2012, California has reinstated the NOL deduction.

For taxable years beginning in 2010 and 2011, California suspended the NOL carryover deduction. Taxpayers continued to compute and carryover NOLs during the suspension period. However, taxpayers with modified adjusted gross income of less than \$300,000 or with disaster loss carryovers were not affected by the NOL suspension rules.

For more information, see R&TC Sections 17276.05, 17276.20, 17276.21, and 17276.22 and get form FTB 3805V, Net Operating Loss (NOL) Computation and NOL and Disaster Loss Limitations – Individuals, Estates and Trusts; form FTB 3805Z, Enterprise Zone Deduction and Credit Summary; form FTB 3807, Local Agency Military Base Recovery Area (LAMBRA) Deduction and Credit Summary, and form FTB 3809, Targeted Tax Area (TTA) Deduction and Credit Summary.

Line 15b – Allowable miscellaneous itemized deductions subject to the 2% floor

Miscellaneous itemized deductions are deductible only to the extent that the aggregate amount of such deductions exceeds 2% of AGI.

The term “miscellaneous itemized deductions” does not include deductions relating to:

- Interest under IRC Section 163
- Taxes under IRC Section 164
- Amortization of bond premium under IRC Section 171

For more exceptions, see IRC Section 67(b).

Trusts’ expenses relating to outside investment advice and investment management fees are miscellaneous itemized deductions subject to the 2% floor.

For estates and trusts, AGI is computed by subtracting the following from total income (line 9):

- Fiduciary fees of the estate or trust (line 12).
- Income distribution deduction (line 18).
- Other deductions claimed on line 10 through line 15a that were incurred in the conduct of a trade or business or the production of income.

See the federal Form 1041 instructions for more information regarding the income distribution deduction and AGI computation.

Generally, the estate or trust will have to complete Schedule P (541) if an income distribution deduction is reported under IRC Section 651 or IRC Section 661.

Unallowable deductions. Deductions are not allowed on Form 541 for:

- Expenses that are allocable to one or more classes of income (other than interest income) exempt from tax.
- Any amount relating to expenses for production of income that is allocable to interest income exempt from tax. For the treatment of interest expense attributable to tax-exempt income, see the instructions for line 10. For the determination of the amount of expense attributable to tax-exempt income, see the instructions for federal Form 1041, Schedule B, Income Distribution Deduction.
- Decedent’s medical and dental expenses paid by the estate.
- Funeral expenses.

Line 20a – Taxable Income

Subtract line 18, income distribution deduction, from the adjusted total income reported on line 17, and enter the result.

Line 20b – ESBT Taxable Income

The portion of an Electing Small Business Trust (ESBT) that consists of stock in one or more S corporations must be treated as a separate trust and the tax must be figured separately on the S-portion of the ESBT. On a separate schedule, figure the taxable income on the S corporation items making the following modifications:

- Only report the items described in IRC Section 641(c)(2)(C).
- Take no other deductions (including the distribution deduction) or credits.
- Do not apportion to the beneficiaries any of the S corporation items of income, loss, deduction or credit.

Enter taxable income from the S-portion of the ESBT on line 20b, and attach the schedule to the income tax return. Include the taxable income from the S-portion of the ESBT when calculating the Mental Health Services Tax on line 27.

The taxable income on the remainder (non-S portion) of the ESBT is computed in a manner consistent with a complex trust on Form 541. Enter the taxable income for the non-S portion of the ESBT on line 20a.

Tax Computation

Enter Mental Health Services Tax on line 27.

Line 21a – Regular tax

Determine the tax on the taxable income (line 20a) using the Tax Rate Schedule on this page. Enter the tax on line 21a. **Do not** include the amount reported on line 20b.

Line 21b – Other taxes

- Tax may be applied to lump-sum distributions from a qualified retirement plan. The fiduciary must complete Schedule G-1 to figure the amount of tax to enter on line 21b.

- Partial throwback tax on accumulation distribution from trust.

If an estate or a trust is the beneficiary of a trust and in the current year received a distribution from the trust of income accumulated in prior taxable years (an accumulation distribution), the estate or trust may be liable for a partial throwback tax on the accumulation distribution. Under the throwback rules, the beneficiary of an accumulation distribution is taxed as if the distribution was made in the prior years when the income was accumulated. Figure the throwback tax on form FTB 5870A, Tax on Accumulation Distribution of Trusts. Include the tax on line 21b and attach form FTB 5870A to Form 541.

- Interest on tax deferred under the installment method for certain nondealer property installment obligations.

If an obligation arising from the disposition of property to which IRC Section 453A applies is outstanding at the close of the year, the estate or trust must include the interest due under IRC Section 453A in the amount to be entered on line 21b. Attach a schedule showing the computation. Write “IRC Section 453A” on line 21b. Include the tax in the total on line 21b.

- Tax on the S-portion of an Electing Small Business Trust (ESBT).

Multiply line 20b by the highest rate applicable to individuals. Include the tax in the total on line 21b.

- REMIC Annual Tax

Enter the \$800 REMIC annual tax on line 21b and line 28, tax liability. REMIC annual tax is not eligible for exemption credits.

Line 21c – QSF Tax

QSF is a Qualified Settlement Fund (including designated settlement funds). Determine the tax using corporate tax rates under R&TC Section 24693. For more information, see General Information C, Who Must File.

Tax Credits

Line 22 – Exemption credit

An estate is allowed an exemption credit of \$10. A trust is allowed an exemption credit of \$1. A qualified disability trust is allowed an exemption credit of \$106.

If a final distribution of assets was made during the year, all taxable income of the estate or trust must be entered on line 18 as distributed to beneficiaries, and no exemption credit is allowable.

Line 23 – Credits

Various California tax credits are available to reduce the tax. For most credits, a separate schedule or statement must be completed and attached to Form 541. See the credit chart on page 14 for a list of the credits, their codes, and a brief description of each.

How to claim California tax credits:

- Figure the amount of each credit using the appropriate form.
- Use the Credit Limitation Worksheet to determine if the credits are limited. Complete the worksheet unless federal Schedules C, E, or F (Form 1040), and/or federal Schedule D (Form 1041) were not completed and the amount entered on Form 541, line 17, is less than \$42,319.
 - If federal Schedules C, D, E, or F (Form 1040) or federal Schedule D (Form 1041) were not completed and the amount entered on Form 541, line 17, is less than \$42,319, **do not** complete the credit limitation worksheet. The credits are not limited.
 - If the estate or trust completed federal Schedule C, E, or F (Form 1040) or federal Schedule D (Form 1041) and claimed or received any of the following:
 - Accelerated depreciation in excess of straight-line

If line L is more than line M, the estate's or trust's credits are not limited. Go to "Claiming Credits on Form 541," below.

If line L is less than line M, get and complete Schedule P (541).

Claiming Credits on Form 541

If the conditions above do not apply, **do not** complete Schedule P (541).

Each credit is identified by a code. If the estate or trust claims one credit, enter the credit code and amount of the credit on line 23.

If the estate or trust claims more than one credit, use Schedule P (541), Part IV, Credits that Reduce Tax, to figure the total credit amount. Total the column B amounts from Lines 4 through 10 and Lines 12 through 16, of Schedule P (541), Part IV, and enter on Form 541, Line 23. Attach Schedule P (541) and any required supporting schedules or statements to Form 541.

If the estate or trust claims a credit with carryover provisions and the amount of the credit available this year exceeds the estate's or trust's tax, carry over any excess credit to subsequent years until the credit is used.

If the estate or trust claims a credit carryover for a repealed credit, use form FTB 3540, Credit Carryover and Recapture Summary, to figure this credit, unless the estate or trust is required to complete Schedule P (541). In that case, enter the amount of the credit on Schedule P (541), Sections A2 and B1 and **do not** attach form FTB 3540.

Other Taxes

Line 26 – Alternative minimum tax (AMT)

If certain types of deductions, exclusions, and credits are claimed, the estate or trust may be subject to California's AMT. Get Schedule P (541) to figure the amount of tax to enter on line 26 for trusts with either resident or non-resident trustees and beneficiaries.

Schedule P (541) must be completed regardless of whether the estate or trust is subject to AMT if an income distribution deduction is reported on line 18.

Tax and Payments

Line 27 – Mental Health Services Tax

If the estate's or trust's taxable income is more than \$1,000,000, compute the Mental Health Services Tax. All taxable income from an Electing Small Business Trust (ESBT) is subject to the Mental Health Services Tax. **Do not** calculate Mental Health Services Tax on a Qualified Settlement Fund.

Line 30 – California income tax previously paid

Use this line only if the estate or trust is filing an amended tax return. Enter payments made with the original tax return plus additional tax paid after the original tax return was filed. If the estate or trust made only one payment, enter the serial number that the FTB stamped on the face of the cancelled check if available, on the dotted line to the left of the amount on line 30. If the estate or trust made multiple payments, did not receive a cancelled check, or made any payment with a credit card, attach a statement showing the check number, the amount of the check or charge, the date posted to the account, and the name of the payee FTB.

Be sure to reduce the amount of tax previously paid by the amount of estimated tax that the beneficiary treated as a payment.

Line 31 – 2013 Withholding (Form 592-B and/or Form 593)

Enter the total California tax withheld from the estate's or trust's Form 592-B and/or Form 593. Attach a copy of Form 592-B or Form 593 to the lower front of Form 541, Side 1.

An estate or trust that has resident/nonresident or real estate withholding should only claim the credit if the estate or trust did not distribute the related income in the current year. If the estate or trust distributed the related income, the estate or trust should prepare Form 592 and Form 592-B to distribute the credit to the beneficiaries who will report the taxable income and claim their share of the credit on their California income tax returns. If the estate or trust partially distributes the income, Form 592 and Form 592-B should show only the allocated income distribution and related withholding credit. **Do not** include withholding from other forms on this line or NCNR member's tax from Schedule K-1 (568), line 15e on this line.

Line 32 – 2013 CA estimated tax payments, amount applied from 2012 tax return, and payments with form FTB 3563

Enter the amount of any estimated tax payment the estate or trust made on Form 541-ES, Estimated Tax for Fiduciaries, for 2013. Also, enter the amount of any overpayment from the 2012 tax return that was applied to the 2013 estimated tax. Include payments made with form FTB 3563, Payment for Automatic Extension for Fiduciaries.

If the estate or trust is a NCNR member of an LLC and tax was paid on the estate's or trust's behalf by the LLC, include the NCNR members' tax from Schedule K-1 (568), line 15e. If you are including NCNR tax, write "LLC" on the dotted line to the left of the amount on line 32, and attach Schedule K-1 (568) to the California income tax return to claim the tax paid by the LLC on the estate's or trust's behalf.

The trustee (or executor under certain circumstances) may elect to allocate to the beneficiary a portion of estimated payments. Use Form 541-T, California Allocation of Estimated Tax Payments to Beneficiaries. Reduce the amount of estimated tax payments you are claiming by the amount allocated to the beneficiary on Form 541-T.

Estimated tax paid by an individual before death must be claimed on the income tax return filed for the decedent and not on the Form 541 filed for the decedent's estate.

Line 34 and Line 35 – Tax Due/Overpaid Tax

If the amount on line 28 is larger than the amount on line 33, then the tax is larger than the payments and credits. Subtract line 33 from line 28. This is the amount of tax the estate or trust owes before any voluntary contributions or use tax.

If the amount on line 28 is less than the amount on line 33, then the payments and credits are larger than the tax. Subtract line 28 from line 33. This is the amount of overpaid tax before any voluntary contributions or use tax.

If the estate or trust must compute interest under the look-back method for completed long-term contracts, get form FTB 3834, Interest Computation Under the Look-Back Method for Completed Long-Term Contracts. Include the amount of interest the estate or trust owes on line 34 or the amount of interest to be credited or refunded to the organization on line 35. Write "FTB 3834" on the dotted line to the left of line 34 or line 35, whichever applies.

If the estate or trust completed the credit recapture portion of any of the following forms, include the recapture amount on line 34. Write the form number and the recaptured amount on the dotted line to the left of line 34.

- Form FTB 3540, Credit Carryover and Recapture Summary
- Form FTB 3805Z, Enterprise Zone Deduction and Credit Summary
- Form FTB 3807, Local Agency Military Base Recovery Area (LAMBRA), Deduction and Credit Summary
- Form FTB 3808, Manufacturing Enhancement Area Credit Summary
- Form FTB 3809, Targeted Tax Area Deduction and Credit Summary

Also, include in the recapture amount on line 34, if the estate or trust is subject to recapture for the Community Development Financial Institutions Investment Credit.

Line 36 – Credit to your 2014 estimated tax

Enter the amount from line 35 that the estate or trust wants applied to their 2014 estimated tax.

Line 37 – Amount of overpaid tax available this year

If an amount is entered on line 36, subtract it from line 35. Enter the result on line 37. The entire amount may be refunded or voluntary contributions may be made. If the estate or trust owes use tax, the estate or trust may offset that amount against this balance.

Line 38 – Use Tax. This is not a total line.

You may owe use tax if you make purchases from out of state retailers (for example, purchases made by telephone, over the Internet, by mail, or in person) where sales or use tax was not paid and you use those items in California. If you have questions about whether a purchase is taxable, go to the State Board of Equalization's website at boe.ca.gov, or call their Customer Service Center at 800.400.7115 or California Relay Service (CRS) 711 (for hearing and speech disabilities.)

Some taxpayers are required to report business purchases subject to use tax directly to the State Board of Equalization. However, they may report certain personal purchases subject to use tax on the FTB income tax return.

You may not report use tax for business purposes on your California fiduciary income tax return if you:

- Have a California seller's permit.
- Are not required to hold a California seller's permit, but receive at least \$100,000 in gross receipts.
- Are otherwise required to be registered with the State Board of Equalization for sales or use tax purposes.

The Use Tax Worksheet and Use Tax Lookup Table on the next page will help you determine how much use tax to report. If you owe use tax but you do not report it on your California fiduciary income tax return, you must report and pay the tax to the State Board of Equalization. For information on how to report use tax directly to the State Board of Equalization, go to their website at boe.ca.gov and type "use tax" into the search box.

Failure to report and timely pay may result in the assessment of interest, penalties and fees.

See page 5 for a general explanation of California use tax.

Use Tax Worksheet

You must use the Use Tax Worksheet on the next page to calculate your use tax liability, if any of the following apply:

- You prefer to calculate the amount of use tax due based upon your actual purchases subject to use tax, rather than based on an estimate.
- You owe use tax on any item purchased for use in a trade or business not registered with the State Board of Equalization.
- You owe use tax on purchases of individual items with a purchase price of \$1,000 or more.

Example 1: You purchased a television for \$2,000 from an out-of state retailer that did not collect use tax. You must use the Use Tax Worksheet to calculate the use tax due on the price of the television, since the price of the television is \$1,000 or more.

Example 2: You purchased a computer monitor for \$300, a rare coin for \$500, and designer clothing for \$250 from an out-of-state retailer that did not collect use tax. Although the total price of all the items is \$1,050, the price of each item is less than \$1,000. Since none of these individual items are \$1,000 or more, you are not required to use the Use Tax Worksheet and may choose to use the Estimated Use Tax Lookup Table.

If you have a combination of individual items purchased for \$1,000 or more, and/or items purchased for use in a trade or business not registered with the State Board of Equalization, and individual, non-business items purchased for less than \$1,000, you may either:

- Use the Use Tax Worksheet to compute use tax due on all purchases, or
- Use the Use Tax Worksheet to compute use tax due on all individual items purchased for \$1,000 or more, plus items purchased for use in a trade or business, use the Estimated Use Tax Lookup Table to estimate the use tax due on individual, non-business items purchased for less than \$1,000, then add the amounts and report the total use tax on line 38.

Example 3: The total price of the items you purchased from out-of-state retailers that did not collect use tax is \$2,300, which includes a \$1,000 television, a \$900 painting, and a \$400 table for your living room.

- You may choose to calculate the use tax due on the total price of \$2,300 using the Use Tax Worksheet, or
- You may choose to calculate the use tax due on the \$1,000 price of the television using the Use Tax Worksheet and estimate your use tax liability for the painting and table by using the Estimated Use Tax Lookup Table.

Use Tax Worksheet

Use whole dollars only.

1. Enter purchases from out-of-state sellers made without payment of California sales/use tax. If you choose the option to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, only enter purchases of items with a purchase price of \$1,000 or more plus items purchased for use in a trade or business not registered with the State Board of Equalization.. \$ _____ .00
2. Enter the applicable sales and use tax rate. _____
3. Multiply line 1 by the tax rate on line 2. Enter result here... \$ _____ .00
4. If you choose the option to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, enter the use tax amount due from the Use Tax Lookup Table. If all of your purchases are included in line 1, enter -0- \$ _____ .00
5. Add lines 3 and 4. This is your total use tax \$ _____ .00
6. Enter any sales or use tax you paid to another state for purchases included on line 1. See worksheet instructions below. \$ _____ .00
7. Subtract line 6 from line 5. This is the total use tax due. Enter the amount due on line 38. If the amount is less than zero, enter -0- \$ _____ .00

Worksheet, Line 1, Purchases Subject to Use Tax

- Report purchases of items that would have been taxable if purchased from a California retailer unless your receipt shows that California tax was paid directly to the retailer. For example, generally, you would include purchases of clothing, but not purchases of food products or prescription medicine. For more information on nontaxable and exempt purchases, you may visit the State Board of Equalization's website at **boe.ca.gov**.
- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that correspond with the tax return you are filing.
- If you traveled to a foreign country and carried items back to California, generally the use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less the \$800 per-person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier. For goods sent or shipped, you should report the entire amount of the purchases.

Note: and pay any use tax you owe on the following purchases directly to the State Board of Equalization, **not** on your income tax return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.

- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.
- Cigarettes and tobacco products when the purchaser is registered with the State Board of Equalization as a cigarette and/or tobacco products consumer.

Worksheet, Line 2, Sales and Use Tax Rate

- Enter the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. If you do not know the applicable city or county sales and use tax rate, using your computer or mobile device please go to the State Board of Equalization's website at **boe.ca.gov** and click on City and County Tax Rates or call their Customer Service Center at 800.400.7115 or California Relay Service (CRS) 711 (for hearing and speech disabilities.)

Worksheet, Line 6, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states on purchases reported on line 1. You can claim a credit up to the amount of tax that would have been due if the purchase had been made in California. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

Estimated Use Tax Lookup Table

You may use the Estimated Use Tax Lookup Table to estimate and report the use tax due on individual non-business items you purchased for less than \$1,000 each. This option is only available if you are permitted to report use tax on your income tax return and you are not required to use the Use Tax Worksheet to calculate the use tax owed on all your purchases. Simply include the use tax liability that corresponds to your California Adjusted Gross Income and enter it on line 38. You will not be assessed additional use tax on the individual non-business items you purchased for less than \$1,000 each.

You may not use the Estimated Use Tax Lookup Table to estimate and report the use tax due on purchases of items for use in your business or on purchases of individual non-business items you purchased for \$1,000 or more each. See the instructions for the Use Tax Worksheet if you have a combination of purchases of individual non-business items for less than \$1,000 each and purchases of individual non-business items for \$1,000 or more.

Adjusted Gross Income (AGI) Range	Use Tax Liability
Less Than \$10,000	\$2

\$100,000 to \$124,999	\$37
\$125,000 to \$149,999	\$45
\$150,000 to \$174,999	\$53
\$175,000 to \$199,999	\$61
More than \$199,999 -Multiply AGI by 0.033% (.00033)	

Enter your use tax liability on line 4 of the worksheet or if you have no single purchase over \$999.99, then enter the amount on line 38 of your income tax return.

Line 39 – Total voluntary contributions

Add voluntary contributions to the amount on line 34 or subtract voluntary contributions from the amount on line 37. The amount of tax due, including the contributions, must be paid when the tax return is filed. See Voluntary Contributions below for more information.

Line 40 – Refund or no amount due

If no amount is entered on line 38 or line 39, enter the amount from line 37 on line 40. This is the amount that will be refunded. If this amount is less than \$1, attach a written statement to the tax return requesting the refund.

If an amount is entered on line 38 or line 39, subtract the amounts from the amount on line 37. If the result is zero or more, enter the result on line 40. If the result is less than zero, enter the result as a positive number on line 41.

Line 41 – Amount due

If an amount is entered on line 38 or line 39, add the amounts to the amount on line 34. Enter the result on line 41. This is the amount due with the tax return.

If no amount is entered on line 34, add line 38 and line 39, subtract the total from line 37 and enter the result as a positive number on line 41. Otherwise, add line 34, line 38, and line 39 and enter the total on line 41.

Line 42 – Underpayment of estimated tax

The estate or trust may owe an estimated tax penalty if:

- the estate or trust underpaid its estimated tax liability for any payment period, or
- the amount on line 34 is more than \$500 and the estate or trust did not pay the lesser of:

	2012 Tax	2013 Tax
AGI less than \$150,000	100%	90%
AGI between \$150,000 and \$999,999	110%	90%
AGI \$1,000,000 or greater		90%

The FTB will figure the underpayment of estimated tax penalty and send a bill. However, the estate or trust may use form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries, or form FTB 5805F, Underpayment of Estimated Tax by Farmers and Fishermen to:

- see if the estate or trust owes a penalty
- figure the amount of the penalty
- claim a waiver of estimated tax penalty
- use the annualized income installment method.

If the estate or trust completes form FTB 5805 or form FTB 5805F, attach the form to the back of Form 541. Enter the amount of the penalty on line 42 and check the appropriate box.

Voluntary Contributions

Code 401 through Code 426

The estate or trust may make voluntary contributions of \$1 or more in whole dollar amounts to the funds listed in this section. If one or more voluntary contributions are made, complete Voluntary Contributions on Side 2.

On Form 541, Side 2, line 39, enter the amount of the total voluntary contributions from the Voluntary Contributions, line 61.

If there is an overpaid tax on Form 541, line 37, the amount contributed must be subtracted from the overpaid tax. If there is a tax due on Form 541, line 34, the total contributions must be added to the tax due.

Schedule A Charitable Deduction

California law generally follows federal law, however, California does not conform to IRC 1202.

A trust claiming a charitable deduction, etc., under IRC Section 642(c) for the taxable year must file the information return required by R&TC Section 18635 on Form 541-A.

California law follows federal law for charitable contributions.

Attach a statement listing the name and address of each charitable organization to which your contributions totaled \$3,000 or more.

See the instructions for completing federal Form 1041, Schedule A, Charitable Deduction.

Schedule B Income Distribution Deduction

California law generally follows federal law.

Schedule P (541) must be completed if the estate or trust had an income distribution deduction.

Line 1 – If the amount on Side 1, line 17, is less than zero and the negative number is attributable in whole or in part to the capital loss limitation rules under IRC Section 1211(b), then enter as a negative number on Schedule B, line 1, the lesser of the loss from Side 1, line 17, or the loss from Side 1, line 4. If the negative number is not attributable to the capital loss on line 4, enter -0-

Line 2 – Figure the adjusted tax-exempt interest as follows:

From the amount of tax-exempt interest received, subtract the total of 1 and 2 below.

1. The amount of tax-exempt interest, including exempt interest dividends from qualified mutual funds, on Form 541, Schedule A, line 2.
2. Any disbursements, expenses, losses, etc., directly or indirectly allocable to the interest (even though described as not deductible under R&TC Section 17280).

Figure the amount of the indirect disbursements, etc., allocable to tax-exempt interest as follows:

1. Divide the total tax-exempt interest received by the total of all the items of gross income (including tax-exempt interest) included in distributable net income.
2. Multiply the result by the total disbursements, etc., of the trust that are not directly attributable to any items of income.

Include any nontaxable gain from installment sales of small business stock sold prior to October 1, 1987, and includable in distributable net income.

Line 3 – Include all capital gains, whether or not distributed, that are attributable to income under the governing instrument or local law. If the amount on Schedule D (541), line 9, column (a) is a net loss, enter -0-

California does not conform to qualified small business stock gain exclusion under IRC 1202.

Line 9 and Line 10 – These lines provide for the computation of the deduction allowable to the fiduciary for amounts paid, credited, or required to be distributed to the beneficiaries of the estate or trust. The deduction is equal to the amounts paid, credited, or required to be distributed or the distributable net income, whichever is smaller, adjusted in either case to exclude items of tax-exempt income entering into distributable net income. See the instructions for completing federal Form 1041, Schedule B, Income Distribution Deduction, and attach Schedule J (541), Trust Allocation of an Accumulation Distribution, if required.

Complete and attach to Form 541 a properly completed Schedule K-1 (541) for each beneficiary. An FTB-approved substitute form or the information notice sent to beneficiaries may be used if it contains the information required by Schedule K-1 (541).

For more information, see General Information E, Additional Forms the Fiduciary May Have to File.

Schedule G California Source Income and Deduction Apportionment

Trust Income to be Reported from Sources.

Income retained by a trust is taxable to the trust. Income from California sources is taxable regardless of the residence of the fiduciaries and beneficiaries. R&TC Section 17742 through Section 17745 provide that the taxability of non-California source income retained by a trust and allocated to principal depends on the residence of the fiduciaries and **noncontingent** beneficiaries, not the person who established the trust. Contingent beneficiaries are not relevant in determining the taxability of a trust.

A noncontingent or vested beneficiary has an unconditional interest in the trust income or corpus. If the interest is subject to a condition precedent, something must occur before the interest becomes present, it is not counted for purposes of computing taxable income. Surviving an existing beneficiary to receive a right to trust income is an example of a condition precedent.

There are five different situations that can occur when determining the taxability of a trust. The situations and treatment are:

1. If the trustee (or all the trustees, if more than one) is a California resident, the trust is taxed on all income from all sources (R&TC Section 17742).
2. If the noncontingent beneficiary (or all the noncontingent beneficiaries, if more than one) is a California resident, the trust is taxed on all income from all sources (R&TC Section 17742).
3. If at least one trustee is a California resident and at least one trustee is a nonresident and all beneficiaries are nonresidents, the trust is taxed on all California source income plus the proportion of all other income that the number of California resident trustees bears to the total number of trustees (R&TC Section 17743). Complete Schedule G.

4. If all of the trustees are nonresidents and at least one noncontingent beneficiary is a California resident and at least one noncontingent beneficiary is a nonresident, the trust is taxed on all California source income plus the proportion of all other income that the number of California resident noncontingent beneficiaries bear to the total number of noncontingent beneficiaries (R&TC Section 17744). Complete Schedule G.
5. If the trust has resident and nonresident trustees and resident and nonresident noncontingent beneficiaries, both situations 3 and 4 apply. Complete Schedule G.

The R&TC and accompanying regulations do not discuss the situation where some fiduciaries and some beneficiaries are nonresidents (situation 5). The FTB Legal Ruling No. 238, October 27, 1959, provides the method for allocating non-California source income where there is a mixture of California resident and nonresident fiduciaries, and California resident and nonresident noncontingent beneficiaries.

Example: Assume that the total taxable income of the trust is \$90,000 and is not sourced in California. There are three trustees, one of whom is a resident of California. There are two noncontingent income beneficiaries, one of whom is a resident of California. The amount of income taxable by California is calculated in the following steps:

1. Taxable income is first allocated to California by the ratio of the number of California trustees to the total number of trustees. The trustee calculation is $1/3$ of $\$90,000 = \$30,000$.
2. The amount allocated to California in that ratio (from Step 1) is subtracted from total taxable income. The amount for the next allocation is $\$60,000$ ($\$90,000 - \$30,000$).
3. The remainder of total income is then allocated to California by the ratio of the number of California noncontingent beneficiaries to the total number of noncontingent beneficiaries. The beneficiary calculation is $1/2$ of $\$60,000 = \$30,000$.
4. The sum of the trustee calculation and the noncontingent beneficiary calculation is the amount of non-California source income taxable by California. The trustee income calculation of $\$30,000$ plus the beneficiary income calculation of $\$30,000$ equals the income taxable by California of $\$60,000$.

The apportionment described above does not apply when the interest of a beneficiary is contingent. See R&TC Section 17745 regarding taxability in such cases.

If any of the following apply, all trust income is taxable to California. **Do not** complete Schedule G.

- All trustees are California residents
- All non-contingent beneficiaries are California residents
- All trust income is from California sources

The amounts transferred from Schedule G, column F and column H, should only include income and deductions reportable to California.

Part I

Complete lines 1a through 1f **before** completing the Income and Deduction Allocation.

The trustee is required to disclose the number of the trust's California resident trustees, nonresident trustees total trustees, California resident noncontingent beneficiaries, and total noncontingent beneficiaries.

Line 1(a) and Line 1(b) – Provide the total number of California resident trustees and the total number of California nonresident trustees who served the trust during any portion of the trust's taxable year. If a trustee ceased to serve the trust during any portion of the taxable year, or began serving the trust during the taxable year, attach an additional statement identifying the particular trustee, the relevant date or dates, and a description of the event.
