Instructions for Form 592

Resident and Nonresident Withholding Statement

What's New

Do Not Round Cents to Dollars – On this form, **do not** round cents to the nearest whole dollar. Enter the amounts with dollars and cents as actually withheld.

General Information

Tax withheld on California source payments is reported to the Franchise Tax Board (FTB) using Form 592, Resident and Nonresident Withholding Statement. Form 592 includes a Schedule of Payees section, on Side 2, that requires the withholding agent to identify the payees, the income amounts, and the withholding amounts. This schedule will allow the FTB to allocate the withholding payments to the payee upon receipt of the completed Form 592.

For taxable years beginning January 1, 2010, use Form 592 to report resident and nonresident withholding and use Form 592-V, Payment Voucher for Resident and Nonresident Withholding, to submit resident and nonresident withholding payments when Form 592 is submitted electronically or by mail. See General Information A, Purpose, for more information.

When filing Form 592 with the FTB, the withholding agent is no longer required to submit a Form 592-B, Resident and Nonresident Withholding Tax Statement, to the FTB, for each payee. However, withholding agents must continue to provide the payees with Form 592-B at the end of the year which shows the total amount withheld for that year.

Type of Income – For taxable years beginning January 1, 2010, you may select more than one type of income. This eliminates the need to submit a separate Form 592 for each type of income.

Backup Withholding – Beginning on or after January 1, 2010, with certain limited exceptions, payers that are required to withhold and remit backup withholding to the Internal Revenue Service (IRS) are also required to withhold and remit to the FTB. The California backup withholding rate is 7% of the payment. For California purposes, dividends, interests, and any financial institutions release of loan funds made in the normal course of business are exempt from backup withholding. For additional information on California backup withholding, go to ftb.ca.gov and search for **backup withholding**.

If a payee has backup withholding, the payee must contact the FTB to provide a valid Taxpayer Identification Number (TIN) before filing a tax return. The following are acceptable TINs: social security number (SSN); individual taxpayer identification number (ITIN); federal employer identification number (FEIN); California corporation number (CA Corp no.); or California Secretary of State (SOS) file

number. Failure to provide a valid TIN will result in the denial of the backup withholding credit.

- Backup withholding is required on a reportable payment when federal backup withholding is required (with certain limited exceptions). There is no set minimum threshold.
- Withholding, excluding backup withholding, is optional, at the discretion of the withholding agent, on the first \$1,500 in payments made during the calendar year. Withholding must begin as soon as the total payments of California source income for the calendar year exceed \$1,500.

For California withholding purposes:

- Nonresident includes all of the following:
 - Individuals who are not residents of California.
 - Corporations not qualified through the California Secretary of State to do business in California or having no permanent place of business in California.
 - Partnerships or limited liability companies (LLCs) with no permanent place of business in California.
 - Any trust without a resident grantor, beneficiary, or trustee, or estates where the decedent was not a California resident.
- Foreign refers to non-U.S.

A Purpose

Use Form 592 to report the total withholding under California Revenue and Taxation Code (R&TC) Sections 18662 and 18664. Use Form 592-V to remit withholding payments relating to Form 592. The amount of resident and nonresident withholding tax to be withheld shall be computed by applying a rate of 7% or such lesser amount as authorized in writing by the FTB. Get Form 589, Nonresident Reduced Withholding Request, for more information.

Important:

- Form 592 is also used by pass-through entities to flow through withholding credit to their pass-through owners.
- This form is also used to report withholding payments for a resident payee.

The amount of backup withholding is computed by applying the rate of 7% to a reportable payment when federal backup withholding is required (with certain limited exceptions). There are no reductions or waivers for backup withholding. Backup withholding supersedes all types of withholding. For more information on backup withholding, go to ftb.ca.gov and search **backup withholding**.

Do not use Form 592 if you are the buyer or escrow person withholding on the sale of real estate. Use Form 593, Real Estate Withholding Tax Statement, and Form 593-V, Payment Voucher for Real Estate Withholding, to report and remit real estate withholding.

Do not use Form 592 to report tax withheld on foreign partners. For more information regarding reporting tax withheld on **foreign** partners, get Form 592-A, Payment Voucher for Foreign Partner or Member Withholding, and Form 592-F, Foreign Partner or Member Annual Return.

B Common Errors/Helpful Hints

If you are filing Form 592 only to flow through withholding credits to your S corporation shareholders, partners, members, or beneficiaries, enter your information in Part I as the withholding agent. **Do not** enter the name or ID number of the entity which originally withheld payments from you.

C When and Where to File

The tax withheld on payments to independent contractors, recipients of rents and royalties, or distributions to domestic nonresident S corporation shareholders, partners, members, and beneficiaries of estates and trusts, are remitted in four specific periods. Each period has a specific due date.

The specific periods and due dates are:

January 1 through
March 31, 2013 April 15, 2013

April 1 through
May 31, 2013 June 17, 2013

June 1 through
August 31, 2013 September 16, 2013

September 1 through
December 31, 2013 January 15, 2014

When the due date falls on a weekend or holiday, the deadline to file and pay without penalty is extended to the next business day.

Send any payment due with Forms 592 and 592-V to:

WITHHOLDING SERVICES AND
COMPLIANCE
FRANCHISE TAX BOARD
PO BOX 942867
SACRAMENTO CA 94267-0651

The withholding agent retains this form for a minimum of four years and must provide it to the FTB upon request.

10-Day Notification – California follows federal law, which requires that withholding agents notify foreign payees within 10 days of any tax withheld. For California withholding purposes, withholding agents should make a similar notification to nonresident payees. No particular form is required for this notification, and it is commonly done on the statement accompanying the distribution or payment. However, the withholding agent may choose to report the tax withheld to the payee on a Form 592-B.

D Amending Form 592

If an error is discovered after Form 592 has been filed, a corrected Form 592 can be completed and filed to amend the error. Amended forms can only be filed by the withholding agent. To amend Form 592:

- Complete a new Form 592 with the correct information and include all original payees. Do not use negative numbers when completing Form 592.
- Check the "Amended" box at the top of the form.
- Include a letter explaining what changes were made and why.
- Send the amended form and letter to the address listed under General Information C, When and Where to File.

Example: If a payee was incorrectly included on the original 2013 Form 592 with an Amount of Tax Withheld of \$100, but should have been included on the 2012 Form 592, complete an Amended Form 592 for 2013. Enter \$0.00 as the corrected Amount of Tax Withheld. Then, file an Amended Form 592 for the correct period in 2012. Include the payee that was originally left off as well as all of the payees from the original 2012 Form 592.

Important: If you are amending only to correct the payee ID, contact us at the number listed under Additional Information.

E Electronic Filing Requirements

Form 592 information must be filed with the FTB electronically, using FTB's Secure Web Internet File Transfer (SWIFT), instead of paper when the number of payees on Form 592 is 250 or more. However, withholding agents must continue to provide payees with Forms 592-B.

For electronic filing, submit your file using the SWIFT process as outlined in FTB Pub. 923, Secure Web Internet File Transfer (SWIFT) Guide for Resident, Nonresident, and Real Estate Withholding.

For the required file format and record layout for electronic filing, get FTB Pub. 1023S, Resident and Nonresident Withholding Electronic Submission Requirements.

If you are the preparer for more than one withholding agent, provide a separate electronic file for each withholding agent.

For electronic filing, submit your payment using Electronic Funds Transfer (EFT) or Form 592-V, Payment Voucher for Resident and Nonresident Withholding.

F Interest and Penalties

Interest on late payments is computed from the due date of the withholding to the date paid. Failure to withhold may result in the withholding agent being personally liable for the amount of tax that should have been withheld and for interest and penalties. A penalty is assessed for failure to file complete,

correct, and timely information returns (Form 592 schedule of payees) to the FTB. The penalty is calculated per payee:

- \$15 if filed 1 to 30 days after the due date.
- \$30 if filed 31 days to 6 months after the due date.
- \$50 if filed more than 6 months after the due date.

Specific Instructions

If completing Form 592 by hand, enter all the information requested using black or blue ink.

Taxable Year – Use the taxable year 2013 form for withholding in the current calendar year. For withholding in a previous year, use a previous year tax form.

Prior Year Distribution – If current distribution represents prior taxable year California source income, check the "prior year distribution" box at the top of Side 1 on Form 592. The taxable year on Form 592 should match the income year. Attach a letter explaining that the distribution took place in the current withholding year, but was for a prior taxable year.

Due Date – Check the appropriate box representing the due date for the tax withheld.

Private Mail Box (PMB) – Include the PMB in the address field. Write the "PMB" first, then the box number. Example: 111 Main Street PMB 123.

Foreign Address – Enter the information in the following order: City, Country, Province/Region, and Postal Code. Follow the country's practice for entering the postal code. **Do not** abbreviate the country's name.

Line 5 – Enter the amount withheld by another entity that's being allocated to your S corporation shareholders, partners, members, or beneficiaries. If any of the amount withheld by the other entity is to be used against the tax owed by your entity, **do not** include that amount in line 5. Attach a note to Form 592 explaining how much of the credit will be used to offset your tax due.

Line 7 – Subtract line 6 from line 3 and enter the balance due. If less than zero, enter -0-. **Important:** Include (but **do not** attach) a check or money order to Form 592-V for the full amount payable to the "Franchise Tax Board." Write the withholding agent's ID number and "2013 Form 592" on the check or money order.

Do not attach schedules to this form. We only accept and process additional payees reported on the Schedule of Payees from Side 2 of Form 592.

If this is a pass-through entity allocating to its owners their respective share of withholding, **do not** enter the business name of your entity. Only enter the business or individual name of the pass-through entity owner. For foreign addresses, see Specific Instructions, on this page.

If the payee is a **grantor trust**, enter the grantor's individual name and TIN. **Do not enter the name of the trust or trustee information.** (For tax purposes, grantor trusts are transparent. The individual grantor must report the income and claim the withholding on the individual's California tax return.) If the payee is a **non-grantor trust**, enter the name

of the trust and the trust's FEIN. **Do not enter trustee information.** If the non-grantor trust has applied for a FEIN and is not received, enter "**applied for**" in the space for the trust's FEIN and attach a copy of the federal application.
