Instructions for Form 590-P

Nonresident Withholding Exemption Certificate for Previously Reported Income

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2009, and to the California Revenue and Taxation Code (R&TC).

General Information

R&TC Section 18662 and related regulations require withholding of income or franchise tax by S corporations, partnerships, or limited liability companies (LLCs) when distributions of money or property that represent California source income are made to S corporation shareholders, partnership partners, or LLC members that are nonresidents of California.

Distributions subject to withholding include, but are not limited to, distributions that represent current year's income or prior year's income that should have been, but was not previously reported as income from California sources on the S corporation shareholder's, partnership partner's, or LLC member's California income tax return. However, no withholding is required if the total distributions of California source income to the S corporation shareholder, partnership partner, or LLC member are \$1,500 or less during the calendar year. For more information on S corporation, partnership, or LLC withholding, get FTB Pub. 1017, Resident and Nonresident Withholding Guidelines.

Purpose

Use Form 590-P, Nonresident Withholding Exemption Certificate for Previously Reported Income, if you are a nonresident S corporation shareholder, partner in a partnership, or member in an LLC to certify an exemption from withholding on current year distributions of an S corporation's, partnership's, or LLC's **prior** year income.

If you have already reported the income represented by this distribution on your California tax return as income from California sources, submit Form 590-P to the S corporation, partnership, or LLC.

The S corporation, partnership, or LLC will be relieved of the withholding requirements for your share of this distribution when relying in good faith on a completed and signed Form 590-P.

Do not use Form 590-P if one of the following applies:

- You are a foreign (non-U.S.) partner or member. There is no provision under R&TC Section 18666 to allow an exemption from withholding for a foreign partner or member.

- You are an S corporation shareholder, partner in a partnership, or member in an LLC who is a resident of California or who has a permanent place of business in California. Instead use Form 590, Withholding Exemption Certificate.
- Your income is not yet reported on your California tax return.

Get Form 588, Nonresident Withholding Waiver Request, to request a waiver of withholding on payments of current year California source income. Get Form 589, Nonresident Reduced Withholding Request, to request a reduction in the standard 7% withholding rate.
